PRESIDENTS REPORT

Big congratulations should be given to all the players for your effort over the season. I hope all our players enjoyed their year.

Our club has had quite a successful year this year with 2 junior teams and 4 senior teams making the semi's. Our U11's went through to the grand final only to lose to a better team on the day.. To Terry and boys, you did your best and perhaps you can go all the way next year. Our B8's also made it through to the grand final and played strong, but were unable to come up with the win on the day.

I would like to take this opportunity to thank our committee for a great job. Our club is financially very strong thanks to the raffle conducted at the pub by Tom, Terry, Dave and other helpers. I really do appreciate your dedication to the club in giving up your Friday nights to run this fundraiser. Our Have-a-Go cricket was very successful thanks to the work of Rod and Dave. It was great to see the little ones having fun whilst learning about the game of cricket. I should also thank Wendy and her helpers for doing a great job in the canteen as well as Chris, Jason, Alan and Shawn for BBQ duties and general helping at Have-a-Go. It was a success.

The Coolibah Hotel is our major sponsor and play host to our raffles and our senior presentation. Although numbers at the presentation were down this year it proved to be a successful night with great food and service. Thanks to our sponsor for another year.

Partners and parents should also be thanked for their support and dedication in getting the players to the grounds each week. Thank you to all coaches and managers for your hard work each week.

I hope to see you all in the coming season and wish each team luck and fun for the 2006/2007 season.

**Mal Mackander,
President**

SECRETARY'S REPORT

Another year has passed and we did have a good year. Four of the senior teams got to the semi finals and two of our junior teams, but only the B8's and the U11/2's go to the finals and neither could bring home the winning trophy but it was a great achievement to get as far as they did. Congratulations to all the teams. The Trivia night that Wendy Mackander and her team of helpers organised was a great success. I must thank a few people for their help throughout the season:- to the coaches and managers of the junior teams who gave up their Saturday mornings to help and thank you to all the guys who helped Tom Adams and Dave Mandic to run the raffles at the Coolibah Hotel each Friday night; a special thank you to David Michelson and the B2's who ran the Milo Have-a-Go cricket again this season, it was a big success. I hope to see a lot more parents involved in the club next season. We hold our meetings on the first Thursday of each month and everybody is welcome.

Anne Ryan
Hon Secretary

TREASURER'S REPORT

Our main source of income again came from the Coolibah Hotel and we would like to thank the publican, Sean Leavey for their sponsorship. The Friday Hotel raffle raised additional revenue and again we must thank Dave Mandic, Terry Hoban and Wayne Earl plus the other members who give time to run this raffle.

During the season we also ran a Trivia night which was arranged by Wendy Mackander. We thank her for all her hard work to make this night a success.

On a personal note, I would like to thank our Secretary Anne Ryan and our hard working committee for all their work during the season, and a very big thank you to Charmaine Barton for typing my additional work during the season and this report.

Tom Adams

UNDER 10 BLUE

Coaches: Dave Michelson
Stephen Thompson

What a fantastic season from the team, going as close to a premiership as you can possibly go in under 10's. After being flogged in the 1st game we went through the rest of the season undefeated. It was an absolute pleasure coaching all of these players, as they were always at training, always willing to learn, played the game in the right spirit and always played as a team.

Peter Broschofsky - Peter had a very good season especially after Christmas scoring 52 runs and taking 6 wickets. I believe Peter has the ability to be a real star next season and is eligible to play under 10-'s again

Tiarna Cook - This was Tiarna's 1st season coming out of Have a Go. she really enjoyed training and always gave 100%.

Mitchell Gambin - Mitchell had a very good season lead by his ability in the field. Numerous times during the season Mitchell caused run outs with his great pick ups and direct hits throws.

Shaun Gambin - Shaun is a very hard hitting left hand batsman who will score plenty of runs in the seasons to come.

Matthew Hopkins - Again another 1st season player, Matthew's batting improved so much during the season. When Matthew started both he and I did not know where his 1st run would come from, however he finished the year on 11 runs, his bowling was always his strength.

Jake Hutt - Jake is a quality wicket keeper and a more than handy batsman, scoring 59 runs for the season and in my opinion was the best wicket keeper in the comp.

Dean Matterson - Dean is a pleasure to coach, always happy to stand aside to give somebody else a go. Dean bowled very well and also batted well during the season and will be a stand out player next season.

Chase Morgan - Chase's batting during the season was terrific scoring 95 runs at an average of 31.66. Chase will be a very good top order batsman next season in under 11's as he refuses to give his wicket away. Chase's highlight for the year was he was the only person to hit a six.

David Michelson - This was David's 1st season and not only was he the youngest player in the team, but was the youngest player in the competition. However he did very well scoring 11 runs and taking 6 wickets. Well done son!

Patrick Nichols - This was Patrick's 2nd season and the experience certainly showed with Patrick scoring 37 runs and taking 7 wickets, again I believe Patrick will be one of the stars next season.

Amit Pala - This was Amit's 1st season and he improved through out the season, especially his bowling to finish with 6 wickets.

Blake Scurr - This was Blake's 1st season and if he had not have missed so many games he would have been up there challenging for the bowling awards. I have no doubt Blake will be one of the stars again next season in under 10's.

Jayden Stephens - Jayden always batted at the top of the order and did a fantastic job getting the team off to great starts including a partnership with Corby of 49 against Wenty. Jayden also had very safe hands in the field and was equal leading wicket taker for us.

Alyssa Stretton - Alyssa had a good season. Her last game against Kings Langley showed the way she really can bowl. She bowled very quick and straight. Well done Lissy.

Corby Willick - Corby is a star, I have no doubt Corby was the best cricketer in the competition. I also believe e that at his age he is the best cricketer I have ever seen and will go on and represent Parramatta at rep level. If he continues to work hard, he could do anything. Corby remember your 1st coach when free tickets come along.

During the season both **William MacKander** and **Brodie Morgan** played with us and both took wickets.

Of the 17 players that played during the season 15 have indicated they will be coming back next season. Of the 15, 5 will go up to under 11's, we have also been approached by a few boys from Wenty that missed grading with Greystanes this year that would like to come back and play with us. I look forward to coaching all the under 10's next season and taking a huge interest in how our boys go in Under 11's.

Well done on a fantastic season.

UNDER 10 RED

Coaches: Di ne Cronan
Rocky Versace
Manager: Tony Taniane

We began this season with seven players returning from last season and seven newcomers and for most of it we played our cricket at an excellent level. The first half of the season brought six consecutive victories in which the strength of our batting was critical to our success. Unfortunately, the loss of form of a few players saw us lose our next four games, albeit two of them in the last two overs. The team lifted again to score convincing victories in our last two games.

The coaches and I would like to thank all our players for the commitment, enthusiasm and sportsmanship that they demonstrated throughout the year. We would also like to thank Attila Lendvai who was our chief scorer throughout the season and Francine Uno who provided oranges for the players during the drinks break each week.

JACOB BASKERVILLE - Always enthusiastic, he developed his range of strokes throughout the season including an elegant cover drive. He is a persistent bowler and an energetic fielder.

BEN CRONAN - He enjoyed a good second season. In batting he climbed the averages as the season progressed thanks to an improved defensive game whilst in bowling he regularly chipped in with a wicket or two.

JOEL LENDVAI - He showed tremendous improvement in his batting as the season progressed and developed into a tidy and reliable bowler. He achieved the best individual bowling figures in an extraordinary three overs in round 6.

JOHN MATRI - He became known as Mr. Consistency because of his regular contributions with both bat and ball. He is a punishing hitter who also achieved the rare feat of two wickets in the first over of a game.

LOUIE MATRI - From his very first innings he proved to be a confident and punishing batsman who scored more than a century of runs in boundaries. He proved to be a genuine all-rounder with his accurate bowling and superb fielding. He deservedly won the team's Player of the Season award.

HARRISON REVAI - Our youngest player had a wonderful debut season. This fellow continued to contribute with both bat and ball even during our run of losses. He finished with the most run outs of any fielder in the team.

JAMES REVAI - Always Mr. Dependable, he contributed runs with regularity. He proved himself an accurate, penetrating bowler and an excellent fielder. A true sportsman, he deserved the team's Spirit award voted for by the parents.

CHRIS SILCOCK - He was a last minute recruit who showed himself to be an intelligent batsman with a good eye. He also contributed on many occasions with the ball and in the field.

EMELIE SMART - She proved herself a reliable member of the team and always tried hard. Her bowling developed considerably in terms of both accuracy and consistency and opposition bowlers were always made to earn her wicket.

JARRYD SMART - He is a player of enormous potential who scores runs quite rapidly on his day. He also bowls the occasional unplayable ball and is a tidy fielder.

LIAM TANIANE - He developed technically as a batsman and made many valuable contributions. He always gives 100% effort in the field.

PATRICK THORNCRAFT - He was another one who had a highly promising debut season. Although the runs didn't always flow for him, he proved to be extraordinarily hard to dislodge and should enjoy the chance to build longer innings next season. He is also a useful bowler and outfielder.

TRISTAN UNO - Throughout the season he enjoyed being part of this team. His greatest contributions were with the ball, including a match-winning 3-10 in the last game of the season. As a batsman, he proved himself to be a stubborn defender who was always difficult to dislodge.

MATTHEW VERSACE - Although he played some fine innings at the start of the season, it was his bowling that proved to be the greatest revelation. He deservedly finished with most wickets and contributed with catches, run outs and a stumping in the field.

UNDER 11/2'S - FINALISTS

Coach: Terry Hoban

This year was the first time out of modified cricket. The year went almost to plan. The boys trained hard and played well and were the only junior side to make the Grand Final.

The competition within the side was always pleasing for one trying to out do each other.

Thanks very much to Mario and Dave who helped coach the boys this year.

Next year we try to go one better. Thank you Boys.

Terry Hoban

UNDER 13's DIVISION 1

Coach: Mark Crittenden
Manager: Luke Lambourne

These boys had another outstanding season with 5 players eligible for U/12's to finish third on the ladder was a great achievement.

Unfortunately we had a couple of injuries prior to the semi-final and we were beaten by Kellyville. We were a player short but in the spirit the boys gave everything they could.

I would like to thank Mick, Luke and Steve for their help during the season, without these guys it makes it tough. To the players, it was a pleasure to coach such fine young men. They always give 100% and that is all I can ask.

A big thank you to the parents who always had the boys at training and games on time, and also for your support. This team, due to their ages will probably split for next season.

I have enjoyed the last 4 years and I hope that you guys have gotten something out of our time together and when you go on to bigger things you will remember your early years at Greystanes.

Good luck to you all and thankyou.
Mark

UNDER 14's DIVISION 1

Coach: David Rankin
 Asst Coach: Glenn Walker

This season was the first time we have failed to reach the finals. With only 2 wins during the season, it would have to be described as a very disappointing result.

The first half of the season we always seemed to be trying to avoid outright losses, which we managed to achieve. The second half of the season we improved and were far more competitive. Two very narrow losses seemed to deflate the boys confidence and result in a last round shocker.

Our biggest problem again this season was our batting. We just couldn't score defendable totals for our bowlers to bowl to. The opposition batting line-ups are becoming stronger and we need to improve in this area to break back into finals contention.

On a positive note, the improvement of Luke Campbell, Daniel Walker and Brent Rogers in the bowling department was excellent. Brent in his first season of cricket showed some real skills, and has a big season coming up I believe.

"All" the boys need to work harder at training on all their skills. Confidence and patience is needed to reach higher personal and team results.

I would like to thank Glenn for his assistance yet again, during a some times difficult but as always rewarding season.

Also thanks to Jenny Chetcuti, who gave her time to the team and scored each Saturday morning.

Good luck next year boys. It's a new season coming up. The ability is there, the hard work has to be done though, to turn things around.

Coach: Lawry McCulloch

What a pleasure to coach such a bunch of talented kids. I can't say I was to enthused when I turned up at our first training session and only 6 kids were there. It was decided after our second session we would play the season and see what happened.

To the boys credit they put 100% effort in every game and only a forfeit just before Christmas cost us a semi-final place.

I would like to thank Phil for captaining the team this season with great pride and sportsmanship. Matt, Raza, be proud of your efforts you were major contributors to the team this year and without your positive attitudes, it could have been a very long season. Nathan, Peter, Mark and Joe joined the team at different stages of the season and all played important parts for the team.

A big thank you to Tim along with Phil and Razza who played a big role within the team. Our efforts were all built around his patient batting and his continued talk on the field. Also thank you to Michael who played for the team when he did not have grade commitments.

It would be amiss of me not to say thanks to my daughter Jill and little Scotty who basically filled in all season in the field.

Last but not least a big thank you to the rock of the team, Anne Ryan. She organised everything for the team and kept an immaculate scorebook.

In closing, I would like to say it was the best bunch of kids I have coached and I wish you all the best in what ever you do in life.

UNDER 16's DIVISION 2

Coach: Susheel Dhar
Manager: Tushaar Dhar

The boys put in an outstanding performance realising that we were short of at least two and on occasions up to three players for most of the season. Christmas break did wonders to the guys and they came up with some really good performances in defeating teams that ended up 2nd, 3rd and 4th on the table. It was our loss in the last game against Seven Hills RSL that ended up on top of the ladder, that saw us miss a semi-final berth. It wasn't a bad performance at all, after all, it is hard when you are trying to stretch to fill in for two players short, week in and week out.

Well done boys, I am proud of your contribution and commitment and I am sure you would have enjoyed our working together as a team as much, if not more, as I have.

Player Profile:

Isidor played a very important role in turning around of team fortunes in the second half of the year. He found that missing spark and blasted the opposition from the word go. Good thing was that Isi scored a century against Kings Langley Reds, team that ended up 2nd on the ladder. Well done Isi, your contribution with bat and in fielding was well appreciated by the team.

Nitish with steady starts provided stability at one end before we discovered Isidor to partner him in the opening. Nitish developed very well as a bowler and bowled some tight and probing spells of off spin that helped the team push ahead the advantage. Never mind Nitish, if you stay involved and realise what team expects of you, you have the ability to develop into a very useful all-rounder.

Rahat's contribution in fielding can not be missed and he always came up with useful spells with ball, whenever called-up by his team. Rahat for some reason failed to translate his batting ability into useful scores with the bat. Never mind Rahat, keep learning from your mistakes and you will do well with your overall cricketing abilities.

Jacob made an all-round contribution to learn with some solid performances with both bat and the ball. Only thing missing was his consistency. Jacob is a natural player that any team would like to have. You need to start putting value on your wicket and settle down before you play your shots. Stay involved with all aspects of the game, you have the potential and ability in you to come up with more solid and consistent performances.

Ankur also has the ability and potential to lift his game to a higher level. Probably the expectancy as a Captain and son of the coach had its say on your overall performance for the team. Good thing is that you came up with some good performances with both bat and the ball. Your contribution in the fielding was outstanding and can't stop without mentioning about your rare hat-trick against Seven Hills RSL, the team that topped the group. With more relaxed but determined approach, you have the potential to go further, stay focussed and prize your wicket.

Chris, you were undoubtedly the most improved overall player of the team. You showed the determination and guts to stay in the middle and lead the team with our batting. Your relaxed but committed approach with the ball and in the field was most pleasing to me as a coach. Build-on your strengths and ability and you will have more fun and shall further develop your game.

Luke Titterton's contribution in the field can't be under estimated. You were superb on occasions and did very well with the bat when the team needed it the most. Being there with the team, day in and day out would have really helped you as a player and your team as a whole.

Omar really developed during the season and his contribution behind the wickets can't be under estimated. Omar took some wonderful catches, both as a fielder and as a wicketkeeper. I would like to acknowledge your contribution with the bat Omar.

Nicholas was undoubtedly the player who impressed me most with his bowling and overall attitude. Being new to the team, he was low keyed but improved with each outing and contributed substantially with the bat as well. Your performance through out the season was visible to your team and rightfully you ended up as the highest wicket taker for your team. Good thing is you enjoyed contributing to the team. Keep up your good work ethics and you will end up doing well.

Jaryd continued with his fine performance with the bowling but for some reason lacked his penetration and consistency. Jaryd inflicted some damage to opposition bowling with some huge sixes, when he was in a mood. Overall performed very credibly, without being outstanding, as I was expecting Jaryd this year, having witnessed his development as a player last year. Never mind Jaryd, you have the ability and you will do very well if you start analysing and working out a batsman.

A GradeCoach: **Brian Barton**

Not a great year to remember, we never played to our ability on game day. Never the less, a year to put down as a memory and come back next season more determined. The side had a lot of changes this year, players retiring or playing down grades, with new group of young players joining the side and hopefully gained some experience and be better off for next season. The last few season saw us two out of three in the semi finals and this year finish last. More commitment and hard work next season should see us back in the finals doing our best and hopefully winning. A big thank you to Barry and Pauline who scored for us most of the year. To the players who turned up and tried their best, thank you and congratulations to those players who took out individual awards. Also a big thank you to Tom Adams for his extra ordinary help during the year.

Finally, I hope to see most of the boys back next year along with a few new faces and play cricket and enjoy each others company both on and off the field.

Captain: Wayne Earl

Whilst not coming away with the premiership, it was considered by most to be a successful year having come 2nd, only to lose a tight game in the semi final. It was always going to be difficult to repeat the success of the previous season having going up another grade but every player, week in and week out gave 100% which, from a captain's point of view, is very pleasing.

Some outstanding things were achieved during the season highlighted by:

- Steve Mifsud taking more wickets than he scored runs - 42 v 41
- Jason Hedges dropping what most would consider the easiest catch ever (I think I can now pass the Tufnell tag onto somebody else).
- Dave Mandic being run out after being knocked over by Andrew Piper, 105kg v 75kg.
- Tod "Thorpedo" Stapleton squeezing into whites 4 sizes too small. The last time he had worn that size was 15 years prior. A very scary sight.

A few players are moving on next season and from a personal note having played with Dave, Tod and Stu for 15 years or more, it just won't be the same. If you ever change your mind you are always welcome back.

A massive thank you to Ann Ryan who is an integral part of the team, coming along and scoring each week whilst having to put up with us each week.

Finally, personally I would like to thank the team for making captaining this side so easy.

See you all next year 06/07.

Wayne Earl

Not a season to remember but socially it was the best season of cricket ever. Age really showed through. We competed in every match but couldn't keep it up. I know we will be back bigger (hopefully not too much bigger) and better next year.

Captain: Gavin Xavier

What a great season.

This team over achieved in what was a very even competition in which there was only 1 team guaranteed a semi final spot and 5 others battling for the other 3.

We finished well and snared 2nd outright, convincingly won our semi final but unfortunately came up against a better team on the grand final weekend.

This team won quite a few games on sheer guts and determination, be it with the bat, ball or some just unexplainable fielding efforts which paid off.

Some of this seasons highlights included:-

- Aaron Skinner showing his potential as a top order batsman early in the season with some solid knocks while other more renown batsmen failed.
- Joel Taylor and Shawn Burnett's great lower order batting which helped win some games as well as allowing both players to obtain their first ever career 50's.
- Dave Michelson, Brad Windle and Brendon Arthurs post Christmas batting. These 3 guys scored the majority of their runs in the 2nd half of the year and helped post some large team scores. Brad's cavalier 83 and Dave's swashbuckling 56 in the semi final were just great to watch.
- Jason Xavier and Jim Sultana showed at times when needed the ability to tie one end down while the shot makers were going about their business keeping the scoreboard moving.
- The old veteran Gavin Xavier as skipper did a great job of mixing the experience and youthful energy at his disposal into an outfit that performed soundly.
- We lost a couple of regulars this year with Stix Windle and Gary Jughead Clark moving on to other interests but welcomed into our group Steve Thompson and big Tony Pearson. As well as easing a one legged Darren Arthur back after Christmas.
- Early in the season, Joel Taylor and Brendon Arthur led the attack with the ball with some early support by Jim Sultana and Steve Thompson as well as Raza Rizwan and Wayne Agius helping when recruited into the team.
- Later on Brad Windle and Shaun Burnett just mowed down our opponents with some very accurate bowling.
- Special thanks goes out to the Rizwan brothers who showed just what kind of class cricketers these guys are.
- And finally, (this is just for you Mr Michelson) There "are" witnesses to the 3 superb catches I took this year including that one handed screamer low down to my right at first slip as well as those who witnessed that unbelievable 39 I shot on the front 9 at Forster Golf course.

See you all next season, Jim Sultana

Captain: Terry Hoban

For us this year was a good year, going from last in 2005/2006 to finishing 2nd in the regular season. Although we were knocked out in the semi final, we did very well.

Pleasing notes were Noyz scoring 116 and Peter scoring 103, which lead to a batting competition that came down to the final game with Peter just winning.

We bowled well sometimes without luck but all in all it was a good year.

Thanks to Cam, Enoch and Paul. Good luck in retirement.

See you next year boys.

Thanks, Terry.

Captain: Simon Grove

What an awesome year! We came together at the start of the year knowing very little of each other, the majority meeting for our first time shortly before our first game which we won outright thanks to 117 not out from Daniel Barton, 64 from Hayden Reid and a good team bowling effort.

At the Christmas break we found ourselves undefeated (one tie and one draw) narrowly leading the competition. However the second half of the season did not go so smoothly losing three matches saw us place third going into the semi finals in which despite our best efforts we could not stop the Hills Barbarians who went on to demolish Pendle Hill in the final.

Through the season there were many great moments:-Shannon's 73 wickets which included a 16 wicket game (9/41, a hatrick and 7/5***); Barto's catches - just ask him; the longest 6 you will ever see from Rana; lightning fast reactions from James Clancy at short mid wicket; body on the line keeping from Trevor and many other good memories.

There were many good improvers through the year - Haydos, especially with the ball; Clancy and Shayne showed potential, which I'm sure will translate to good results next season; Joel made a personal best 20 not out; James El-Khoury showed us he can swing the willow; Nayren showed good improvement in the field and PJ was consistent opening up the batting, averaging 25.

Thanks for a good season and I hope to see everyone later this year.

Simon.
