A place that locals come back to time and time again. The friendly staff, relaxed atmosphere and comfortable facilities combine with great quality and value for money food and drinks to make it the perfect place to meet with friends and family.

The bistro is worth entry to the hotel alone. The chef combines contemporary dishes with traditional Australian pub favourites to ensure there is something for everyone. You'll enjoy dining in the vibrant atmosphere and relax knowing there's no better place to unwind. We believe that dining is a key facet to a successful hotel and our aim is to provide you with an enjoyable, casual dining experience that will leave you wanting to return time and time again... and don't forget about our famous \$5 Sunday breakfasts.

Our sports bar is perfect for anyone who likes a flutter or for those who just want to catch up with friends. We're sure you'll enjoy the banter in the TAB bar and the relaxation of the lounge bar.

Any time you want to celebrate, we have a function room that comfortably caters for up to 150 people. From everyday celebrations to large corporate and social events, our aim is help you make it a memorable experience for all....

Come and experience the hotel entertainment; from trivia and karaoke, through to live music, poker and all the UFC live and loud.

Our large Super cellars bottle shop is located on the hotel site; we stock a large range of beers, wines and spirits... not to mention the latest movie DVD's.

We'd love to welcome you to the Coolibah Hotel.

# President's Report – Wayne Earl

The club had a fantastic 2019/20 season. We saw an increase in player numbers both in Juniors and Seniors with some memorable results from both new and returning players.

Congratulations to our B7 team, claiming the premiership and our B8 and Under 15/2 teams for being Grand Finalists.

Individually there was some stand out results

- Jack Newcombe from the B14's scoring 166 in round 7 and finishing the season with 656 runs at an average of 82.
- Ketul Patel in the B8's scoring 3 centuries and 467 runs for the season.
- Dave Mandic in the B7's had a season which proves some things just get better with age, scoring 328 runs at an average of 41.
- Abishek Sudharshanan scored 306 runs at an average of 34 to be the standout in the 15/2 team
- Matthew Nicholls from the B4's had a day out with the ball in round 13 taking 7-32
- Raj Singh from our under 11 team in round 8 bowled 2 overs, 2 maidens 6-0.

There were many more fantastic individual results and personal milestones throughout the season, and I congratulate all players.

Thank you to the Coolibah Hotel whose generous support of our club for the past 20 years is greatly appreciated. Thank you also to the Kobe Group and PBT for being playing shirts sponsors. Thank you also to our training shirt sponsors, Greystanes Electrical, STAKAT Building, Prospect Plumbing, Bathurst Liquor, Goodfellas Pizza and Thai Pattra all local businesses supporting local cricket.

Congratulations to all our Juniors who represented our club at representative level both in the NSW Youth Championships or the Presidents Cup.

Again, this year we successfully ran the under 10 Gala Day which continues to be a well-supported day by many clubs within the district. The Club also ran the Woolworths Master blaster program, which was cruelled by heat, rain and then COVID but with 34 kids it will continue to provide junior cricketers for Greystanes for years to come.

I would like to thank the committee for their efforts throughout the year, especially Sean Fahy who as a first-year secretary of our club has done an amazing job.

Finally, it is with great sadness we farewell Tom Adams as Treasurer of the club. Tom has been an executive committee member since 1982. During that time he has been Treasurer for 29 seasons, Secretary for 4 seasons and a committee member for 1 season. A life member of both the PDCA and GCC, Tom has done more for this club than any other person and the success of the club is directly attributable to his tireless efforts. No words can ever express our thanks to you and your patient and understanding wife Shirley. Enjoy your retirement, its well deserved.

Thank you to everyone for you ongoing support of the club I look forward to seeing you all back again next season.

## Secretary's Report – Sean Fahy

This year was my first as the club Secretary and I would like to thank Wayne, Tom, Shiri and everyone who supported me in this first year. I have enjoyed learning how a cricket club functions and look forward to continuing to support the club in the future.

Whilst the club doesn't have a large amount of administration tasks, I found that two areas of the season requires some assistance if there is anyone looking to support the club. The registration period is resource hungry, plus maintaining a Social Media presence during the season is required more and more these days.

On a personal note, I was happy to be involved with creating standards of behaviour policies that reflect how our Juniors, Seniors and Guardians of the club are asked to behave in order to promote a positive environment on and off the field. I would ask that everyone embrace these behaviours in order to continue the influence on our strong club culture that has been created over 48 seasons.

The key elements of the secretary role are up to date at this stage, with some more simplification of the required tasks to occur in coming seasons. The MyCricket website will assist the club in this and has been developed in recent years as a great resource of central record keeping for a club like ours. I also personally enjoy using the live scoring app which can provide live scores to anyone, anywhere on the world.

We have strong support from our Sponsors that translates into a strong balance sheet, but no doubt this support may be challenged in the short term due to Covid-19.

Thanks to everyone involved in our club and we hope to set ourselves up for further growth with the support of Cricket Australia and Cricket NSW providing formats to attract more and more players.

Until next season

Thanks  
Sean

## Treasurers Report – Tom Adams

Season 2019-2020 will be remembered the year of COVID-19 with the season being cut short due to this virus.

The club ended the season in a good financial position with a healthy bank balance.

All finals were cancelled by P.D.C.A and teams higher on the table were crowned champions. Our B7 team were crowned Premiers. Congratulations to this team. Our under 15 Junior team and our B8 Senior team were not given a chance to compete.

This season we introduced the club training shirt again which was received well by all members.

I thank all our sponsors for their wonderful support, including the new sponsors that allowed us to supply the training shirt. Thank you to the Coolibah Hotel, P.B.T, Greystanes Electrical, Kobe Group, Bathurst liquor, Goodfellows Pizzeria, Thai Pattra, Prospect Plumbing and Stakat Building.

Please support our sponsors when and where possible.

## **Under 10 Red (Stage 1)**

**Coach: Sarpreet Singh/Anand Preet  
Manager: Sunil Chandrasekharan**

The 2019-20 season was the first taste of competitive cricket for the kids. The way they trained on day 1 and the first ball faced in match they had, were sweetest moments in their lives. They all adjusted well, and while it took a few games, they found their form as the season progressed. A look back to our season can be summarized in a line as “cometh the hour, cometh the boys!”.

The U10 Reds were a team laden with lot of talent! Everyone in the team rated themselves as a bowler, and on their day, everyone got good hauls of wickets. Come to batting we tried everyone at different positions to see where they suited well for their talents. Team of Prithwi, Krishna, Darsh, Aansh, Keerthan, Om, Anthony aka Riyon, Rheteesh and Ranidu comprised a vibrant team of talents. They all learned the hard way of losing, some great wins across, sad washed out days, this season was all emotional. Another few seasons and they will be matured to be fearsome players!

We had some great batting and bowling memories. Mr. Reliable Krishna with his all-round skills came on top with batting and bowling average. We had Aansh who was our best keeper of the season. Darsh was the hard hitter who could chip in quick runs and chipped with few wickets. Riyon bowling and batting was class, Prithwi started the season with a bang, Om was our bowling superstar. The one and only leftie in our team Keerthan was powerful on the leg side. Ranidu always prized his wicket and stood firm in the crease. Rheteesh was mainly our opener and one good outcome is his bowling skills improved towards the season progressed. All together job well done.

Every game, won, lost or drawn, was played in a good spirit and all players were a credit to themselves and their club.

A special thank you to Sarpreet for coaching us during the first part of the season.

Thanks to everyone for a great season and I hope you all come around for another season.

**Coach: Steven Karam**  
**Manager: Laura Karam**

The 2019-2020 season was the first season of cricket for all of our players. Most of the boys had never met but they quickly formed a strong bond with each other. Many players were just 8 years old playing under 10's which was a huge effort! The focus throughout the season was on ensuring all players got a chance to experience all facets of cricket. Each player had a turn at being captain, wicket keeper, opening bowler, opening batsmen and batting with different players. The boys quickly developed their love for the game.

The boys enjoyed learning new batting and bowling tips each week and perfecting their skills. We got our first win in round 6 and it was superb! The boys played so well as a team with all players sharing in the success. During this game the boys were outstanding in the field getting lots of catches and run outs. The boys quickly learnt how important it was to stay active and alert in the field.

The highlight of the season would have to be in seeing all players finish with scoring runs and taking wickets. We are looking forward to another successful year of cricket in the 2020-2021 season but are sad to see some of our players who will not return due to moving up an age group.

A special thanks to the parents for assisting throughout the season with scoring, setting up the field and helping with various drills. Junior cricket wouldn't be successful without the help of parents and we know the boys appreciate the support.

Thank you everyone for a great season and I'm looking forward to watching you all grow and develop your cricket skills in 2021 and beyond.

## **Under 10 Blue (Stage 1)**

**Coach: Yogesh Kaleliya  
Manager: Kinchit Bhatt**

Typically, the end of season means a well-earned rest, lunch out with teammates, and the end of season review. For this team, the 2019-2020 season was the first season for most of the players to start with, so like every new start-up, this team too had to go through the FSNP stages – Forming, Storming, Norming and Performing.

At the start, very few players who can do both bat and bowl at ease. Arjun, Dhruv and Tharun were pick of the lot and heavily relied up on for every game. Practice days became an evening to identify who can do the bowling and in balancing the batting throughout the innings, to keep wickets till the game.

Fun with kids is that they get to see for themselves what they are best at and what they are capable of, they chose what they are best at and evolved in practice sessions. Soon, we had few more bowlers - Neel, Rachit, Rochi, Nithin and Tanmay, interested and committed wicket keepers - Rohan and Tharun, and solid defenders and fielders – Aarnav, Nithin and Rochi.

As the season progressed the strength of the team, the commitment to perform well in matches, the aggression to outperform was very visible. They started performing well and positioning the team for fearsome future ahead!

Our first victory against Seven hills by 4 wickets was a thriller and an eye opener for the team and for rest of the season. They realised their potential and started to believe in themselves. Soon, we had some high scorers – Dhruv with 16 runs, Rochi with 15 runs. Our best bowler Arjun took 11 wickets. And, we won 5 matches overall.

As fathers became the coaches, the learning and fun at practice was high. Both the coaches and players learned a great deal about club cricket. Independent of the match results, the team played in good spirit and as a team we have stepped up for the next season.

Thanks to everyone for a great season!

**Coach: Bhavin Sheth**  
**Manager: Sara Wood**

We had a great season. The kids won the first eight matches in a row. All players contributed in varying ways to the success of the year. It was a joy to watch them play.

Raj had another great season of cricket and played significantly well in all facets of the game. Bhavik was very strong with his bowling and keeping runs to a minimum. Zac showed strength as a wicket keeper and was able to contribute to both our bowling and batting attacks. It was great to see Tony, who was new to cricket, improve his batting, bowling and fielding significantly over the season. Sebastian also got better each week. Hiransh bowling improved significantly during the season. Flynn contributed well to both bowling and batting. Mateen has a powerful batting style and will continue to get better. Seth continued to improve his game each week and started to grow in confidence. Pranav has potential to get better and better as he showed strong batting and bowling techniques.

I appreciate the help I was given by the parents this season. Thanks to Sara for being the Manager and helping the kids and I through the year. Thanks to Seenu for helping to score all season. Thanks to Andrew, Mayur and Sean for helping at training and on game day. It was all very much appreciated.

Thanks to everyone else who helped during the year and look forward to seeing you next year.

The year was one for further development for players returning and of discovery for the new players to the team and club.

The parents and coaches could not be prouder of how you all carried yourself on and off the field with several other teams commenting on your good sportsmanship and conduct.

We finished one win from making the finals which was a good result and with some concentration and all the players returning next year I think we will make the finals.

Carmichael and Beau topped the wicket takers grabbing 11 wickets each during a number of exceptional bowling spells. Everyone else bowled some really great spells, with wickets being shared pretty evenly. Only 1 or 2 wickets separated everyone. Several players were on hat tricks, but couldn't quite jag the third to go into the history books.

Ryan topped the run scorers for the season, with many solid and patient innings. Solomon grabbed the team highest individual score of 34 and always looked to score. A host of players scored personal bests, including Joel with 28\*. Joel also achieved the team best batting average of 19.14. Daniel grabbed the third best average that included 5 patient not out innings. Jacob grabbed his highest score of 29\*, with a number of leg glances during his innings at Nemesia going for four. Aidan achieved his highest score of 21 all run at Rouse Hill. Beau got his season top score of 16. Ishaan grabbed his highest of 15\*. Carmichael hit his top score of 15 and Krithik scored his top score of 13\*.

Special mention to Mateen and Bhavik from the U11's and Lucas McLaren for helping us out when we were short a few times during the year.

Thank you to all the parents who helped out during the year whether it be scoring, Umpiring, BBQing or just cheering the team on from the sideline in the cricket way.

I hope to see you all back at cricket next season as I believe there is the making of a very good team with growth and experience you will only get better, see you all next year.

## Under 13 div 1 (Stage 3)

**Coach: Anup Singh**  
**Manager: Mahesh Singh**

This is a relatively new team with couple of old players continuing in the team. Boys did take some time to gel together as a team. But as the season went by they came together and played as a team.

The team had mixed results throughout the year. Team could not win any outright. But the boys did upset some better teams in the competition. The highlight of such situation is Greystanes is the only team in the competition that Wenty whites the champions of the competition could not bowl us out. The resilient batsmanship showed by our batsmen Aarush 32 in 155 balls and Ajitesh 31 in 128 balls were amazing to watch. Even the opponent parents praised the boys for their hard work in the middle.

The 4<sup>th</sup> round match was against the BABA's, it was a disappointment as victory was snatched from our hands. Baba's had given the target of 142. Greystanes had scored 134/5 49 overs. Isaiah had given us a good start scoring 49 and Ajitesh had come good with bat scoring 24 and throwing his wicket by trying to hit big shot. Reneesh had scored 20 in 48<sup>th</sup> over. In 49<sup>th</sup> over Reneesh was on non-strike end till 5<sup>th</sup> ball and in the last ball batsman took a single. We needed 8 runs in as many overs with 5 wickets in hand. In 50<sup>th</sup> over we lost 5 wickets and over looked like this W W O W W W. Reneesh remained not out.

5<sup>th</sup> round was an onedayer against Baulkham hills which we did lose badly mainly because of the bowling and fielding. It's worth remembering for Reenesh's unbeaten 52.

We had an easy win against Wenty grey, which was not so strong team in the competition.

In 7<sup>th</sup> round Greystanes had one of the biggest 1<sup>st</sup> innings lead in the competition. Boys scored 193 and declared their innings. Ajitesh scoring very good 83 runs which was well supported by Yash who scored 63 and got retired. Again, Ajeetesh came good with the ball taking 3 wickets and was supported by Cruiz who took 2 wickets.

In the 9<sup>th</sup> round against Kings Langley playing in 42 degrees an onedayer was really exhausting. But boys did win this match fair and square. Kings Langley could manage to score 3/118 in 27 overs. Greystanes attained this target in 22 overs losing 3 wickets. Leading the attack from the front was Ajitesh who scored 62\* and well supported by Reneesh with 18 runs and also who took 2 of the 3 wickets that had fallen that day.

11<sup>th</sup> match against the Baba's was again a disappointment performance from the boys in batting department. They did bowl well by restricting them to 125. Bowling performance was led by Ajitesh with 3 wickets and Ashley with 3 wickets.

Last match of the season was against Baulkham hills which we lost. But it's worth to mention that Aarush took 3 wickets in that match bowling some good deliveries.

We have seen some very good bowling by Cruiz, Ashley, Aarush, Reneesh and Ajitesh. It's only sad that figures don't say as much. Each one of them did bowl with lots of heart cheering each other even when catches were dropped. Drops we did many in each and every game. It was delight to see how each one of them cheered for other.

It's been a good journey for boys as they have ended the season with little bit more of learning and knowledge of the game. Each and every individual has performed better at the end of season which shows their willingness to compete and to better themselves. I am sure boys will be back much stronger in the coming season.

**Coach: Andrew Marscham  
Manager: David Mandic**

I want to thank all the boys for playing good cricket this year. I would like to thank the parents for turning up, scoring and umpiring. A big thankyou to Dave for managing and texting everyone to keep everyone in the loop. Without his help it would have made my job as coach a lot harder.

You should all be very proud of yourselves. Two years in a row and we have made it to the Grand Final. Unfortunately, this year has been very hard to take on all of us especially the last unplayed match. We would have had a very good chance of taking the win and it was not possible due to the unforeseen problems that the covid virus has placed on everyone.

I can't single out any particular players because in my book, everyone has put in 110% and I could never ask for more than that. Thanks again to everyone involved with this team you make my job as coach very easy.

Yours in cricket

Andrew

## B4

## Captain: Andrew Rogers

The success or failure of a cricket season should never be measured by statistics. The players who were asked to line up for the B4's this season were a mix of the very young, the recently graduated into senior cricket, and the 'well seasoned'. Each and every player demonstrated their innate cricketing ability at some stage throughout the season. Unfortunately, this rarely happened at the same time!

Our very young player, Armaan Surana, showed his more seasoned teammates the value of a wicket. His 92 not out, carried bat, in high winds on a bone-dry North Rocks oval was a masterclass in patient batting. He crafted an innings of over 4 hours against some very determined bowling. It was a pleasure to watch it from the non-strikers end for a while and to see how deeply he suffered during that knock shows what an outstanding cricketer this young man will be. Truly an innings beyond his years!

Our other very young player, Ryan Barton, showed what a talent he is with some brilliant leg spinning spells. His batting was solid, apart from the time he ran out his Dad, but all is, I'm sure, forgiven! A mature and talented cricketer, who is destined for higher honours.

Our recently graduated into senior cricket players all, at some point, showed how well they can play the game. Paavan, James, Karthick, Max, Rish, Dev, Lachie, MB, Matt and Aston all had moments of brilliance throughout the season. With MB, Matty or Max taking the new ball, there wasn't a quicker or more intimidating opening partnership in B4. Batsmen were on the back foot from the first ball and more than a few left the crease with bruises! MB and Max are seriously quick, and Matty was the craftsman who could make the ball sing. I have previously referred to Matty as the world's unluckiest bowler. That still may well be the case, but on one occasion, against King's Langley, the stars aligned. He took a 7/32 and drilled through the KL team like a they were under 10's! It was a fitting reward for a player who too often has seen other players get the wickets he has set up. A wonderfully humble achievement from a talented player.

The Olsen Twins, well, brothers, had moments of brilliance. Zac and Connor both struck fear into batsmen and belted the ball to the boundary on occasion. They can both hold their own in any team and are developing into solid players.

The old guard, Shiripat, Glenn and myself made up the numbers and kept the young pup's under control. We had a great year and know that if the B4 players of 2019 / 2020 are given the opportunity to play together again, they will develop into a strong side.

A huge thankyou to John Olsen, the older Olsen Twin, for his scoring duties and the never-ending supply of watermelon. Thanks for everything.

B4 may have been a stretch, but I genuinely believe, that, on our day, we could have beaten any team in the competition. Consistency win's cricket matches, and that will come with experience in senior cricket. Roll on 2020 / 2021!

I would like to thank Wayne, Tom, Sean and the committee for their support and guidance throughout the season and for the faith they showed in the B4's.

Andrew Rogers

## B7

## Captain: Simon Agius

I would like to congratulate everyone on a great 2019-20 season as we finished minor premiers and deservedly declared grand final winners due to Covid-19, however not before winning our semi-final in a classic nail biter. Winning the toss & batting first in a rain affected semi-final, we posted an uncharacteristic 100 runs to defend. It was a clinical all round bowling & fielding performance that saw us clinch the win by 7 runs with under 2 overs left of the day. As it happened to be, the season was brought to an end & this win essentially crowning us champions. What a way to do it!

The season itself was in complete contrast to the semi-final, with the top order of Harpreet, Matty, Dave & Gary getting us off to steady starts. Our opening batsmen Harpreet & Matty got going on regular occasions which saw the pair put on two 100+ opening partnerships in consecutive matches. Well done guys. To their credit, Harpreet finished with an aggregate of 306 and top score of 64, Matt with an aggregate 297 and top score of 75. Well done guys. Following the opening pair would see Dave come to the crease. One of the stand out performances was Dave's 84\* against Guildford Leagues, batting 39 out of 40 overs. That century isn't far away! The season saw Dave finish with an aggregate of 328 runs and a batting average of 41. To add to Dave's batting performance, Dave also claimed 17 scalps with the ball to top off a great all-round season.

Gary next in at number 4 kept the pressure & posting a gutsy PB of 73. For some reason every team would find a reason to be upset at Gary, I don't understand why...

Our batting didn't let up from there, partnerships from everyone in the middle to lower order week in week out added valuable runs in every innings.

Much like our batting, our bowling was a team effort & was well supported in the field. Well done to all the bowlers. Gary cashing in on his line & length claiming 21 wickets for the season, followed closely by Harpreet with 20. This season also saw young Tom come into his own introducing some heat and achieving impressive figures along the way of 4/8 against Guildford Leagues and taking a crucial 4 wickets in the semi final.

Special mention to Harpreet who in round 13, against Western Legends took a hat-trick (B,LBW,B) in an electrifying spell to finish with match figures 5/7 from 8 overs.

Congratulations Harpreet.

Great efforts by both our wicketkeepers Steve and Angelo who collectively were involved in many dismissals as they kept batsmen on their toes and built pressure from behind the stumps. Nice work keeping them honest lads.

Team efforts from Pete, Dan, Stu, Toni, Jeff, Wayne and Terry are not to go unnoticed. The season couldn't be what it was without everyone's contribution.

Special mention & thanks to clubman Andrew Marscham for his helping hand during the year.

Congratulations B7 Champions of 2019/20.

Thank you  
Simon Agius

## **B8 – Gujarat Lions**

**Captain: Jayant Patel**

This was our First tournament as a team on any kind of competitive level. We all as a friend used to play friendly games for fun. This was for the first time when we all decided to play as a team with the lots of motivation from our captain Mr Jay Patel. It was a really great tournament for all of us a team as we reach the final of the tournament despite many games were washed off or called off due to different reasons. If the final was not being called off due to COVID-19 we were confident to win the final as well.

When we started the tournament, we all were not sure how far we will go as a team, but our captain put faith in all of us and we all started playing. We have a very good fast bowling attack in our team. Also, three of our main bowlers are in TOP 10 throughout the tournament. Harsh Jimulia, Ketul Patel and Paras Patel are the main Fast bowlers for our team and they did really well. Harsh Jimulia got 6 wickets in a match for 42 runs which is the best bowling figure from our team in the whole tournament.

We have some good allrounder players in our team. Captain Jay Patel, Gaurang Patel, Bhavuk Suthar and Kunal Patel. Also, we have good lower order batsman and handy bowlers as Sunil Patel and Bhavesh Patel.

Our spin bowling was good as spin bowling duo Suken Desai and Nilay Patel did really good and helped us win many crucial matches.

In the batting department we have two gems and the finding of the tournament was Ketul Patel and Karan Kachia. These two played many important and match winning knocks in crucial games. Captain Jay Patel, Nilay Patel, Suken Desai, Krunal Patel, Gaurang Patel also performed well in the batting.

Ketul Patel was Champion Player of our group in PDCA B8 with 103.70 points in 10 matches. He was also the highest run scorer in whole group with 3 big centuries.

Overall, we were very good as a team and we all are looking forward to participate in one more tournament as a team in coming summer

## **B11**

**Captain: Miguel Limson**

The 2019-20 season established a brand new B11 's team for the Greystanes Cricket Club. With a mixture of young players, experienced players, brand new players to the game and a first-time captain. The team was also blessed with a regular scorer each week from Gavin Marner. With a fairly inexperienced team, times throughout the year were tricky during matches but the willingness that the boys showed to learn and improve as a team was one of the reasons of why I enjoyed captaining the B11s.

Batting was probably not our strongest factor throughout the season, but we had the likes of Derek. F and Priyank. J show case their experience throughout the year with a couple of handy batting performances including Derek getting the high score for the season of 72 against Wenty in round 2. Kenneth. M was probably the standout in the batting category throughout the year. Scoring a couple of solid half centuries while opening the batting with a total of 277 runs for the year. Not bad for someone that hasn't played cricket since under 14s.

Bowling performances was very solid throughout the season in my opinion. Andrew Marner and Matthew. R were pick of the bowlers with consistent and disciplined overs whenever they were required to bowl. Great effort from both lads especially how they are both the youngest in the team! Andy Marscham and Andrew Frame came in very hand throughout innings whenever we needed a couple overs of spin. Even Trevor. C was very reliable getting constant maidens throughout the year when we needed overs from him, even having to bowl a couple of 7 over spells! Andrew Marner and I topped the wickets tally for the season with 16 a piece.

Regardless of the results, the boys showed great spirit towards the game and I really enjoyed their company. Hopefully see you all again soon and looking forward to the next season.

Thanks for the season!

**B14**

**Captain: Daniel Newcombe**

The 2019/20 season was definitely a massive learning experience and a step in the right direction for the boys and their cricket. With 90% of the team making the transition from the U16s in the previous season, the boys had to adjust to senior cricket quickly. Not only on the field but also taking part in player-umpiring and scoring for the first time in many cases. After a few questionable LBW decisions, a couple of controversial run outs and multiple scoring blunders, I would say the boys will be much better in the long run from these learning experiences.

With the right mix of youth and experience we were able to finish the regular season in 3rd place. Unfortunately, we were beaten in a very close and heavily rain affected semi-final.

Special mention to Riley Frame who dominated the opposition with the ball, taking 21 wickets @ an average of 12.62, finishing third overall in the competition. Another special mention to Jack Newcombe who managed to accumulate 656 runs with the bat @ an average of 82. Great effort from both boys who were only 16/17 years old for majority of the season.

Thanks to all of the boys (20 different people played at least one game) for their efforts and commitment to the season, hopefully we will see you all again later this year.
