## President's Report – Wayne Earl

This year was my first year as President and what a year it was! We saw an increased number of our Milo In2Cricket graduates begin their cricket journey into the under 10's and more importantly we saw our under 16's graduate to senior cricket under the guidance of their coach Andrew Rogers to the B13 grade. This is very positive for the club as it illustrates our ability as a Club to retain players and establish future progression for our junior players and Master Blaster graduates.

This season the club successfully fielded 10 teams in total, 6 junior and 4 senior, of which 8 were playing for a competition. In all we had 6 of those teams play semi-final cricket which is a fantastic result for the club. Unfortunately, due to inclement weather only 2 teams went on the play in Grand Finals; the 14/2's and the B14's

After a strong regular season, the under 14's were narrowly defeated in the Grand Final by Kings Langley whilst our B14's raised the trophy winning the Grand Final after finishing the season Minor Premiers. An outstanding result which saw many great clubmen win their first grand final with Greystanes. Well done Boys.

This year Milo In2cricket was renamed Woolworths Master Blaster and we had 38 participants, our biggest group for many years. A huge thanks to our Vice President Dave Mandic, and his helpers Andy, Tony and Isaac as well as all the parents and kids for making the program such a success.

This year the under 10 Gala Day run by our Club was held in February with 8 teams participating including a team of our Master Blaster graduates. The day was won by Wenty Waratahs with the 2 Greystanes' teams doing the club proud.

These are just a few of the highlights of the 2018/19 season and we look forward to continued success in the 2019/20 season.

I gratefully acknowledge the kind and generous support of our sponsors Coolibah Hotel, Professional Building Team, Beechwood Homes and Prospect Plumbing.

In conclusion, I would like to thank the Committee for its ongoing support, continuous effort and commitment, especially our Treasurer Tom Adams, Vice President Dave Mandic and Secretary Shiri Pande.

## Secretary's Report – Shiri Pande

This season was another challenging one with lots of highs and lows and ultimately proved to be a rewarding one, as evidenced by many of our teams featuring in the finals and the B14 team emerging as Grade Premiers.

Congratulations to everyone on all your achievements.

Can we take a moment to reflect of the ethos we stand for as a Club – respect of the game, fair play, best efforts towards the betterment of the team and ultimately the game. Respect for the rules of the game, the accepted authorities – be they umpires or other players (both sides) should come as a natural mindset and behaviour. Excelling to best of your personal abilities is admirable (and indeed a desirable outcome of any sport) but this should never take the place of teammanship, of being a good sportsman, being supportive of everyone else in the team, of putting the betterment of the team and its achievements as a collective higher than the self. Ironically, if the team succeeds, all its members will share in the glory, the success, the achievements and the happiness.

A club such as our is especially thankful for the invaluable support and generosity of our sponsors Coolibah Hotel, Professional Building Team, Beechwood Homes and Prospect Plumbing. Please ensure to call upon their excellent services as often as possible.

To all parents, carers, partners and family members, community members who have supported our players and the Club in any way, you are all superstars and the reason we can achieve all that we do.

Finally, I encourage more Club members to do your bit by becoming more involved in the administration of the Club. With your support, this Club can go from strength to strength. I look forward to seeing as many of you as possible at the AGM in the first week of July 2019.

**Treasurer's Report – Tom Adams**

Once again, we come to the end of a very good season Club-wise.

2018-2019 saw the Club advance 5 teams to the Semi-Finals. 2 Senior teams

B6 & B14 and 3 Junior teams 14/2, 15/1 & 16/1.

2 teams, B14 and 14/2 advanced to the Finals.

Our 14/2 lost in a very close game but came up short by about 9 runs.

Congratulations to our B14 team which won their Final match and became Premiers for the Season 2018-2019.

On the financial side, the Club is again in a wonderful position and our fees were again kept low. We hope this helps our members.

We can only manage these low fees due to the support of our sponsors Coolibah Hotel, Beechwood Homes, Professional Building Team and Prospect Plumbing.

Please support our sponsors when and where possible.

Greystanes Cricket Club would like to thank our sponsor:

Coach: Rishabh Kaleliya

Being part of this team was a great experience for me, especially me coaching for the first time. All the boys showed a lot of interest in the game and have the potential to go further and achieve their best in cricket.

Even though the season didn't go our way, but most importantly the boys enjoyed their time and hopefully enjoyed time with me coaching them.

We had some terrific performances throughout the season, Seth hitting sixes, Solomon's power hitting, Neel's terrific run out, Dhruv and Riyan hitting their first boundary, Ayush with his flight ball deceiving the batsmen and Zack and Sebastian with their partnership in batting and can't forget Mitchell with his exceptional batting when he opens.

All around I was very proud how the boys came to training, on time for the matches and most importantly I want to thank the parents for bringing their kids and putting effort every Saturday morning. Special thanks to Gavin for managing the team and uploading the scores and thanks to Riyan's and Mitchell's dad for helping me train the boys.

Coach: Andrew Piper

A great season by all.

We won more than we lost with each child experiencing personal milestones during the season.

The players showed huge enthusiasm for the game during the year which bought about individual improvement and a solid sense of team within the group.

Carrying 10 players for the season it was great to see most weeks we had the entire 10 player squad available.

A big thankyou to the parents for spending the time and effort to attend the games and if not available communicated this ahead of time.

From my perspective I think the players enjoyed the challenge of the game itself and hope they continue to play into the future.

Thank you to Sean for owning the score book all season and also to Mahesh for completing the management duties for the team and filling in the coach position during my absences.

**Greystanes U12****Coach: Scott Bailey**

The 2018/2019 cricket season was a difficult year with a large disparity between individual playing skill levels and team commitment. In a season plagued with injury and extended leave by players we were lucky some weeks to find a full complement of players.

Most weeks we found ourselves behind on the score card and the boys at times lost heart and unfortunately their despondency often became directed to each other. As a team we need to stand strong and encourage each other when things are not going well on the field. We hope this is something all the boys can improve upon next year.

We felt at times some kids were playing for their averages and not for the team. This meant players put a lot more pressure on themselves to get the wicket or get the runs and would be genuinely disappointed if someone else got them.

As coaches we want to remind each of the boys that there is no I in TEAM and that cricket is a team sport. We want to encourage each of the boys not just to be the best cricket player that they can be, but to be the best Teammate they can be. That means encouraging people when they are down and working hard to put others first. Please don't get caught up in statistics and averages and the like because focusing on them means that you are focusing on yourself. Instead if you catch that ball in the outfield that someone else had bowled, that is for the betterment of the whole team and therefore we celebrate it as a team.

We would like to extend a warm thankyou to the handful of parents who assisted by scoring, setting up the field and staying around each week to watch and support the kids.

To the parents that did the drop off and run at training and Saturday mornings, I would like to encourage you to get more involved next year. Everyone is busy and some may not have the knowledge of the game to score or umpire, but everyone is able to pat their son on the back when he comes off the field and encourage him and others. It means so much to the boys to have their parents there taking an interest in what they do.

Special mention must be made of Bradley who led from the front, taking the greatest number of wickets for the team while also managing to score a century during the season.

Ashley, out of all the boys, was the best in exhibiting strong Teamsmanship throughout the year. He was the player who always ran drinks out to the batters in the middle, turned up on time to training and games each week and always encouraged his teammates. There is no app that will record these actions, but every coach would love all their players to have the same enthusiasm and commitment that Ashley demonstrated during the season. Ashley's positive attitude also flowed onto the field with him doing exactly what we have been trying to teach all the bowlers. It doesn't matter about how fast you can ball or how much you can spin, it's the line and length that's important at this level. Ashley had it spot on almost every time, with some outstanding figures to match.

A challenging year but we did have some great wins and even a draw. Good luck to the boys for next season and we hope you remain passionate about the game.

What a great season we had. I am so proud of all of you.

The team cliqued from the beginning with the U/13s coming up and playing with the rest of the 14s. You all fitted like a glove and look where it got us – right to the grand finale. Undefeated until the grand final and everyone contributed all season to achieve this result. Well Done!

Thanks to all the parents for all the support you gave me throughout the season. Thanks to all the umpires, scorers and those that gave moral support. A big THANKS to Dave for his brilliant work sending out text messages to help keep everyone in the loop.

I could name people who went above and beyond with helping out during the season but you know who I mean when I thank you all very much for everything you did.

All year it was a complete team effort with everyone giving their best. I could not ask for more than that. I am one proud coach.

Hope to see you all next year for another great season.

This season was yet another tough one for us, we played most games short of a full side. Despite this additional challenge all the boys put in a great effort and never gave up.

We started the season with a bit of a dry spell by losing the first two games but then tucked a few wins under our belt. A few ups and downs later we managed to scrape in to 4th position, qualifying for the semi-finals.

Unfortunately, this saw a premature end to our season once again as we were washed out by heavy rain.

A special Thankyou to Jo, Wayne, Louise and Rob for your help during the year.

Of course, my sincere thanks to all the parents, for the commitment it takes to get the boys to the training / games on time. For some of you, it can be a bit like a taxi service managing other siblings as you need to get them to other venues at the same time.

Also, a thank you to the boys that were kind enough to fill in for us when available.

U16

Greystanes U16

Coach: Stephen Newcombe

The U16's performed well early in the season with mixed results in the Win/Loss ledger. We played with 11 players for the majority of the season & occasionally 10, due to other sports & a lad leaving to play Shires cricket.

As we rolled into December, the boys gathered momentum. In late November we beat Kings Langley & then Seven Hills in a hard-won encounter. We batted first week & after 10 overs we were 5 for 10. A resolute Jake & Arjun dug in & helped us to a reasonable total & with some great bowling & fielding we bowled them out a few runs short of our total. That was a great win. These 2 wins were the start of a 6-game winning streak leading right up to the semi-finals. In 'the Streak' we took the scalps of Wenty Leagues, Hills Barbarians & Baulkham Hills. These 3 victories were setting us up for a red-hot shot at the Premiership.

The ladder finished with Hills, Wenty, Greystanes, Kellyville at 1-4 positions. We were equal on points with Wenty but their quotient was 0.2% better allowing them the home ground advantage. So! The scenario is Wenty V Greystanes & Hills V Kellyville & the Greystanes Lads are ready to rumble.

The weekend arrived & both SF got rained out. Unfortunately, due to the scheduling & with the Winter codes keen to take the field it was season over. Hills & Wenty played the final & Wenty won. Congratulations to Premiers Wenty & also Hills for making Final & also Kellyville who finished the season strongly. That's the way it goes in sport, sometimes you win, sometimes you don't but you always get up when you get knocked down & never give up & move on.

The new lads Arjun, Jake, Max & Vraj were outstanding. Arjun aka Whispering Death is a top bowler. Jake was outstanding with the bat & is also a talented wicket keeper. Max, a first-time player, kept the team laughing with his one liners & shows - potential as a stand-up comedian here. He had limited chances but was a good team man. Vraj was great as our opening bowler & scored 90 odd against Wenty. Our co-captain Smit was dynamic with the bat & destructive with the ball.

The originals who have played since I started coaching Connor, Daniel, Jack, James, Liam & Riley have been exceptional this year as usual.

Connor was our co-wicketkeeper & a talented batsman who bowled when not keeping. Daniel has great timing & with a bit more patience will be a gun bat. Jack was co-captain & is a powerful batsman & top bowler. James's style is all out attack & when he is on, is impossible to contain. He is also a good bowler. Liam is a quick left arm bowler who, with a bit more practice, will be lethal. He also bats well. Riley was our opening bat for a number of years & did well & bowled left arm spin that got heaps of wickets.

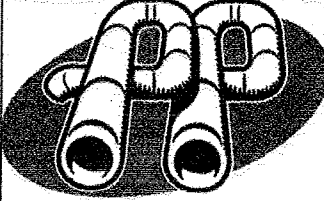

Well my coaching has come to an end & I would like to thank Daniel Newcombe for helping with the coaching this season, I reckon the lads secretly liked the hill runs & other fielding drills. Thanks to Katerina for her managerial skills & for all the parents for helping out with scoring.

To the Greystanes U16's we wish you all the best with your cricket & hope that you continue to enjoy & play. I have enjoyed coaching & you are a great team of young men.

This season we welcomed a few new additions to the team in our gloveman Steve Roberts and all-rounder Harpreet Singh who are playing their first season at Greystanes. The team also injected a bit of youth in the side with the introduction of Tom Barton. Tom is an exceptional player with massive potential, loves getting involved anywhere he can with bat, ball or in the field. Last but not least, we welcome the return of the one & only Stu Cass (the Cassman).

With weather interrupting the start of the competition, we still managed to stay in top 4 contention for the 1st half of the season however falling away after Christmas, finishing 5th on the table

It was a challenging year which will only makes us stronger for next season. There were great individual performances with Steve Michaels & Gary Zahra notching up half centuries and as for bowling, wickets were shared amongst the bowling cartel.

Special mention to Dave Mandic with standout figures of 6/30. We had some memorable screamers taken with Simba's one-handed effort on the boundary & Wayne Barton's superman catch at point to mention a couple, and these will be spoken about for some time.

Commitment was never an issue, with everyone putting in 100% whether it is with the bat or ball.

Wish we could have sent Steve Michaels off in better style as he hangs up his boots (full time status anyway?)

Every year is a good year with this bunch with plenty of laughs & a thank you to all who helped week in, week out along the way

Bring on 2019/20!

Captain: Chris Matthews

Different season this year. Started ok with a win and 3 draws due to weather. With 5 points taken of us it was a bit of an uphill battle from there.

After Christmas, we lost 2 games and needed to win the last couple to finish the round robin in 4<sup>th</sup>, after waiting on results.

We made it into the top 4 but our semi-final match was a bit of a fiza again like the earlier games in the season as it was rained out. That was quite unlucky as with 40 more minutes of game time, the result would have been ours, and we would have progressed to the GF.

Great season by Conner - bowled well all season after listening to some old heads at the start of the season. Billy led the bowling attack well all season, Paul scoring runs for the old blokes and 100s from Hayden, Wayne and Paul.

All the kids in the side, whether filling in or in for the season, all played ok. Still a lot to learn but for all, a good stepping stone as they progress to higher grades.

Thanks to Wayne for really being the skipper this year. He did all the work in the back ground I just did the work on the field.

Again, thanks to John for scoring for the season and all the mates and friends who filled in this year. I didn't count but I'm guessing perhaps 30 players played this year so thanks to all...

**Greystanes B13**

Captain: Andrew Rogers

The 2018-19 season was a transition one for many members of the team. Matt Nicholls, James, Gibson, Rishabh Kaleliya, Lachlan Moses, Max Rogers, Oskar McLachlin and Karthik Pande were all U16 players the previous year, and while they had played senior cricket, this was their first season as senior players. They all adjusted well, and while it took a few games, they found their form as the season progressed.

The B13's were a team laden with bowling talent! There were days when our brilliant scorer, Gavin Marner, was pulling his hair out looking for somewhere to write down all the bowlers. Everyone in the team rated themselves as a bowler, and on their day, everyone got good hauls of wickets. Matt Rothwell's 5 for 5 was an obvious highlight! Matt N and Max have developed into serious opening bowlers. They are both learning the balance between aggression and brains necessary to be great opening bowlers. Another few seasons and they will be fearsome!

We had some outstanding performances with the bat as well. Max scored a 118 no, and Matt Nicholls a 96 on a long and shaggy Nemisia Street that deserved a century. Rish raised the bat for a 50 and was a (usually!) steady head at the top of the innings.

We had a great mix of youth and experience. Andrew F, Shripat and Glenn all were level heads that helped guide the younger players throughout the season. Andrew M (yes, there were 3 Andrew's in the team!) and Matt Rothwell could be counted on to swing batsmen out in any conditions.

Every game, won, lost or drawn, was played in a good spirit and all players were a credit to themselves and their club. Thanks to everyone for a great season and I hope you all come around for another season.

**Greystanes B14**

Captain: Ryan Reckerman

B14's was a group consisting of a number of players that have been members of Greystanes as well as some that came to us from a Catholic Comp on Sundays.

As we were a new team, it took us a few games to get to know each other and understand what we all could bring to this new team and a win in our first match against Sydney Supersonics was a great start to the Season. Some outstanding performance throughout this game - Fred Newman not out on 73, Jeet Bhatt 57 and Nathaniel D'Souza with a 50. Outstanding to see 3 50's in the one day. This was followed up by overall great bowling and fielding performances with all bowlers taking wickets. Great overall team effort to win our first game; the season was looking good for a new team.

This became the start of a winning streak which saw us win the next 7 games. This winning way took us until round 11 before we experienced a loss. Lucky for us we only experienced the 1 loss and 2 draws, which saw us finish the year as minor premiers of B14's and into the big GF to face the only team that we had lost to - Parra Telugu Warriors.

We lost the toss and batted first. After a slow start and some quick wickets taken by Parra Telugu Warriors, we needed a partnership. This came in the form of Nathaniel and Adrian putting on a 90-run partnership to steady the ship. This partnership helped us post a good target of 162 runs. With a great display of fielding and good tie bowling we were able to slow the run rate down and restrict Parra Telugu warriors to 115 runs and therefore beat the only team that was able to beat us this year, and thus became Premiers.

Well done to Nathaniel for scoring a 50 in the GF and Jay Ahuja, our only centurion for the year. Our 5-wicket takers - Arslan, Alvin and Trevor. Well done boys on your individual performances.

Thanks to Andrew Marscham for his assistance as Square Leg Umpire to start our Batting innings as well as putting the scores in the system on time.

A special thanks to all the juniors - Harrison Wyer, Samuel Broschofsky, Joshua Holman, Cameron Davis and Thomas Prada for your contributions to the side. Our success wouldn't have happened without you all.

Finally, well done B14's on winning the comp. Looking forward to seeing you all again and hopefully Captaining us to another victory.
