PRESIDENT'S REPORT

Let me start off by saying what a privilege and honour it is for me to be President of such a fine Cricket Club. The standard of the way the club performed sets an example for other clubs in our district to follow.

2012/13 saw us field 15 teams. 8 junior teams in every age division as well as 7 Senior teams.

We had 6 teams qualify for the semi finals which are a pretty good strike rate if you ask me. Four of those teams were Junior sides:- Under 12's, Under 14's, Under 15's and Under 16's. Unfortunately, only Rod's Under 14's made the finals but sadly suffered a complete form reversal that weekend. To the coaches, managers and parents, thanks for your support to the kids, week in and week out. Unfortunately due to my Saturday morning work commitments, it was difficult for me to get to see the boys play in the morning however, I was kept well informed of their results through various parents and committee members. From what I did get to see, the club is in a very strong position of growth with the current Juniors we have and the coaching and guidance they are receiving.

From the seniors, we only had two teams make the semis; our B6's and B13's. Unfortunately, the B6 team met an opponent that just happened to 'fire' on that weekend and were defeated. Our B13 team Congratulations to Chris and the team for bringing the trophy home. A team of mainly juniors, parents and a couple of old cricket hard heads brought the team home as premiers. Well done guys.

I must also congratulate Bruce Carrs' Under 10 team for winning the annual Greystanes Under 10 knockout. It has been a long time since we have held our own trophy. The final featured some exceptional fielding for children this age. Well done Bruce, and well done to both of our teams that competed.

We had a fantastic fund raising day in late February which involved most of the clubs participating in some T/20 games. It was a fantastic day and I believe everyone enjoyed themselves. Well done to Andrew Piper and his organising team for such a great day.

To our Sponsors, we owe a big thank you for their generosity and it is very much appreciated by our club and I ask all to show their appreciation by using the services provided by these sponsors whenever the opportunity arises.

A special thank you to Steve and Leanne Mifsud for running the Into-Cricket program and to those from the club who helped on those Friday afternoons. It's great to see so many young children with such a passion for the game already.

Finally, to the Clubs' committee, these special people help keep this club running. No-one is asked to do a certain task because there is always someone willing to put their hand up to help. Tom Adams and Matthew Bates also give a great amount of time and effort to help everyone to be able to play on the weekends. Thank you also to our Senior team captains for being co-operative and efficient in the running of their teams.

Once again, congratulations to our B13 team on winning a premiership.

I hope to see all teams back up again next season and enjoy themselves again.

President

Secretary's Report

I turned up to the AGM meeting and found myself as the club secretary, quite unexpectedly, for the 2012/13 season without any knowledge of what was involved in being the secretary of a cricket club. I would like to thank in particular Tom Adams and Wayne Earl with showing me what was required and being there to assist and answer the many questions I threw at them. Similarly, throughout the season I found that the team coaches, managers, senior captains and fellow committee members were fantastic with helping me in the role.

Throughout the season the club achieved quite a lot, both on and off the field, with a large fundraising day that involved 4 games of cricket, lots of cakes, pink stumps merchandise and junior photos. The U10 knockout competition was also a success with 6 teams from Parramatta and 2 from Moorebank competing. Both days attracted a lot of volunteers who pitched in and helped out to make the events successful.

On the field we have grown immensely over the years and throughout the 2012/13 season we had 7 senior teams, 8 junior teams and the IN2Cricket program on a Friday evening. GCC has not fielded this many teams since 'the eighties' with the majority of our Modified Red and White team players for 2012/13 coming through the IN2Cricket program which is a measure of how successful we have been as a club with this program.

It was a pleasure to see the club players each weekend in their distinctive Greystanes attire, the club hats and water bottles. The Modified Red team won the U10 knockout competition and the B13 senior premiership and I would like to congratulate those teams along with all players who represented GCC for the manner in which we conducted ourselves both on and off the field. Well done.

I would like to also thank all of the coaches, managers, captains, committee, the IN2Cricket coordinator and the 'mums and dads' that volunteer their time and effort throughout the season along with the contributions of our sponsors. Without this there would be no club. The club's Annual General Meeting will be held in July 4th at the Bathurst street hall, 7:30 pm. It would be great to see as many people as possible make the meeting – any help is greatly appreciated.

Look forward to seeing everyone again for the 2013-14 season.

TREASURER'S REPORT

2012-2013 has been a good year for the club both financially and for numbers. The club entered 15 teams in the Parramatta competition which has been the most for a number of years.

Our club was competitive in all grades with 6 teams advancing to the semi's and 2 going onto the finals, our B13's winning their comp.

On the financial side, the club is healthy thanks to our sponsors which are listed in our Secretary's report and throughout this annual report.

We received additional support from the **Coolibah Hotel** through the Friday night raffle and I thank the Publican, Gary Cameron for these extra funds.

The committee ask that all members support our sponsors where possible because they support our club.

Also many thanks to Charmain Barton for again typing this annual report.

Coach: Bruce Carr

My introduction to the Greystanes Cricket Club came via a phone call on the way to coaching a school rugby team. "Greystanes have two under 10's" was the comment by Rachael Frame, the triple code (league, little A's and Cricket) manager of many of the players in the team. I had coached seven of the thirteen players at the OLQP Bulldogs football club but what I was soon to discover was that these young men and their mates from school would unite to become the Under 10 Cricket Knockout Winners for season 2013. During the normal season, it took the absence of four players and a substitute coach (thanks Michael), for a team to come anywhere near the averages. But although everyone loves a winner, the greatest joy for me as coach this season was the fun the players had together. Cheering each other on when batting, congratulating each other after the numerous classic catches taken in the field, encouraging each other when bowling, borrowing an oppositions "Everybody walk in" fielding call, jumping all over one another when we finally had a victor at the training catching competitions and just generally displaying a quality of mate ship that is often reserved for our armed forces, made this season one to remember.

Team members included:

James Carr: Had enjoyed his Milo Friday nights and excelled in the step up to the big game. When all hope seemed to be lost, his final over, wicket maiden took the team to the semi finals of the knockout competition.

Matthew Chatten: Mr Reliable was solid with both bat and ball, boundaries week one and wickets week two were always on Matthews score sheet. Matthew also took our only stumping, possible future sign.

Liam Ford: OLQP Bulldog turned batsman seemed to find the boundary even at the significantly longer home game fields. Liam was our go to man under pressure. His ability to turn a dark situation into a bright one, uncanny!

Connor Ford: Mr Cricket eat your heart out. Connor loved all areas of the game, his boundary throw, direct hit, run out, took the team to the final of the Knockout competition. His ability to slide into any position on the batting order, amazing!

Riley Frame: Was perhaps our most improved bowler of the season, his three overs for often more wickets than runs placed significant pressure on the opposition batsmen. A future key player especially when holding down one end becomes important.

Brett Horton: found his best form when the team needed him, although preferring to field deep on the boundary, when called into bowl, Brett was able to take the crucial wickets. Also a solid batting partner for the 'big hitters'.

Siddarth Kothari: His continued development was mysterious, unable to come to training, he just continued to improve, thanks dad, as I am sure there was much one on one mid week coaching.

Joshua Madeleine: Arguably our best bowler. Joshua has a unique gift and should grow into an excellent all round cricketer. His ability to take a few quick singles and then relax with a boundary was the highlight to his batting.

Jack Newcombe: The Hammer, with the bat, hit our maiden six and sent many an opposition fieldsman running well beyond the boundary to fetch the ball. Many an opposition batsmen hurried to get out of the way of his speedy deliveries.

Matthew Newcombe: Late entry to the team, matthew improved in all areas especially his bowling, only to just miss out on a hat trick. Matthew was a soldier with his batting, never one to give away his wicket.

Vandan Raisinghani: A cricket lover who was another of our all round players, his batting began and stayed strong, while his bowling started off good but became great. Another who more than once took more wickets than runs off his three overs.

Nicolas Sioufi: One of the few players I had not met but left the season with my upmost respect. His ability to listen to advice saw him become the teams secret weapon in the bowling attack. Just when teams thought we could not have any more good bowlers, on came Nicholas to add more wickets to our total.

Daniel Tribbia: Dan as dad calls him is another of the dependable young men of this team. No matter if it was bowling or batting, Daniel would get the job done. If we needed wickets, he would take them, if we need runs, Daniel found them.

Thanks to everyone who was part of our team, mums and dads, brothers and relatives. Big thanks to the scorers and especially Mick Chatten who was my personal go to man.

Coach: Simon Agius
 Manager: Joanne Earl

There is no doubt that season 2012/13 was a successful one. All players should be very proud of what they have achieved and the improvement they each made from the very first game has been fantastic.

For the first season of modified cricket, it was incredible to see how well this team had gelled and not to mention the way they encourage each other was just outstanding. Throughout the season there were many highlights. First wickets were taken, first runs were scored and first catches taken, these all proud moments that will stay with these kids forever.

A big congratulations to all the players this year, not only have each of you improved but have played cricket in the spirit it should be, it's a fantastic platform to start from and look forward to building on this in seasons to come.

The season couldn't have been what it was without the help and support from parents. A special mention to Joanne for doing all the work behind the scenes, Ed, Steve(s) for lending a hand at training every week and to the list of parents who helped with scoring week in, week out. Thank you.

Proud Mod White Coach,

Simon Agius

Under 11 Division 1 Coach: Stanley Sebastian

Season 2012/13 was fantastic for the kids in both the success on the field, and development as young cricketers. This team came together with a majority of the boys making their first step up from the modified game with a few younger ones stepping beyond their age group.

The first step is a big one with the boys learning to value their wicket when batting and trying to stay motivated for the full 55 overs when in the field.

Well done to all our players however, in particular the younger boys, Robbie D'Angelo, Samuel Pickard, Sam Broschofsky and Elise Noble (only female) for rising to the challenge with great courage and drive to face the bowling and batting of the older boys in the division.

I can proudly say it was a great pleasure to be associated with such a great group of young men, women (Elise Noble) and their families. Should this team stay together for another year, they will progress to a much higher level on the ladder, given they have established a good foundation and skill set to progress further.

Special mention and appreciation to Dennis Barons (Co-Coach), Paul Camillerie (Scorer), the parents who assisted with the umpiring and finally all the parents who follow us around from week to week providing support and encouragement to the boys and girls. Thank You.

Finally, as a parent coach of the Under 11 side, I believe success should be gauged on the child's enjoyment, involvement and skill development in the game of cricket. Winning is a bonus! I wish the kids the best of luck in whatever they pursue in the future.

Under 12 Division 1

Coach: Matthew Bensemann

Season 2012/13 has been and gone and the boys from the 12/1s side had another fantastic season. The boys were successful in making the semi finals but were unfortunately unable to secure a second straight grand final berth.

Success for this side can also be measured in the feedback provided by a representative of Rouse Hill Cricket Club. After the semi final comments were added to Greystanes Cricket Clubs facebook page regarding the teams' attitude and exemplary sportsmanship in such a close contest.

The coaching role of the side was taken on by more than just me, and I would like to thank Steve, Ryan, Greg and John who have helped out either at training, umpiring or completing the task of scorer on a Saturday.

Congratulations to Aneesh Kaul and Tait Bensemann for being selected in the Parramatta District Representative sides for 2012/13.

I would also like to commend Luke Carling and Tait Bensemann for scoring half centuries in a season when the ball dominated most games.

I look forward to seeing the boys back for season 2013/14 and continue to be involved in their development in the great game of cricket.

Under 13 Division 1

Coach: John Olsen

Manger: Faith Olsen

What a year! After finishing on a huge high last year, we had high hopes for this season. But things never go according to plan. We struggled to get numbers, and finally scraped through with 13 players a few days before our first game.

So starting a new season with half of our team new players, and moving up a division ... tough enough, then our first two games were against last years' Division One grand finalists.... Even a coach on the opposing team asked who hated us.

The boys started out well, showing determination. It was however disappointing to see that after a few losses, they seemed to give up and stop trying, not only in the games but also at training. John as a coach tried to rally and make things interesting, but I think what we needed was a good win and that just never came. All things aside, I think we now consider ourselves a team.

A few players have had a mention worthy season. One of our new players, Roshan Paheerathan was our number one scoring batsman with 237 runs for the season, Connor Olsen again took out the top bowling position (for the third year running) with 15 wickets for the season. A mention also to Sooriya Rajeswaran who not only found his niche as our wicket keeper, but was also a partner in four of our top six batting partnerships.

All in all boys, you played fair, tried hard and hopefully had fun.

A special mention must also go to Gavin Marner who week in week out was our scorer. You did a fantastic job.

Thank you to the parents who came every week. It means so much to your kids that you come, and they play so much better when they have someone there to cheer them on.

Thank you

John and Faith Olsen

Well the one that got away. The grand final loss will haunt me for years to come. To be undefeated and dominant all year and fall short is cruel. That said what doesn't kill us only makes us stronger. My assessment was the lack of quality opposition week in, week out, didn't help but we must learn to adapt. Our skipper Dan showed great maturity and received respect from his mates. Well done. To Gabe and Rav, well done on your tons! Bill leading the wickets for the comp, well done mate!

There is a huge amount of talent here and we are all on track with my long term goal of keeping the boys involved and playing rep and grade cricket. Remember, we are now at the age where there is a huge amount of cricket Weblin, greenies, blues, juniors, seniors and school cricket. Kids and parents try and find a balance for training as the work load this year will test the lads. They are still kids thank God and a great bunch they are.

Lastly, thanks to my parents; Dave and Bruno with umpiring, Gabba and big Ravs mothers' for scoring and picking kids up for games and training. To big Tony, you beer drinking champion, thanks for scoring also and to all parents, I thank you immensely. Next year is a huge challenge from Under 14s to Under 16s, no excuses boys, hard work, hard play.....

Coach: David Facey

I'll be saying that our season was a resounding success considering some of the obstacles we faced. This was my first season as a coach within the Club, and I am thankful for the opportunity to share my knowledge of the game with our young players, the future of Greystanes Cricket Club. All of these young people contributed to the side by using their key strengths in the right positions at the right time. This contributed to the success of the season.

A combination of three players from last year's 14-1s, seven from 14-2's and another three from elsewhere going up against sides with Rep players (coupled with my inexperience in coaching), and a slight lack in batting depth in the run scoring department, one would have thought even making the Semis would be an uphill battle. No so. Through hard pre-season training, 100% commitment from the players and their parents, an almost immediate team cohesiveness and above all, the players' ability to listen, learn and apply, we not only made the semis, we ran second on the ladder for a good majority of the season. Unfortunately the semis proved to be our worst bowling performance of the year, and Kellyville took full advantage of that, posting a large final score which we could not match. But we can end this season on a high note, knowing that we raised just under \$750 in the team kitty, which I would imagine would pay for a decent end of season party.

Big shout outs for Jake Edgecumbe and Nathan Zerafa who posted large scores all throughout the season. Unfortunately, Jake could not be with us in the semis due to a broken finger. Our bowlers made a tremendous effort this year - a big shout out to Sahil Hadwani and Amit Pala for an exponential increase in their bowling skills in the course of the season. In comparison to the other sides, I would say we were the best bowling w\side based on variety and consistency. I can't wait for next season, when the boys have grown in stature and mental astuteness, as a result of which we can look forward to a mean bowling attack.

So at the end of the day, despite some setbacks we may have experienced, the season as a whole was a definite success. I thank the parents for their involvement and other Club individuals for their support. I would like to end by saying you guys are a bunch of fantastic cricketers and I look forward to playing this great game with you on day. Cheers!

David

Coach: Craig Noble

Our final year in Juniors saw us promoted to U16/1s. A fitting recognition of reaching 2nd successive grand finals (1 win/1 loss) in the previous years. Initially a little bit daunting, but a fear that was unfounded as the season progressed.

We played consistently throughout the year and the confidence within the team grew as we went along with every player making a strong contribution to the team. Making the semi-finals, finishing 3rd was a great effort and the team should be proud of that effort. Unfortunately the semi just wasn't our game, although we fought hard to the end. Winston Hills just had us on the day. Given that they went on to win the premierships is a small consolation.

To Gary, Mick, John and Darren who helped me throughout the year with scoring, umpiring and training, thanks very much. To the rest of our parents, grandparents, siblings and friends who followed us around from week to week providing support and encouragement, thank you.

I have said it before... I can proudly say it has been a pleasure to be associated with such a great group of young men.

They say Cricket is the gentlemen's game... I can say confidently that we play and compete hard. No matter what the result, the way you conduct yourselves is a very important part of the game. On numerous occasions during the season, I had opposition coaches, opposition parents/grandparents come up to me after the game saying how much they enjoyed playing against Greystanes as we played in the true spirit of the game or that we displayed great sportsmanship.

Like any coach, I would like to see you win the competition, but to me, this recognition goes far beyond winning a game, this is winning in life. This is about how you conduct yourself, how you honour the values of the game, how you treat others with respect, how you play hard, yet fair. As your coach, I felt no prouder moment being associated with you when I received those comments. That gave me the highest compliment I could wish for. You too should be proud of your actions and I hope these values stay with you throughout the rest of your sport, school and working life.

The juniors are now behind us, I know some will play on while others have other pursuits that will take them away from cricket. I have truly enjoyed being your coach over the last 5 years and hope that you, as will I, look back on these years as a fun and enjoyable time together.

Best of luck for the future to all of you.

Craig.

A Reserves

Captain: Matthew Rankin

After finishing semi finalists in B2's last season, we got put us to A Reserve's this season and unfortunately, it was a real struggle. We had the same team back up from last year wit the addition of Pipes, which was great to see but as a unit, we were probably a little out of our depth in the grade this year.

We had some very good individual performances throughout the year with both bat and ball, but couldn't put it together as a team on a regular basis to put us in a position to make the finals.

We were very competitive in most of our games with bat and ball but our fielding was what separated us from the top sides, dropping far too many catches against quality batsmen, hurt us right throughout the year.

Having said this, one thing I can't fault from anybody in this team is effort and commitment. All the boys in this team kept trying all the way to the final game and despite some tough days in the field where we chased a fair bit of leather, all the boys tried their hearts out until stumps were called in the afternoon.

Although we only had the two wins this year, it was another enjoyable season spending Saturday afternoons with a quality bunch of blokes. Despite our struggles on the field we were always able to walk off the field and take the micky out of each other.

I would like to personally thank all the players that helped fill in for us throughout the season particularly the juniors, it was much appreciated.

I would also like to thank the Committee for their ongoing support of the side and to my wife Lindal for all her help every Saturday.

Cheers Boys

B5

Captain: Dharshan Sriranjn

This was our second season playing for Greystanes Cricket Club. We'd like to thank the club for letting us represent them and hope we've done the club proud even though we didn't do as well as our first season. We made a huge jump up from playing B9's last year to B5's this year. We headed in the season doubting ourselves and what we were capable of. However, we managed to put up a good fight every round and came out the other end with several wins. We finished fifth on the ladder this year, just missing out on the semi's with a few disappointing losses in must win matches in the last few rounds. The boys trained hard and improved their overall performance playing against good sides each week. We've come a long way from when we first started playing and the boys are continually looking to work on their technique. A few players put their hands up this year to take on a more senior role in the team after several injuries/incidents throughout the season prevented our regular bowlers/batsmen playing key matches. Chiranjeev took up the role as wicket keeper this season and did an excellent job holding onto most catches. Krishanth put in a lot of effort behind the scenes and needs a notable mention for looking after the side throughout the season and getting training organized as well as making sure players were present on match days.

The following players achieved great stats over this season:

- Kurt Seagrave (Hat-trick against Pendle Hill Colts)
- Kurt Seagrave (Batting aggregate of 245)
- Dharshan Sriranjn (Batting average of 29.88)
- Kameendran Sivarajah (21 wickets with a bowling average of 11.71)
- Chiranjeev Grewal (11 catches for the season)

B6

Captain: Jeff Borg

2012-2013 was another good season for the Greystanes B6 team, with 7 wins, 4 losses, 2 draws and a tie. The season ended by once again making it to the semi-finals.

Round one was memorable as we 'tied' with Wenty Leagues, after a 99 run last wicket stand between Matt Bates and Steve Mifsud. Wenty got off to a flyer until a hat trick by Wayne Barton evened us up, and their last batsman were unable to get the winning run.

After having the bye in round two, we looked forward to securing our first win, but struggled to get back on track after losing against Baulkham Hills, a team we have had some great battles with in the past, and whose competitiveness is only matched by our own.

Round four launched us into a purple patch of run scoring, which would see us score 200 runs in each match over the next four rounds. The only downside during this period was a loss to Supersonics, who batted most of the day to chase down 224 in temperatures exceeding 40 deg. At this point they remained unbeaten, and later became the yardstick we would measure all other performances against.

Our last game of 2012 in round eight concluded with a good win against Wenty Leagues to finish the year on a high. We started the new year the way we finished 2012, with another good win in the one day game against Baulkham Hills. On a day when rain seemed ominous, we rolled them for 84 in almost 34 overs after sending them in. We got the runs before it rained to cap off a great day.

Rounds eleven to fourteen were a mixed bag. Draws due to rain against two top teams, VOT and Supersonics, a 1st innings win followed by outright loss to Seven Hills after a sporting declaration caught us a couple of runs short, and finally a win against Hills Barbarians in the last round.

We met VOT in the semi-final. To say we chose the wrong game not to turn up with bat and ball would be an understatement. VOT rolled us for 76 after we won the toss and batted. They bowled with pin point accuracy all day, and got the wickets they deserved. The only batsman in our team that weren't out bowled or LBW, were caught by the keeper! WOW!

Their batting didn't seem as sure as their bowling. We thought we might still have a chance when we had them 7 for 103 overnight. But centuries to the patient opener, and their No. 8 batsman sealed our fate. We were beaten by a much better team and our guys took the loss on our chins. Well done VOT.

Some special mentions go to our best batting and bowling award winners, Stephen Michaels and Stephen Mifsud respectively. Also to Wayne Barton, who recovered from a serious eye injury incurred at training whilst batting, to play the last few games. After securing a hat-trick in the first round, the season didn't flow the way it seemed it would for him. A gutsy effort none the less!

Thank you to all our B6 players who make the game so enjoyable to play. You're a privilege to captain.

Finally, thank you to our committee for all their efforts keeping Greystanes Cricket Club rolling on year after year. Cheers guys.

B10

Captain: Jack Nicholls

The B10 boys had a tough season, and struggled for leadership due to the loss of our long term mentor Terry Hoban. We struggled early in the season to score 100+ runs in an innings and couldn't hold our catches, costing us some close games. Despite the early negatives, the boys finished the season with a flourish only losing one game in the New Year.

Some rare highlights of the season included, declaring on 7/340 against the soon to be competition premiers. Pip scoring his maiden century (138), Daniel being left stranded on 99 against Pendle Hill, and Gary's inability to score a run in his first 4 innings in the season.

In the end, the boys had an enjoyable season consisting of many ups and downs. We would like to thank Tom Adams for persevering with us the tough times.

B11

Captain: Adam Ottavi

The 2012/13 season saw the recreation of a team steeped in history and tradition, the B11's. The team was made up of mates who have been playing cricket with one another for 3 seasons previous, knowing each other's strengths and development areas. One of these development areas was definitely the ability to attend weekend matches on a regular basis. And so it was that the B11's became the revolving door of the Greystanes Cricket Club whereby through the actions of Tom Adam's, we were able to field a team on most occasions, 11 players. Special thanks must go to Tom and also a very right talent in Mitch Gambin who became our adopted mate who reminded us constantly that we were now the aging brigade. Without them, we would have struggled most of the season.

I saying all of the above, the boys all put in a valiant effort and came up with a few wins during the course of the season against credible opposition (including Grand Finalists Baulkham Hills) which made me wonder why we couldn't put a level of consistency together to form a real threat, then I remembered that our team only had a nucleus of 7 players with the rest coming in and out as required. Nick Azzopardi led the way from an improvement perspective, regularly surprising me with his fielding work and improved batting performances. A new addition to the team was Matty Seckold who proved to be a massive asset to the team in both the bowling and batting stages. Tim Randall must also get a mention for his ability to remain calm and score plenty of runs under some immense pressure.

Finally, I would like to mention Matt McMahon who on more than one occasion helped me out by providing his time and efforts in keeping this unruly mob in order.

Thanks fellas for a good season, if you haven't rated a mention, bad luck. Try harder or turn up and you may get a Guernsey ☺

Adam

Captain: Jim Sultana

Another season gone! It seems to happen too quickly.

Although our results do not look impressive, the team did perform well.

The highlight was the Juniors stepping up and making strong contributions to the team. All the boys played well and it also reflected in their junior teams as well.

I'm sure I can speak for the other senior players in the team, that there was a sense of achievement that Stuart, Jake and Peter were called up out of our ranks to play grade cricket for Parramatta at various stages of the season. Even though the call up affected the team performance when it occurred, the bigger picture was the development of some outstanding up and coming cricketers.

We know these three boys plus young Daniel have a bright cricket future in front of them.

Once again, all the senior players in the team were more than helpful throughout the year.

I hope to see you all again next season.. Lets show what a team of old buggers can do when we put our minds to it.

Jim Sultana

Congratulations on a great season boys, after our end of season rounds, we were third on the table with one outright, 5 first innings, 2 draws and 4 losses, which is not too bad. We still needed good cricket to be played to go any further but with five players with runs over 200 and two bowlers with over 25 wickets, we could do it!

Playing away against Baulkham Hills at Ted Howard, a small ground, we lost the toss and were sent into bat which was ok with me. We were all out for 196 in the 58th over, not too bad all round effort with the bat and one for 29 after the first day of play. Day two was a long dragged out day. We ended up rolling Baulkham Hills for 159 in the 52nd over. Good job and into the final. Not sure who we were to play but being the best team all year, were favourites which we lost twice to throughout the summer. They ended up getting beaten so it was Greystanes vs Hills Barbarians. Unfortunately due to the B6's missing out on their final, our game was moved to Roberta Street. I was quietly confident but not sure as we lost to Hills in the only game we played this year by 10 runs, although we were playing on a large ground at home which I thought would suit us better. We won the toss and chose to bat and bat we did, scoring 289 all out in 66 overs with scores from Morg's 80, Hayden 56, myself 61 and Galb 44. Good all round batting effort! Day 2 was a great day to bowl. We started well, one for 29 then four for 87, to have them all out for 133 with Hayden taking 3, Morgs 2, Chris 2, Steve 2 and Gabe 1, all bowling well. What a great win, proud of all who'd played and special thanks to Tony and Steve for missing out in the final which, after my first year as a skipper was a tough decision to make. Over all, great win and a great year. Thanks boys and I hope to see you all next season with Greystanes.

Just one more thing, these guys average age is 14 wit 9 under 16. They have a long and great cricket career in front of them.... Last but not least, a big thank you to Rod Mackander for putting this team together and the time and effort he puts into these players.

Cheers, Chris Mathews.
