President's Report – David Mandic

This season Greystanes fielded 9 junior and 6 senior teams, as well as running 2 Junior Blasters programs and the annual U10 Knockout.

Thank you to all the captains, coaches, managers, scorers and helpers for your efforts ensuring your teams had a very enjoyable season played in good spirit.

Thanks to Sean, Jim, Derek and Wayne for all your hard work and with the help of the other committee members the season was run smoothly and successfully.

The energy and efforts of Simon and Andrew again made the Blasters programs a very enjoyable experience for the 6- to 9-year-olds. It's great to see these youngsters having so much fun, beginning and hopefully continuing their cricket careers at our club.

It was very pleasing to have many helpers at our Under 10 Knockout Day this year who helped make the day a huge success. Winning the knockout was the icing on the cake. Congratulations Under 10 Whites.

Our U12/1s, U13/2s, U14/2s, B3c's and B11s all made the semi-finals, with the U14/2s and B11s progressing to the Grand Final. Congratulations to the U14/2s for going through the season undefeated and winning the premiership again.

Thank you to all our loyal sponsors who ease our financial burdens and ensure we can provide cricket to the community at a very reasonable cost.

Last but not least, a big thankyou to Reg for all his time and effort organising the naming of Tom Adams Oval. It will be an honour to play on the field named after a legend of not only Greystanes Cricket Club but a legend of Greystanes.

Thankyou,
Dave

Secretary's Report – Jim Sultana

Another season has come and gone. There were highs and lows and hopefully there was a lot of enjoyment for those who participated in the season gone.

Congratulations to our 14/2 team on achieving a premiership. The boys worked hard and were deserving victors. Our B11's made the Final, but it just wasn't to be their day. To all other teams I hope to see you back next season and be part of our Club again.

I would like to congratulate all our players this season, Seniors and Juniors, for their involvement in representing one of the Finest Clubs in the PDCA. All of you have done the Club proud. I would also like to thank all the Junior Coaches, Managers, Scorers and Parents. It is your contributions and commitment that keeps this Club going. To the Senior Captains I would like to thank you as well for the weekly grind of getting teams out on the field.

A big thankyou to Simon Agius for his involvement with the Cricket Blast program which was run twice over the summer. This is to introduce children from ages 5 to 8 to cricket. A worthwhile program.

To all our Sponsors, a big Thank You for your supports. Coolabah Hotel, Trikon5G, Professional Building Team, JNM Deli Café, Greystanes Electrical, Good Fellas Pizzeria, Thai Pattra, Bathurst Liquor, Greystanes Property Maintenance, Ultimate Health, Greystanes Post Office, Bathurst Street Newsagency and D & C Waste Management. I would ask that all our Club Members please support these businesses whenever the opportunity arises. They are all part of the Greystanes Community.

On the 1st of June 2024 we will also see the Oval On Roberta Street Park, officially named Tom Adams Oval. Tom was a Life Member of the Greystanes Cricket Club and a Life Member of the Parramatta District Cricket Association. Toms' contribution to our Club and this Community is legendary. It will be a fitting recognition to a very generous man.

I would like to thank the Club Committee. These are the people behind the scenes who make this Club work. The effort they put in should not be forgotten. I would also like to thank our President Dave Mandic and Treasurer Sean Fahy. These 2 gentlemen do a mountain of work for the Club. Also, a special Thank You to Wayne Earl and Derek Furtado who also does a magnificent job behind the scenes.

Finally, I would like to encourage all Club members to come to our Monthly Meetings as well as participating where possible. The upcoming AGM is an opportunity to help with the running of the Club and to bring fresh, new faces, ideas, and expertise into our Club. For us to keep doing what we have for over 50 years, new participants will ensure that this will continue to happen.

Treasurers Report – Sean Fahy

It has been another great season for our club. We still see great participation at both Junior and Senior level. It is also great to see continued engagement with the Blasters program. We hope this translates into our next batch of Junior cricketers. There were a number of teams that made it to the Semi Finals, which is fantastic. Congratulations to U14/2 for another premiership.

I would like to thank everyone that volunteered this year. It takes a lot to have everyone ready to play cricket. It is important we spread the workload out amongst the membership, so that it is not left to a small group. Please put your hand up if you can contribute anything. Many hands make light work.

I would like to thank our major sponsors, the Coolibah Hotel and Trikon. They have been a great support to our club, along with our other sponsors PBT, Ultimate Health, Greystanes Property Maintenance, Greystanes Post Office, JnM Deli, Thai Pattra, Goodfellas Pizzeria and Bathurst liquor. Please ensure you support these businesses as much as you can.

The club is still strong financially. In the last few years though, it has become ever more challenging to attract new sponsors, or increase current sponsorship dollars. We appreciate the sponsors of our club greatly. Many are long term. The club relies on sponsors to fill the gap with registration income versus our actual costs. Each year we spend 99% of every dollar of income we receive. It allows us to put on good presentations and have a high standard of gear.

There has been recent communication sent out seeking new sponsorships. I would seek your support to either, become a sponsor, or gain support from businesses that you know may have the ability to become a sponsor. Starting at \$500. We are a volunteer organisation, so please assist where you can to gain sponsorships.

I would like to especially thank the members of our committee who all put in a great deal of work to ensure our Junior cricketers had the support they needed this season. Whether it be training, or game day, they went above and beyond.

Lastly, we can finally name the oval at Roberta st Park the Tom Adams Oval. Thanks to Reg Groves and the Committee members that have spent a lot of time over the last three years, since Toms passing, to make this happen. Tom made a significant contribution to our club over 40 years and I am very grateful to have been involved in this.

Looking forward to next season!!!

Sean

Under 10 White (Stage 1)

Coach: Rod Hokin/Andrew Luccitti
Manager: Simone & Mark Lowndes

Under 10 white had an outstanding season, winning all 14 games and playing the game in the right spirit. They played the game quickly and showed tremendous sportsmanship toward their opposition and umpires at all times. It was an absolute pleasure to watch this team play every Saturday and everyone should be proud of their efforts. 2 notable achievements for this side were a team double hat trick (with 2 run outs) against Seven Hills, and winning the Greystanes CC u10 gala day, recovering from an opening game loss to bring home the shield for the hosts!

Hasandu De Silva - Hasandu receives the top run scorer and wicket taker awards. He is an exceptional cricketer and his all-round skill was a real highlight for us all to see on a weekly basis. His drives down the ground were the feature of his batting. His bowling pace at u/10 age is quite unbelievable and he will continue to grow as a strike bowler.

Aadesh Balendra – Aadesh delivered with both bat and ball every Saturday and is also capable of taking multiple wickets with his fast bowling. Add to that numerous direct hit run outs which sees him win the most deserving award. Aadesh also bowls a great line and length at pace and is another strike bowler in the making.

David Vo – David is a natural leader who often lifted the side when they were quiet in the field. His ability to cover numerous fielding positions along with his walking in with the bowler wins him the fielding award.

Another highlight of David's season was his running between the wickets, especially when batting with the less experienced players. He always made the right decision, and his calling was exceptional.

Cameron Lowndes – Cameron had a great season and always played the game with a smile on his face. His pull shots were a feature of his batting and accounted for most of his runs which showed his ability to protect his stumps and play the ball on its line. Add to that his very useful and accurate left arm bowling which proved to be a point of difference to the opposition batters. Because of this I am awarding him the encouragement award. Bring that lucky rock back with you next year!

Kody Piper – Kody is a natural powerhouse who is capable of hitting the ball a long way. His highest score of 27 included 5 boundaries and was the highest score on our team for the year. He also chimed in with plenty of wickets through the season and a couple of catches. An old-fashioned cricketer who entertained us all every week.

Harrison Luccitti – This was Harrison's first year of cricket, and he had a fantastic season in this grade. He was the most improved player over the season thanks to his hard work at training and extra net sessions during the week. By the end of the season, he had learned the golden rule of batting (don't back away) which saw him go the last 4 games without being dismissed. We all loved Harry's chants to get the team fired up while fielding!

Yohan Modi – Yohan bowled with good pace and accuracy early in the season without luck but was rewarded with a bag full of wickets in the last few games. With a bit of luck next season Yohan could easily double his wicket tally. He also showed his hitting ability with many of his pull shots over mid-wicket falling just short of clearing the boundary.

Jake Hokin – As one of the younger players in the side it was great to see Jake's play through the offside. He is a very mature batter and plays each ball on its merits, even showing us a very stout forward defence at times when it was required. Add to that his ability to consistently land his leg spinners on a dime (with a lot of them bouncing just over middle stump) and we have another tremendous cricketer in the making.

Lachlan Barden – Lachlan joined the team after missing the first 4 games with injury and slotted straight into the side with 3 wickets in his first match. He was then given a chance at wicketkeeper, a job which he kept for the remainder of the season due to his outstanding ability at this position. Lachlan saved countless runs for the team throughout the season, and he showed us his batting ability with some excellent hitting, including a huge 6 against Seven Hills!

Lastly, I would like to thank all of the families for their efforts in getting the boys to training and games every week. Also, a big thank you to everyone who helped with ground setup, warm ups, scoring, team management and communications throughout the season. The entire season ran smoothly thanks to everyone's efforts. Many hands make light work. A huge thanks also to Rod for running the boys through their paces every Tuesday. The boys learned so much from your extensive knowledge of the game. They all improved their skills and they are all better cricketers for having you as a coach! Thanks again!

Kannan Kharel: Kannan, also in his debut season, started strong with 28 runs and 7 wickets in 9 innings, demonstrating promising potential for the seasons ahead.

Parth Golwath: In his second season, Parth scored 18 runs, and took 4 wickets in 6 innings. He played fewer games than others but proved himself as a valuable team player and contributed to the game.

Samuel Forbes: Samuel, in his debut season, showed unwavering determination by scoring 56 runs in 13 innings and actively contributed to the team's fielding with 4 runouts.

Under 11 Blue (Stage 1)

Coach: Andrew Piper
Manager: Amit Dsouza

The Under 11 Blue team was an entirely new team with only a couple of players having prior tournament playing experience. We had a couple of players coming straight from Woolworths cricket blast as well for whom playing with a hard cricket ball was very uncomfortable. It took a couple of games for the boys to gel well as a team but majority of the new players lacked basic batting and bowling skills.

Our coach Andrew Piper worked in the nets with all the boys to identify issues with every player's skill level and provided extensive guidance to every player to improve their basic skills of batting and bowling. In addition, the boys had good practice sessions weekly to improve their running between wickets as well with parents chipping in as fielders to help out.

These structured and formal training sessions with Andrew and the boys lifted the confidence level of the boys to a great extent.

As we progressed our bowling became our strength which was appreciated by opposition teams.

From a team performance perspective Jake Piper, Jonathan Tuscano and Pradyut Thaivalappil were our most consistent batters while Nuh Arsalan, Anush Gupta , Parthiv Thaivalappil, Elijah Eglingotn, Aarav Jadhav and Ethan Dsouza provided the much needed support while batting at different batting positions during the competition.

From a bowling perspective Pradyut Thaivalappil, Jake Piper and Anush Gupta were our most consistent bowlers with the rest of the team also picking up wickets across matches.

The best part to watch for during the matches was how the other experienced bowlers walked up to the bowler and provided tips on how to bowl the next ball and rest of the over. It really showed how keen each team member was to help the bowler to get a wicket or set up a run out.

I would like to thank the parents for helping out with umpiring, scoring and backup coaching as well when required.

This year has been a great learning experience for the kids and parents and puts us into a good position and more confidence for the next season.

Under 12 div 1 (Stage 2)
Semi Finalists

Coach: Steve Karam
Manager: Laura Karam

We had a perfect start to the season. We had strong training sessions, and all players were determined to have a great year of cricket.

We won our first 5 games convincingly and were feeling very confident about the season ahead. We knew our biggest challenge would be Seven Hills as heading into round 6 we were both undefeated. We batted strongly with almost all players contributing with the bat and were able to bowl Seven Hills out in the 27th over. This meant we had now played every team and won every game.

We were getting better and stronger each week and the players continued to go from strength to strength. We prided ourselves on sharing the batting and bowling each week and we ensured that every player got a fair opportunity with both bat and ball.

Heading into the final rounds of cricket we were feeling confident. Unfortunately, due to the rain and a forfeit we didn't get much of an opportunity to play our last 3 games. This proved costly for us coming into the semi-final.

We were quietly confident leading into the semi-final and proud that we finished the season as Minor Premiers and had confidently beat every team. Sadly, our confidence didn't last long as we struggled in the field and with the bat. We dropped over 6 catches that proved to be very costly to us and we ended up losing by 9 runs. Our first loss of the season and it was the most important game.

It was a very disappointing finish to such a wonderful and successful year. A huge thank you to our amazing families for their assistance throughout the year. They stepped in to assist with coaching, scoring, training and keeping the boys occupied on the sidelines!

We appreciate the help so much and it makes coming to cricket each week so much more enjoyable when you know everyone will help.

We had a dream start to the season, started with clinical win and team showed a lot of promise, but the momentum was short lived mid-way as we had our struggle of players not being available and unfortunately, we lost quite a few close games, which could have gone in either way. But kudos to all the young boys who were mentally strong and did not let the loss impact in the future games. Due to this no team took us lightly.

The Points table does not do justice to the team performance, as there were on the other side of those close games. But team had all the ingredients to be winner of the league. It was an immense pleasure to be a part of such wonderful team.

Avaneesh Uruthiran: He was really amazing behind the wickets and ensured that he grabbed every opportunity to dismiss the opposition batsmen. His batting skills were also an important asset to the team.

Jairus Lourdu Martin Savio Selvam: His commitment to the game and team was second to none, he was focussed for every training and match. His bowling was a pleasure to watch and picking wickets regularly.

Deven Kharel: He was the most dependable batsman of the team and being the highest aggregator of runs. His determination while batting was a big headache for opposition, and they were out of ideas of how to get him out. His wicket keeping skill was an additional asset.

Rubesh Balendra: His fast and swing bowling was very impressive and cherry on top was consistency with line and length along with sheer pace, batsman had no answer to his bowling. His batting especially in the second half evolved and made him a genuine all-rounder.

Jake Gallacher: This young and enthusiastic boy was a lovely addition to our team mid-season, His left arm bowling was a lovely variation to the team and got wickets for the team at crucial juncture.

Patrick Hokin: He is a clever and wily spinner; he built a web around the batsman and they were completely clueless. He kept getting wickets very regularly and had been the highest wicket taker. He has batting skills were equally well equipped.

Krrish Hinduja: His all-round abilities was crucial to team. His high bat lift made him clear any boundaries; he was the only batsman in the team to hit a six. His bowling had become lethal in the second half and provide crucial spell for the team.

Soniru Buthsara Manage: He is a boy with less words, he would let ball and bat speaks on his behalf. His bowling had an amazing consistency and been very miser with giving runs. Unfortunately, the wicket columns does not do justice to his bowling. In last few matches he has shown his hard-hitting abilities with bat.

Samuel Hokin: This was another young and enthusiastic boy, his all-round abilities was an excellent asset to the team. His bowling had consistency and batting had determination and always valued his wicket.

Aditya Valia: He had been a very cool and composed player of the team and never panicked in any kind of situation. He was always had a lovely smile and ideas. Lastly, we would appreciate the involvement of the parents who helped team and were thoroughly involved in every match and practice session, a lovely season would not have been possible without them.

Semi Finalists

Coach: Daniel Haikin
Manager: Vishnu Kumar Pedaballe

What can I say about this season, we made the semis and we didn't have a tie.

The boys started the season with a loss before winning their next five on the trot. After 8 games we were 6-2, but from this point in the season our season flipped with us going through the last 8 games 2-6. Obviously, I like symmetry as last year was 2-6-1 then 6-2-1.

The season was summed up like that a bit. In what was an important first game after the Christmas break against the team just behind us on the ladder we dropped 7 catches in the first 15 overs only taking 1 wicket. The following week 7 of the 8 wickets were caught even in slightly wet conditions after a mid-match shower.

There were some good individual performances this season. Three boys made over 200 runs, Pritham 249, Yuvansh 226 and Rohan 211. Three other boys made more than 100. No one crack a half century this year with a few close calls, Pritham 48 and Josh A and Yuvansh 47.

On the bowling side of things Darsh showed that size doesn't matter, bowling at the stumps does, picking up 15 wickets at 7.87 with best bowling figures 3/15. Yuvansh, our only spinner, picked up 11 wickets. Four other boys took 9 a piece, Riaan, Pritham, Josh H and Eashan.

As previously mentioned, our fielding had its moments. Pritham and Josh A took 9 catches. Rohan took 8 catches and a stumping, keeping in every game for at least half the innings. Everyone took at least 1 catch.

The boys managed to hold onto fourth place deserving their place in the semis after their strong start to the season. Playing Wenty we never made enough runs with Dylan scoring 8 and Josh H scoring 7 surviving the first 8 overs and hitting the only boundary of the innings. Yuvansh picked up 2 wickets and Josh H 1 as they passed us 3 down.

Thanks to the parents who helped out during the season both at games and at training.

Congratulations to the boys playing their 5th season with Darsh, Josh A, Josh H and Rohan.

U13 Div 3 team this year was a mixture of new players to the club and a few existing players from last year. It would be fair to say that the lack of experience meant the season was a challenging one for the boys. But what was immediately apparent was the great spirit amongst the players and while being out classed by more experienced players with most teams, they never through the towel in on any occasion. This was evident with our only win coming late in season with conditions not on their side, they played a memorable game of disciplined cricket for a well-deserved victory.

There were some games that could of gone in our favour but the team in general didn't have the consistency and use some of their skills had learnt in training to get it over the line. Not through lack of trying but through application. Something to take into next year and work on.

They played with their heart on the sleeves and displayed the values of a true sportsmanship at all times. Whilst it was a relatively new team, next season they will have the opportunity to go out there and prove they are capable of providing a challenge to the opposition and walk away with more wins.

Thanks to all the support from the club, parents and lastly the team for giving us this opportunity to coach this season

Best of luck to next season.

Premiers

Coach: Andrew Piper

Manager: Simone Lowndes

What an exceptional season!!!!

It's crucial to reflect on the remarkable journey of this Under-14 cricket team. This year, the boys not only displayed incredible skill and sportsmanship but also achieved a monumental milestone by remaining undefeated throughout the season, culminating in winning the premiership.

This is a feat not achieved by many and I hope the boys look back at this in years to come as sporting milestone and great achievement.

Team Overview

Our team consisted of 14 dedicated players who brought diverse strengths to the field. Each player contributed uniquely, whether as a batter, bowler, or fielder, creating a well-rounded and formidable squad. The team's camaraderie and willingness to support each other were pivotal in navigating the challenges of the season.

Season Highlights

- Strong Start:** We kicked off the season with a solid win that set the tone for the rest of the year. Our opening match showcased our team's potential and preparedness, with impressive batting and tight bowling figures.
- Consistent Performance:** Throughout the season, our players maintained high standards in both individual performances and teamwork. Notable achievements included multiple half-centuries from our top-order batters including 2 x Centuries and a 100-run partnership, this partnered with our consistently economical bowling attack made it difficult for the opposition.
- Defensive Skills:** Our fielding was a standout this season. Several matches were won by narrow margins where crucial catches and run-outs made the difference, highlighting the importance of our rigorous fielding drills in practice.
- For the Premiership:** The final was a testament to our team's growth and resilience. Battling against a strong opponent, our team remained focused and executed our game plan flawlessly, securing the Premiership with a well-rounded performance.

Player Development

This season was not just about victories but also significant personal and skill development for our players. Regular training sessions, coupled with strategic game play, allowed our athletes to hone their skills markedly. We witnessed remarkable improvements in:

- Technical Skills:** Enhanced batting techniques and precision in bowling
- Mental Toughness:** Our players showed tremendous mental fortitude, staying calm under pressure and performing in critical moments of the game.
- Leadership and Responsibility:** Several players stepped up as leaders, both on and off the field, guiding their peers and making strategic decisions during matches.

Acknowledgements

A heartfelt thank you to all parents, supporters, and the Club for their unwavering support throughout the season. Your encouragement and involvement have been integral to our success.

Special mention to Shane and Gavin taking on Umpiring and assistant coaching roles throughout the season.

Simone/Mark for their Top-notch team management and scoring contributions.

This parental involvement is required to make a successful all-round team so thank you once again. To the Boys it has been a pleasure coaching you and every one of you has made me proud. I hope you continue your cricket journey into the future and look forward to at least one more season at Div 1 next season. You are ready for the step up and are prepared for the mental challenge that awaits. I know you will rise to meet this with the same unwavering grit and determination you have shown over the last 2 seasons.

Captain: Suganthan Theivendran

The 2023-24 cricket season with the Greystanes Cricket Club proved to be a rollercoaster of challenges and triumphs for our team in PDCA Grade B2. Despite facing numerous hurdles, including a lack of consistent availability of eleven players and the adjustment to the competitive B2 level, our team showcased resilience and determination throughout.

With a record of 4 wins, 7 losses, and 1 draw, we finished 6th on the table with 65 points. While falling just short of securing a spot in the top 4 by a mere 3 points, our season was defined by grit and camaraderie on and off the field.

One of the most significant challenges we encountered was the struggle to field a consistent lineup due to various commitments and unforeseen circumstances. However, each member of the team rose to the occasion when called upon, demonstrating their commitment to the club and the team.

For many of us, it was our first time competing in Grade B2, presenting a steep learning curve. Despite the initial difficulties, the season provided invaluable experience and growth opportunities for all players involved. The support and encouragement from the Greystanes Cricket Club were instrumental in navigating the highs and lows of the season.

As the final innings of the season drew to a close, there was a sense of pride in what we had achieved together. Every member of the team cherished the opportunity to represent Greystanes Cricket Club and is eagerly anticipating the start of the new season in 2024-25. With lessons learned and bonds forged, we are ready to tackle whatever challenges lie ahead, united in our passion for the game and our club.

Overall, this season was a success. We finished the regular season in first place. The semi-final was a close game and came down to a 1 run loss which was absolutely heart breaking.

When reviewing the season, it was a great team effort; we were so competitive and very consistent. I am so proud of our team who played each game with so much heart, effort, amazing skills and so much laughter.

Andrew Piper scoring 434 runs with an average of 48.22 with a highest score of 185
Amazing power hitting and stamina.

Harpreet Singh who scored a total of 236 runs and took 18 wickets at an average of 16.28. He also had the best bowling performance of 5 for 30. Always so reliable with the bat and ball.

Ethan Barden, for taking a total of 24 wickets at an average of 6.17 which included an amazing hatrick in the semi-final. Mr consistent.

I'm so proud of everyone who played a part in this season.

A big thank you to Peter, Matt, Daniel, Ajitesh, Steve Michaels, Noah and Wayne Agius who were able to fill in when we were short which was so important to our successful year.

Special mention to these young cricketing Stars who made their debut in seniors.

Mahi and Somesh who came into the team and bowled with pace and accuracy.

Mahi 1 over 2 for 2.

Somesh 3 over 1 for 9.

This team is a true reflection of what Greystanes Cricket Club is all about. We all play hard, we are a team who relies on each other, we have so much fun on and off the cricket field and we play the game in great spirit.

The 2023-2024 cricket season was a thrilling voyage for the Greystanes B10 cricket team. Comprising mostly of new players, our journey was marked by remarkable growth and undeniable potential. Despite encountering obstacles along the way, our team exhibited unwavering resilience and determination, leaving us brimming with pride.

Early Struggles and Glimmers of Hope

Our inaugural match against the formidable Kellyville Supersonics ended in defeat, yet it unveiled the budding talent within our ranks. Disaanth's exceptional bowling display, claiming 5 wickets in the first innings and 10 overall, was a testament to his talent on the field. In the subsequent clash against the Jaguars, Nisanthan's impressive 40-run contribution ignited a spark of promise in our batting lineup, while Bavananth's debut five-wicket haul hinted at a bright future ahead.

Pivotal Moments and Glorious Triumphs

Amidst a string of challenges, our breakthrough arrived in the sixth game against the eventual champions, VOne Sports Club. Balendra's stellar fielding, punctuated by a game-changing boundary catch, secured a memorable victory for our side. Satish Kumar's awe-inspiring 180-run masterpiece against Baulkham Hills propelled us to another resounding win, while Sanji's spellbinding bowling performance, clinching 5 wickets for a mere 23 runs, steered us to triumph over the Western Legends. Vinoth's masterful spin bowling, yielding a five-wicket haul against Winston Hills, further underscored our team's prowess on the pitch.

Challenges and Pathways to Progress

Though our journey did not culminate in a semi-final berth, our final showdown against VOne Sports Club epitomized our team's indomitable spirit. While our batting lineup encountered occasional setbacks, our potent bowling attack shielded us from formidable adversaries. However, the specter of player availability loomed large, often necessitating us to take the field with fewer than 11 players or temporary replacements. Addressing these challenges will be paramount to our evolution in the forthcoming season.

Key Highlights

- * Players who were playing for the first time were introduced.
- * Satish's monumental 180-run knock (13 fours & 12 sixes).
- * Five 5-wicket hauls by Sanji, Bavananth, Vinoth, Nishanthan and Disaanth (10 wickets in a match).

Outstanding performances by:

- Best Batting: Satish (382 runs – highest scorer in B10).
- Best Bowling: Sanji (18 wickets).

Conclusion

The 2023-2024 season was a transformative odyssey for the Greystanes B10 team. Despite our inherent limitations, we showcased promise and potential at every turn. We are actively addressing our shortcomings, with a keen focus on fortifying our batting lineup and intensifying our training regimen. Armed with a reinforced batting arsenal and enhanced player availability, we are poised to emerge as a force to be reckoned with in the seasons to come. With bated breath, we eagerly anticipate the dawn of the next chapter, fueled by the prospect of building upon our progress and delivering an electrifying spectacle for our club.

We extend our deepest gratitude to the Greystanes Club for their steadfast support and invaluable guidance throughout our journey.

First of all, thank you to the Club for providing me this wonderful opportunity to Captain this talented and committed team, which I truly enjoyed. It was a new team coming in from different grades and clubs from the prior year.

After losing our first game to Seven Hills (eventual Premiers), we had a five-game winning streak (including an outright win) followed by two losses and then a hat-trick of wins before the finals to finish at 2nd place. The Semi Final was an absolute thriller of a game. Defending 104 at our home ground (Bathurst St) and without Nathan our star spinner due to injury, we got off to a great start having Winston Hills 3 for 9 at one stage. Unfortunately, I then dislocated my bowling finger trying to take a return catch one-handed. This ruled me out for the remaining game but I had absolute faith the guys can win. I sat on the bench on day 2 of the Semis and watched the Team win the game by 4 runs!! I was gutted to miss the Grand Final but we believed the Team was capable of winning. Thank you to Derek for Captaining the Grand Final with the help of Ayden and Rishabh. Unfortunately, it just wasn't our weekend with injuries (Armaan, Nathan and myself) and some bad luck. Regardless, it was a great season full of growth, fun, discipline (including regular training sessions), resilience and importantly a positive team culture with a lot of great performances and results (9 wins vs 4 losses)! It was a collective team effort by everyone to make it to the Grand Final and here's a snapshot:

Rishabh: Our leading run scorer with 401 runs and an average of 29. An entertaining batsman who hit some big 6s and showed maturity and growth throughout the season. Travelling 40 mins each way to each game, Rishabh got the team off to some great starts with high scores of 97 (vs. Seven Hills the eventual premiers), 68 and 44.

Jash: Our great all-rounder with the highest batting average of 43, scoring 345 runs along with taking 19 wickets at an average of 17. His batting high scores include a mature innings of 90 not out (to save the game vs. Wenty), 63 & 42 along with best bowling figures of 6 wickets for 49 runs of 18 overs vs. Kings Langley.

Nathan: Our star spinner contributed greatly to the team picking up 12 wickets at an average of 17, with best bowling figures of 5 wickets for 12 runs of just 5 overs vs. Wenty Leagues. He also helped stabilise our batting order with some good contributions.

Shreyas: Shreyas showed good improvement and growth in his batting this year making valuable contributions including a high score of 37 vs. NSW Tamils. Such a positive person and a great team player!

Armaan: Our talented all-rounder scoring 179 runs at an average of 45 and picking up 7 wickets at an average of 7. High scores of 65, 40 and 31 (in the Grand Final) along with best bowling figures of 4 wickets for 12 runs of 9 overs vs. Wenty Leagues. Armaan has great timing and skill with the bat and great pace with the ball – a great future awaits!

Derek: Mr calm and collected helping the team with his experience and wisdom throughout! He made valuable contributions with the bat up the order and took some brilliant catches including a spectacular one-hander!

Ayden: His first season with our club and made valuable contributions with the bat and keeper gloves. Scoring 128 runs for the team, his high scores included 55 vs. Baulkham Hills and a vital 29 vs. Wenty Leagues to help us score that important win. He also took some good catches behind the stumps including some one-handed blinders to earn him the Fielding Award!

Chittrak: New recruit to the Club and great talent. He made valuable contributions with the ball (10 wickets at an average of 15, with two 3fers including one in the Grand Final) and bat (82 runs). This includes hitting some big 6s along with playing smart vs. Wenty Leagues to score us that important win! A talented player with a great future in the game! Hope he keeps playing with us.

Chaitanya: New recruit to the Club and great talent. Won the Captain's Award for his great bowling performances. He took 17 wickets at an average of 10, with two 4fers including one in the Semi Final to help the team win! A talented player with a great future in the game! Hope he keeps playing with us.

Matt (Rowdy): Matty, Matty, Matty - a loyal member of the Club with great ability to swing the ball. Picked up 11 valuable wickets at an average of 15 including picking up the final 2 wickets for 0 runs from one over in the Semi Final to help the Team win! What a Rowdy!

Sudheera: Good contributions with the bat scoring 107 runs with a high score of 48 vs. Seven Hills (eventual Premiers) and took some good catches. Such a positive person and a great team player to play with!

Katbahan: First time playing club cricket and the most enthusiastic person in the Team! Got his first wicket this season and scored some classic drives to the boundary with his Colgate Smile! Also took a classic catch vs NSW Tamils in the final hour to earn us that outright win!

Shripat: Good contributions with the ball taking 15 wickets at an average of 18 and the bat, scoring 126 runs at an average of 42 with a high score of 56 not out to help the Team win vs. Wenty Leagues.

Karan: I personally had my best season with the ball taking 34 wickets at an average of 7 and personal best bowling figures of 9 wickets for 8 runs of 12 overs vs. Winston Hills, along with two other 5fers.

Overall, we were a bowling team that dominated most of the competition throughout the season with swing, pace and spin. We bowled out opposing teams for 51, 43 and 20! Batting wise, we had some high team scores (200+) but could improve in the collapse department along with that old chestnut - fielding. Overall, a wonderful cricket season and looking forward to playing with the guys in future!

We had some trouble at the start because most of our team was new, and some key players from last season moved up to a different level. It took us a while to understand each other's strengths and play well together. But as time went on, everyone showed real dedication and got better. We got a lot of help from younger players in our junior's team, which boosted our energy and depth. With regular practice and a strong desire to improve, we started winning games.

The stats below clearly shows that it was a collective team performance that helped in winning our games. Remarkable improvement in our bowling lineup and well supported by our batting unit. Fielding has improved as the games progressed and injuries kept haunting us. I had to take up a new role as a Wicket Keeper, as we were left with no specialist keeper, however it eventually turned out to be a great contribution from my end to the team in taking some key wickets.

Overall, I'm proud of how everyone in Greystanes Cricket Club B12's worked hard and showed great spirit this season. We started from scratch but ended up doing really well. Looking ahead, I'm sure we'll keep growing and achieving more together.
