Presentation 2pm 4th June 2022 at Roberta st Park

Annual General Meeting 6th October 2022
7:30pm
Bathurst st hall

President's Report – David Mandic

Season 2021/22 saw Greystanes field 6 senior and 9 junior teams in our 51st season in the PDCA. Along with Cricket NSW we also ran the Junior Blaster program for future Greystanes cricketers. Unfortunately, the season was quite heavily rain affected causing many washouts including the annual Under 10 Knock Out.

Of the competitive junior sides, U12/3s, U14/3s and U14/2s reached the semi-finals, as well as B8s, B9s and B11s in the senior grades. Of these, the U12/3s, U14/2s, B9s and B11s progressed to the Grand Final. Congratulations to the U12/3s and B9s on winning their respective premierships. Although the Grand Finals were washed out, the teams were rewarded for their consistency throughout the season and finishing top of the table.

Thanks to all the coaches who volunteered their time and efforts in coaching the boys. I am sure you appreciate all the support you got from the parents which was most pleasing to see.

Thanks to the hard work from Wayne, Tony, Jay, Dano and on the admin side Sean, we now have a quality set of practice nets at Roberta St Park which were completed at a minimal cost to the club.

A big thankyou to the hardworking committee, especially Sean, Wayne and Derek for all the time you committed to the running of the club. Due to all your efforts and the financial contributions of our loyal sponsors I think we had a very successful season. If the smiles on the faces of the players that I saw are anything to go by, the season was a success.

Please take note of all the sponsors advertised here, on our website, and Facebook/Instagram, and support these businesses whom are generous enough to support us.

The Annual General Meeting will be held on Thursday 6th October at 7:30pm at Bathurst St Park Hall. It would be great to see some new faces taking an interest in the future running of the club.

Dave

Secretary's Report – Sean Fahy

Thanks to everyone who stuck by the club this season after facing the hurdles of COVID. It was unfortunate the rain spoiled the end of the season, but some great cricket was played. Even with the challenges, we saw a very strong registration book again this year which was fantastic.

Congratulations to the U12 / 3 and B9 for the Premiership win. Also, well done to our other teams that made the finals.

This year we will see a new administration system; Play HQ, for scoring and player management. This is supposed to improve the time to manage our administration tasks and provide a more stable platform when scoring. Let's hope that is the case.

It was pleasing to see that our Roberta st nets refurbishment was completed in readiness for the season. The facility came up great. With leadership from David and Wayne, there are so many people to thank for providing free labour too ensure this project was completed. Thank you to all concerned.

We thank all our sponsors for their support and I would ask that our members take note of those sponsors within this report and support them when you can please.

It was also our first year in many, many years that the club was run without the influence of Tom Adams. I think the entire committee did a great job to close the gap and I look forward to having some type of memorial at Roberta st Park that the Committee is currently working on to achieve.

Until next season

Thanks

Sean

Treasurers Report – Wayne Earl

This season had it all, firstly uncertainty whether we would have a season at all due to COVID-19. Once we were clear the season was going ahead, we then had only 3 weeks to get teams and coaches organised to start the season. Then the wettest last 2 months of the season in history, with all this going on we successfully fielded 15 teams in junior and senior competitions culminating in having 7 semi-finalists and 2 Grand final winners in the 12/3's and B9's.

We started the season with refurbished nets at Roberta St, thank you to our President David, and Committee members and players who helped to remove the old in preparation for the new. We now have quality nets for many years to come.

A big thank you must go to our volunteers who took up positions on our committee, without your dedication and commitment we have no club. To the coaches and managers, we thank you for your time and effort each week in helping to make cricket an enjoyable experience for the boys you look after and develop.

I would like to thank our sponsors whose generosity and support has remained strong throughout COVID-19. Please support these local businesses at every opportunity you get. This unwavering support has helped us to maintain a healthy balance sheet and as a result we move into the new season in a strong financial position.

Congratulations to Arjun Patil and Lucas Karam who represented us in Parramatta representative teams this season. Your performances played a major contribution to your team's success for which I am sure your family is very proud.

Finally thank you to the Executive Sean Fahy our Secretary, Derek Furtado our Vice President and registrar and Dave Mandic our President your support and guidance is much appreciated.

We look forward to seeing you all back next season

Wayne Earl

Greystanes Cricket Club would like to thank our Gold Sponsors

A boutique telco

Trikon offers a comprehensive suite of products and services including phone systems, communications, web design & development, printing and business finance to its customers. our market-leading technology solutions enable businesses to create and operate high quality, service assured, intelligent networks.

Businesses both large and small, depend on our consistent delivery of advanced solutions, enabling them to stay ahead of the growth curve while keeping cost to a minimum. Trikon's mission is to be a leader in telecom and information communications systems and we always strive to provide flawless experience to our valued customers.

We are experts in enhancing business capabilities through technology which in turn helps businesses to preserve and enlarge their customer base with continuously improving quality of service without service interruption.

We are a committed group of health professionals dedicated to providing individualised service to all our clients. That's why we are the highest rated Allied Health practice in the area

Greystanes Post Office

Greystanes Post Office can also assist business customers to find ways to save time and money, understand how Australia Post & StarTrack products can add value and work in partnership with a knowledgeable local point of contact. The Greystanes staff are committed to finding the right products and services to suit the business' needs with a range of discounts available.

Under 10 White (Stage 1)

Coach: Kunaratnam Balendra

Manager: Greg Thornton

The U10 White 2021/22 Cricket included a good mix of first-and second-year players. The boys were all such well-mannered kids all keen for the season and we all bonded well including the parents from the very start. Despite the weather all the boys improved over the season.

Deven Kharel brought a positive energy to the team that could be heard from first ball to last. A strong batter and bowler who had a great season. Isaac Sabbouh one the second-year players, great on the bat. An awesome all-rounder and a natural wicket keeper.

Krrish Hinduja and impressive batter with a strong swing had a great season with his bowling improving through the season.

Kushagra Chatterjee taking top honours in the team with the bat was also very supportive of the new players guiding their development.

Aaryan Joshi always turning up with a big smile and fast bowl he was missed by the team at the end of the season.

Nathursan Piratheepraj while he was a quiet achiever, he really improved in his bowling this season and batting learnt to stand his ground. Rhubesh Balendra had a distinct bowling style that really improved through the season.

Amongst the first-year players Ben Baesanu really put his heart and soul into the game. He really lent into it with volunteering for wicket keeping which developed over the course of the season.

Tyler Thornton's first season and actual first attempt at playing cricket and did a great job of it. His fielding was both energetic and entertaining to watch with the odd floss thrown in to keep the spirits up.

Really encouraging to see the first-year players overcome their fear of the ball and to be holding their position and pushing for runs as they learnt from their 2nd year team mates. Big thank you to Coach Balendra for guiding the boys throughout the season and our diligent Scoring Team of Steve Baesanu and Sree Chatterjee.

As a first time Manager and Cricket Dad I enjoyed the season and meeting a great bunch of Parents willing to give up their Thursday afternoons & Saturdays mornings for their kids. Your support and enthusiasm for the sport was what made it.

Greg Thornton.

**Under 10 Green/Black (Stage 1) Coach: Hoshang Mehta
Manager:**

After a long season it is amazing to see the bright future, we have in these young, up and coming cricketers. We have had many new recruits this season, some playing their first season of cricket ever. For these boys it was just fantastic to see them grow and fall in love with the game, as many of us did when we were growing up.

Although for the Blacks it wasn't the best of seasons in terms of winning, the development all the boys have had this season has been exceptional. We've seen some cracking wickets and some amazing boundaries hit too, and with the way these young lads are going, I am almost certain we're going to see some superstars in the future.

Can't wait to see what they become in the coming seasons!

Thanks

Hoshang

Under 10 Green/Grey (Stage 1)

Coach: Pranil Chandra
Manager: Lakshmi Narayan

What a season it has been for Under 10 Greys. A team made up of few second-year cricketers, mostly there were first seasoners beginning their cricketing journey. They started as strangers and finished the season as friends that encouraged each other to be better, always playing the game in great spirit.

Some stood out right from the beginning, others needed encouragement – some even a bit of tough love. They all showed great enthusiasm and a hunger to learn.

No player was left behind, everyone bowled, fielded, kept wicket and captained the team throughout the season.

On the field we won seven of the ten matches we played. With every game we developed, the players improved their skills in all facets of the game. Their fielding in the last few games became the cornerstone for their victories. They walked in, backed each other, encouraged each other and put the opposition under pressure. The run outs and excellent catches followed. They say fielding is often about attitude, these boys had it in abundance.

Some of the boys will play under 10's again next year while other move to 11's and beyond and I want to take this opportunity to wish them all the very best of luck.

Finally, to the parents and guardians, thank you for your support and dedication. Often our 60 minute training sessions turned to 90 minutes and on game day so many of you supported Lakshmi, our team manager and I with scoring and umpiring. Your community spirit was integral to a successful season.

Regards,
Pranil Chandra.

Under 11 Red (Stage 1)

Coach: Amit Patil

Manager: Narasimha Rao

Team entered this year into another exciting season. Last year whole team played under 10 cricket and this year boys decided to go into under 11 red as a whole team. The transition from under 10 to under 11 was never easy, team focused on practise sessions way early before season start and played some practise games.

Team focused on practise session where everyone worked hard before first game. First match won by just 1 wicket against very well organised Rouse Hill Rams team. Out of 15 matches this season team won 9 games, lost 1 and drawn 5 due to bad weather conditions. Despite of wet weather throughout the season players and their parents were always keen on getting on with practise sessions. All parents were very supportive and helping each other whether dropping kids to practise sessions and games or if someone wanted help in transportation etc. We believe this team bonding among kids and parents became our driving force to go on field and win matches for team and have fun while playing.

This year all kids focused on fielding practise and their area of interest to improve in cricket. Team started having fielding practise sessions where each kid was practising high catches, how to take run outs and how to help each other while fielding. This year Neel, Aarnav, Vihan & Aadit further polished there bowling skills and trained hard to improve and bring variety to bowling. We as parents truly amazed when we saw kids started suggesting tips and tricks while practises and in matches to each other. That resulted boys started taking regular wickets in matches which boosted their confidence.

In fielding, team not only become alert but also started encouraging each other while playing. Rohan became our most dependable wicket keeper who always try to look for wickets. Soon other teams realise it's not easy to step out and hit when Rohan is keeping. He took lot of catches and stumping this year which was really a good plus for our side while fielding. Tanmay, Tharun, Rochi and Arjun started getting runs consistently. As parents we saw Rochi and Tharun developed as good hitters who can hit six and fours in last overs and Tanmay, Arjun can progress there play more on focusing ones and twos to hold one end and rotate strike. Everyone in our team progressed exceptionally well this season in all three departments of cricket while enjoying the game.

Big thank you to parents for helping during the season whether its scoring, setting up ground for match or even for arranging morning breakfasts for whole team. Without parents support we can not build a good team and enjoy the game. Like all past seasons all parents helped a lot to see the joy on all kids' faces in team when they win match or simply play together after finishing match. As a team's tradition, team enjoyed going out for lunch after match which helped to further enhanced team bonding and friendship which we believe is a true base of any game.

Thank you, club members, for support and arranging all the gears for matches. This year we all really got new experience in this great game of cricket and most of all we all had lot of fun in this season.

Under 11 Blue (Stage 1) Coach: Daniel Haikin/Simon Harper Manager: Keti Meissel

If it is not Covid it's the rain to put a dampener (pun intended) on the end of the cricket season. We started the season with a few new players playing for the first time and the others having a season or two under their belt. As a cricket tragic I love my stats so prepare to be bombarded some additional season stats you won't see on the opposite page.

Our division turned up having a mix of strong teams and others evenly matched with our team as we made our way through the season.

By the Christmas break we had won 3 of our 7 games including a close two run victory against Kellyville and a dominate victory over Seven Hills. Unfortunately, after Christmas, as we all know not much cricket was played, only completing one game and not getting the chance to finish two others out of 7 games.

I think our strength as a team was our bowling, although we did not get maybe as many wickets as this might suggest our players consistently beat with bat with some of the boys getting the ball to genuinely swing, Axel and Josh H being my outswingers beating the bat and unfortunately off stump regularly and Kunal, Lucas and Josh A with some hooping in swingers getting through the defences and missing leg stump as well.

During the season there were some personal performances which stood out. Kunal took 4/1 against Baulkham Hills. Kunal also only bowled one no ball and no wides all season. Vihaan took 3/14 against Seven Hills. These two boys were our leading wicket takers with 12 each, Kunal at an average of 5.67. Everyone else chipped in from time to time. Josh H was our only bowler to have an economy rate under 3 runs per over (2.87).

Our batting at times was a coach killer. I could see the boys trying to improve their front foot positioning at training but it did not always go over to game day. It would have been good to have had a full season to gauge their improvements. Some personal highlights with the bat included Dylan (21), Vihaan (19) and Josh A (18) making their highest season scores all in the same game. All players had at least one game without being dismissed with Axel being a stand out in this area only being dismissed 5 times (3 in one game), Josh A and Josh H only dismissed 7 times, Josh H being the only player not to be dismissed multiple times in a single game.

The boys did pretty well in the field with everyone trying their best. Axel took 4 catches, Lucas, Kunal and Josh A took 3 catches each. Lucas got 7 run outs, Josh H got 5, Axel and Josh A getting 3 each.

I hope all the boys had an enjoyable season and that I was able to give them some useful tips as they move into the under 12's next year where things get a bit more competitive. Thanks to Keti for managing and scoring, even though I know you hate it, Simon for his efforts as co-coach and doing square leg on game day, Jamie for scoring and helping out at training and game day along with Steve and all the other parents for coming and supporting team each week.

Under 12 div 1 (Stage 2)

Coach: Andrew Piper
Manager: Laura Karam

Playing in division 1 was always going to be a challenge. It was good to see the team rising to meet this new expectation and managed to be competitive each week. We finished the season with a few wins and we had lots of fabulous highlights on the field. Our fielding has improved substantially and we saw many classic catches throughout the season. The level of energy at each and every game was very high and a joy to watch.

We welcomed many new players to the team and it was great to see how well the boys bonded together. The team was so excited to get started after what was a tumultuous year due to COVID-19.

This was the first season of Stage 2 cricket for all of the players. At first it was an adjustment playing competitive cricket. Some hard batting lessons were dealt with the boys having to walking off after being given out without a second chance.

This year saw the development of independence. The boys quickly learnt how to make field changes, and communicate with their captain without the coach interfering too much. It was great to see how well the boys developed their understanding of the game and their love of cricket.

The highlight of the season would have to be in seeing all players finish with scoring runs and taking a wicket. A huge thank you to our wonderful families for their assistance throughout the year. They stepped in to assist with coaching, scoring, training and keeping the boys occupied on the sidelines!

We appreciate the help so much and it makes coming to cricket each week so much more enjoyable when you know everyone will help.

Enjoy the off season and we can't wait to see everyone again in the 2022/2023 season. Special thanks to Laura for managing the team and the coach to get all the background dealings sorted through-out the year. Also, thanks to Steve who stepped in to help with coaching duties in the coach's absence. Thank you to all parents who helped with Umpiring duties especially Mark for umpiring the 3rd party semi-finals.

Andrew

Coach: Jay Pawar / Kiran Patel
Manager: Rohit Grover

I am happy to report that the boys as well as the parents thoroughly enjoyed this season both on and off field. We had a great season of cricket, the boys bonded well together and gelled as a team.

We started the season with 3 straight wins but lost the fourth game by a narrow margin. However, we came back strongly and won all of the following 5 matches that we played. The boys regularly practiced in the nets and kept improving their game throughout the season, which clearly reflected in the matches.

We ended up winning 8 of the 10 matches that we played and lost only one match in the entire season, 1 match ended in a draw – which is a very commendable performance by our boys. The remaining league matches were washed out due to rains. However, our 8 wins was the highest number of wins in our group which put our team at the top of the ladder. Unfortunately, the rains continued to play spoilt sport and both the Semi's and Grand finals matches were also washed out. However, because of our team's consistent performance and being the top team in the group, our team was declared the U12/3 champions of the season.

It was an overall team performance and all the boys contributed to the best of their ability to reach the finals and come out as winners. I would like to highlight the key notable performances from our team – the top 2 batsmen and top 2 bowlers were as follows:

1. Dwij Patel – The highest run getter scoring 105 runs and undoubtedly our best batsman of the team. He plays fearlessly against any competition and only knows how to attack and take the game away from competition. He is the Champion player # 4 for the season.
2. Andy Vo – The second highest run getter for the team scoring 62 runs, but also a complete all-rounder. He also contributed with the ball by taking 6 wickets as well as saving runs in the field. He is also a part time wicket keeper and got 2 stumpings. He is the Champion player # 3 for the season.
3. Darsh Sunil – He was one of our top bowlers, taking the second highest number of wickets for the team with his swing bowling. Darsh ended the season by taking 14 wickets at an average of 3.43 from 10 matches. He is the Champion player # 2 for the season.
4. Parv Grover – The main strike bowler and the highest wicket taker for our team. Parv was able to pick up 15 wickets in the season due to his consistent good line and length. He is the Champion player # 1 for the season, despite this being his first club season.

Through this tournament we not only got to enjoy the cricket, but it also gave the boys and their families to be part of a great club, bond as a team and make new friends. I would like to thank and congratulate all the U12/3 boys for their efforts and their valuable contribution to the team. Also, a big note of thanks to all the parents for their support and encouragement throughout the season.

I would also like to thank Dan and Piyush for keeping the online and offline scores for the team during the matches. Also, a big thanks to both the coaches Jay and Kiran for the efforts they put in with the boys during the practice sessions and help the boys up their games.

Last but not the least, a big note of thanks to the Greystanes Club for giving us this opportunity and also to Dave, Wayne, Sean and Andy for their support throughout the season and making this win possible.

Coach: Gerard Mahony/Bill Joll
Manager: Karen Mardini

Before i start i would like to say - The team is made up of more then the players and coaches and manager, thank you to ALL the great parents for supporting Billy, Karen and i during the season.

This year we had a couple of new players to the team in Ryan Wood and Joel Buultjens. They fitted into our team like they'd been playing together for years.

NOW for the season... We had our ups and downs this season with player numbers in some weeks but the tenacity of these boys to play and step up as a group was inspiring. Shout to the u12 players that supported us when we played Wenty Leagues and to Andrew Wood for organising.

This season due to COVID and wet weather our training sessions were weren't as productive as i would've liked but a massive shout out goes to the players who organised their own net sessions - love the enthusiasm boys never lose that. Then to the parents who went down during the Christmas holiday break and played games out on the pitch is awesome.

So the boys/teenagers finished 2 at the end of the season, this is an amazing result considering we lost when we had 7 or 8 players except that games we played Hills Barabarian and we took them to easy because they were girls ha ha but we showed them in round 2.

The Players and Highlights:

Christian Mardini: Scoring his first half century of his career with 61 against Winston Hills... How out Exhaustion... a very good fast left arm bowler who also did plenty of damage to start off and finish our games best bowling 2-11 and 6 catches

Ryan Wood: This kid can swing a ball and did a lot of damage for us at the beginning of an innings with figures of 4-3 best batting 38 and 5 catches

Nabethan Manovarnnan: Captain of the team - very good cricketing brain and solid straight opening bat and another one who bowls excellent in swing bowling that bowled a lot of players. best bowling 2-4 and highest score this year of 25 and 6 catches.

Seth Dsouza: Not a lot of luck this year with the bat but does bowl very good off spin, leg spin which slowed a lot batters scoring with best bowing at 3-11 batting best 18 and 4 catches.

Abdullah Khan: Our opening bat who has the ability to smash any bowling attack but just needs to back himself, this year he has shown massive improvement in the field and bowing is getting a lot better. best bowling 2:12 best batting 34 and 2 catches..

Danny Abuhammed: This kid is a solid allrounder everyday of the week, can bat, can bowl, agile fielder and always talking in the field. He likes to do it all, just ask him ha ha... gets better every year and can't wait for your dad to be coach next year... Best bowling 2/8 best batting 15 and 2 catches.

Zac Harris: Our Keeper the job was thrust upon him last year and this year once again, our bowlers tested him bowling swing and pace down leg side and our spinners with bounce and spin but he delivers every time with solid efforts. His batting is the most correct in any team we faced and when called upon to slow the opposition Zac showed courage and grit to make sure we batted out our overs and saw of fast bowling opposition. Cracking year Zac. Best bowling... i did ask if you wanted to bowl..lol best batting 11 and 3 catches.

Brent Joll: Clown #1 injuries plagued Brent this year with back and heart ha ha..Brent is another one of our fast bowlers and has the ability to a good hitter of the ball. He is always lively on and off the field and his presence lifts others around him. Next year mate after you finishing growing and things settle you will be unstoppable. Best batting 9 Best bowing 2/15 and 7 catches.

Levi Mahony: Clown #2 I don't think many will argue with me but this kid can field, he can field anywhere from slips to outfield and fine leg. He has a strong arm to let the ball rip when needed and his a Brent antics on and off the field entertained. This season his catching in slips off Ryan and other fast bowlers was great to watch. best bowling 2/4 best batting 14 and 3 catches.

Abdullah I Khan	6.1	0	3	20	6.67
Sivaprian Piratheepraj	14.4	0	0	37	

Samuel Ramsay: Our opening bowler magician, This kid is so unassuming that batters don't know how to play his swing bowling and he really tested the patience of all that played him. He didn't really get to show off his batting but he did so with against Pendle Hill with Zac and almost brought us a win and also handy slip fielder. Best Bowling 4/12 Best batting 4 and 1 catch.

Joel Buultjens: A bit of a mixed season and new comer to the team. Very handy with medium pace bowling that swings and seams away and troubled many a batter and slowed there scoring down. His batting is very straight and solid and i moved his around the order to see where he best fitted. Best bowling 2/9 Best batting 14 and 2 catches.

Sivaarian Piratheepraj: A quiet but valued member of the team who had a mixed season from last year but a handy rounder when called on to open batting and bowling in the middle overs.

Under 14 div 3 (Stage 3)

Coach: Paul Trethewey
Manager: Sean Fahy

Another wet and pandemic riddled disruptive season has now passed. Firstly, I'd like to pass on a huge thank you to the Mums & Dads for giving their sons the opportunity off competing in this great game of ours.

This season we had a team comprising of 5-6 players with competition experience, and the balance of never having played comp cricket before. Also, we had 4 of the boys playing a year above their age bracket.

That all said, the boys qualified for the semi-finals. A tremendous effort, of which the boys should be congratulated.

Bowling & fielding was our strength, batting was our weakness.

Bowling honours were shared throughout the season, with every player contributing, either through taking wickets at vital times, or reducing the run rate with tight straight bowling.

Special mention to Aidan Fahy & Mitch for bowling stump to stump & reducing scoring opportunities for the opposition.

Batting honours came down to 3 players, Andrew/Aniketh & Aiden Dark, who between them, scored nearly 50% of the teams runs for the season. There were only 9 runs separating the 3 of them for season aggregate.

Fielding honours was a total team effort. Every player put in 100%.

Special mention to my 2 wicket keepers, Jacob & Zac. Great job both of you. Zac, you just got better & better as the season progressed and you took the advice given & implemented it on the field.

Thank you to Dave/Wayne/Sean & Derek for giving me the opportunity to coach and develop these wonderful young men.

An absolute pleasure and honour to be involved with this team and this club.

Paul Trethewey

B4

Captain: Stephen Roberts

Whilst we were competitive in most games, too often as a team we couldn't land the important wicket or string together enough big partnerships at the top of the order when batting for this season to be considered a success. We managed to defeat three out of the four teams that went on to make the semis, yet somehow lose to a bottom side twice despite being in strong positions. The wet weather didn't help, given games against sides where we were a very good chance of winning were washouts.

I'd like to take this opportunity to thank all 20 players for their efforts and make a special mention to Dave, Tony, Simon and Gary for their help on game days. Logging the scores, setting up the boundaries, completing team lists, or ensuring all batting/fielding fines are paid was a great help and not taken for granted.

Congratulations to Harpreet for another great year with the bat averaging 50.40. Although, I do feel Matt was unlucky and could've challenged for the highest average if it wasn't for a few dubious LBW and caught decisions.

For the bowling, Dave was the standout with 18 wickets via quality spin, closely followed by Simon using swing & angles to achieve 15 wickets and Gary with 12 wickets using constant stump to stump bowling.

There were several highlights throughout the season, including:

- Superb bowling by Stuart C in the first T20 match taking 4-18 off his four overs.
- Tony snaring two important late wickets against Wenty so we could get out of the 38-degree heat.
- The huge six Pipes hit to cow corner against Guildford.
- Clay thinking he had the game off only to get a late call-up and arrive at the ground at 4pm, asked to go into bat early and pull his "hammy", then retired hurt after three overs.
- A rejuvenated Matt running from fine leg to fine leg most weeks and putting his body on the line in one game by almost knocking himself out attempting a catch.
- And last of all, for those at the ground no one will forget Barto given out by Mankad!

We may not have had the success on the field we were hoping for however, I felt all players enjoyed the season, all games were played in the right spirit, we had some good laughs and enjoyed a few social beers after the game.

I'm already looking forward to next season and can only hope all are keen to return so we're back amongst the finals. Ideally, we're all in the nets for preseason training to ensure we take those important wickets, string together big partnerships when batting and compete in the GF.

Regards,

Steve Roberts

B5

Captain: Hoshang Mehta

This season was a rollercoaster for the boys. While we had a great run at the beginning of the season with a couple of outstanding wins and performances, a midseason slump in form showed that it takes a season of consistency to be champions. The team was unfortunate to place 5th however, with a last game eliminator that would've seen us through to the semis.

Unfortunately for us the rain was a massive factor throughout the season and that was proven once again on the final game day. We had a much better season with the bat this year with Aviral Verma top scoring with an aggregate of 175 at an average of 35.

Our exceptional bowling form continued with five of the boys hitting double figures in wickets and Hoshang Mehta taking the most wickets with 21 at an average of 6.62.

This year's fielding award went to Damanjot Bhatii who showed some outstanding wicket keeping throughout the season with some crafty one handers and good stops.

The Captain's award went to Parin Bharwad, who through his outstanding performances throughout the season and his grit and character brought the best out of the team in the toughest times.

Looking forward to playing with the boys again next season, and to hopefully become premiers this time.

B9

Captain: Miguel Limson

The 2021/22 Season saw a mixture of last year's B13s and B10s coming together in the B9s. A great squad with depth in bowling and batting meant we rolled out quite a few players who all contributed when given the chance. We were able to take advantage of the 2 Day games we were able to finish taking the 10 points twice off some strong Batting followed up with terrific bowling performances. Those outright wins became vital as we finished the competition in first place, winning a rain affected Semi to be the higher placed side in the Grand Final meaning we took the trophy on a washed-out Grand Final.

Our Batting was a strength on the back of our opening partnerships getting us off on a strong start which allowed the Newcombe brothers go to work which they took every opportunity. Reuben, Derek and Armaan on different weeks gave us the platform before Jack and Dan would take advantage, Daniel bringing home 270 runs @ 54 and Jack upping his brother with an incredible 357 @ 89.25. This was showcased with our 3 for 264 with Jack out on 128 supported by Dan with an unbeaten 102. Some cameo appearances from our middle to lower order meant we were able to score with freedom when we wanted.

As good as our Batting was I believe our bowling was even better. 12 Wicket takers for the season meant everyone who was thrown the ball did their job and took scalps. Whether it was the control from Andrew Rogers, bounce from Jack Newcombe, pace from Max Rogers, swing from Luke Carling or the tricky bowling from Derek, Miguel, Dan, Jim, Rowdy or Matty we had plenty of weapons to take you down. This attack was spearheaded by the wicket taking bowling of Shripat Surana and Marcus Pasfield. Shripat taking an incredible 7/22 with lovely changes of pace against Seven Hills really showed the deception he had in his bowling which led him to 23 wickets @ 6.87. Marcus taking 6/9 and 4/26 against AKA Crusaders in the Round 2 outright win showing great pace and swing to take another 10 wickets in a match which lead him to 27 wickets @ 8.15.

This bowling wouldn't be possible without energy in the field, when it comes to energy in the field you can look no further than the quick gloves of Andrew Burton with 7 dismissals and the loud aggressive Reuben Pannu with 7 catches in the field, 2 behind the stumps, a stumping and a runout showed he was an all-around stud in the field. Marcus also snuck home with 8 catches in the field though he did drop a hat trick catch in the T20 off Matthew Rothwell so his other catches mean nothing.

It was a really fun year which culminated in a Premiership win and plenty of beers, can't wait to come out next year and go for another one.

Regards,
Miguel

B11

Captain: Shanmugapriyan Porur Rajaram

It was a wonderful year of cricket for the B11 team. The season started strongly with the team winning all the matches played in the first half of the season. The team had won ten out of the twelve games in a stylish way before the semis. Though the team dominated the ladder board by holding on to the number one position for the whole season, it was very unfortunate to lose the semi-final match.

The individual contributions with both the bat and the ball were commendable during the season. We had valuable contributions with the bat from Prakash the thunderbolt batsman, Kaustubh and Sijo. Completing the year being the highest run-scorer, Prakash made a half-century against Wenty Leagues and took twelve catches too. Kaustubh emerged as a strong opening batsman this season. Finishing the year with a total of 261 runs, Kaustubh scored two stunning half-centuries against Kings Langley and Baulkham Hills. Sijo scored a total of 229 runs in a cool and calm manner. His 64 against Kings Langley was worth mentioning. Intune support from Binu, Vishnu, Naman, Mayur and Dharmendra added more strength to the batting during the crucial overs. Dharmendra's blitzkrieg batting ensured wins in both the T20s we played.

Our bowling was a standout this season. The bowling unit was terrific and had never failed to surprise the opponents. Binu the swing king and Mayur the pace star were amazing in getting those early wickets in all the matches we played. Naman, Vivek, Sijo and Priyan too joined the bowling attack and were crucial in getting those middle and lower order wickets. Sijo and Priyan duo had never failed to surprise the batsmen with their spin, while Naman was breaking the bails on the other side. Vivek for some reason always had an eye on the middle stump and was busily uprooting it.

Shounak and Vishnu were incredible behind the wickets and never missed a runout throughout the season. It was a treat to our eyes to watch both our wicket keepers flying to their sides to stop the ball. In addition to their batting performance, Anish and Shree were terrific on the field and substantiated that only minimal runs could be scored in the square leg area. Though Vinay and Arun didn't play this season due to their work commitments, they exhibited excellent team spirit by going above and beyond to help their team. Kudos to Vinay and Arun for their commitment.

Everyone performed well and It's indeed a great honour to captain B11 this season. Congratulations to the award winners on a great season and I would like to thank all the players that I played this year. A big thank you to the club and the organising committee for their support as always!!

Kind regards,
Priyan Rajaram.

B15

Captain: Maathulan Sivappirakasam

I would like to start by thanking all the players for their efforts throughout the year. It was a good challenge that saw us dig deep and be pushed to our limits.

Unfortunately, we didn't make the finals, however we gave it our best crack, showing good grit and character we put together some good wins.

Some positive highlights include; Abi, Ethan and Thomas all playing their first full season of seniors. Abi, Ethan and Thomas were probably our most consistent players throughout the season and it was a pleasure captaining them and playing alongside them.

Paul and Aiden (Paul's son) got to play together and even bat together in our final game. Aiden who currently plays for U14s Greystanes got a wicket in his first over bowled. Special mention to Paul who always kept us with 11 players when we needed players. Paul always bowled well and would've bowled the whole day if he was asked. Paul was always consistent with his bowling and rarely bowled bad balls.

Thomas was excellent behind the stumps taking some diving catches. Thomas showed quick hands which always kept batters in their crease and on their toes. Jash's raw pace beating batsman and got crucial wickets for us.

Nathan and Maathipan were bamboozling batters with their leg spins, and always picked up wickets when thrown the ball.

With the bat, Ramesh and Vishal were our destructive batters who would put fear into opposition bowlers. They would come out swinging and get us to a good total in a short amount of time.

Personally, for myself, I'll always remember this season as it was my first time playing club cricket, and I got my first ever hat-trick, which was very special and rewarding for myself.

Despite the amazing individual efforts, we were very unfortunate to miss out on the semi-finals. I am proud of what these bunch of guys have achieved this season. Great season guys and cannot wait for what the future brings.

Regards,
Maathulan
