PRESIDENTS REPORT

Another cricket season has come and gone in the blink of an eye. It seems that no sooner have the whites come out of the cupboard and it's time to pack them back away again.

As usual my report is based on saying thank you and the first one must go to our major sponsor, the *Coolibah Hotel* for their monetary support, use of the hotel to run our raffles and providing us with a great venue for our senior presentation. The senior presentation was well supported this year and a great night was had by all with a good feed, drinks and company.

On behalf of all players and parents, I want to thank the Committee members - Dave, Terry, Rod, Ann and Wayne and our raffle sellers. As always, a special word of thanks goes to Tom for all his hard work and dedication to our cricket club.

The Milo Have-A-Go proved to be once again a popular activity for the little ones, both boys and girls. Thank you to Wayne, Rod and Wendy for running the canteen and providing snacks for all those at Have-A-Go.

To all our coaches and players, both senior and junior, I want to thank you for your commitment to training and effort on the field. A special mention should go to the scorers for every team - your help is greatly appreciated. Thank you to all our parents for supporting the children while they take part in this great sport, getting them to training, ensuring they arrive for all games on time and of course the laundering of those whites.

We had mixed results on the field this year, with many teams narrowly missing out on the finals. Congratulations go to our Under 15's who had a great win in the grand final - a great effort boys and hopefully you can follow up this year to make it four in a row.

Don't forget registration in August and I hope to see everyone back again for another season. Until then, catch you later.

Malcolm MacKander,

SECRETARY'S REPORT

Welcome to another end of season report. Congratulations to all the teams, coaches, managers and captains. This season was a mixed one with only the U11/1s, U14/2s and the U15/1s making the finals and the U15/1s winning with the U14/2s and U11/1s being runners up.

I must thank a few people, the first is Tom Adams for running the Friday night raffles at the Coolibah Hotel, the main source of the clubs funds. A big thank you to Wayne Earl and Rod MacKander for organizing the In-2-Cricket for the boys and girls under 10 years. To all the committee, thanks for your time.

I hope to see many of you at the AGM, the first Thursday in July.

Anne Ryan
Hon Secretary

TREASURER'S REPORT

Another year has passed and the club is in a good financial position due to another year of sponsorship from the Coolibah Hotel and we thank the publican, Sean Leavey for his assistance. While on the Coolibah Hotel, we thank the members who run the raffle on a Friday night, who are Dave Mandic, Terry Hoban, Wayne Earl, Trevor, James, Simon and all the others who helped.

This year we gained a new sponsor P.B.T. (Professional Building Team) which is owned by one of our senior players Peter Nahlous, welcome aboard hope to have you again next year.

On a personal note, I would like to thank our Secretary Anne for all her help with the paperwork and our committee who run this wonderful club.

Also many thanks to Charmain Barton for typing this report.

Manager: Michael Laybutt

It is not often as an adult you find happiness in waking up at 7am on a Saturday morning. Cricket season 08/09 was one of those times.

A great first year of cricket it was for the boys, parents and coaches. The progress made by the boys this season was amazing. This was shown in our final game of the year with the boys giving away only twelve sundries in 36 overs to the opposing team. Many older teams would struggle to accomplish this statistic.

This improvement caused a bit of stress for the opposing team supporters in the second round of the year, and nothing but praise and admiration of things to come, in the following seasons for the boys.

A special thank you must go out to all the parents. Their assistance whether it be scoring, controlling the mini canteen, getting batsmen ready or maintaining some sort of control with the kids throughout the year goes a long way to help maintain the coaches sanity.

I hope to see all the boys next season.

Matt Bensemann

A very enjoyable year was had by all concerned including players and parents. We had a great group of boys who tried their best on every occasion and it was great to see them improve during the year. For the majority of the team it was their first year of cricket and the difference in their abilities from the start of the season, to the end of the season was very satisfying. Everyone improved and I think had fun. Well done boys and we all look forward to seeing you again next season. Thanks again to all the other parents who helped out throughout the year.

Under 11 Division 1 Coach: Rodney Mackander
Finalist Manager: Cameron Donaghy

Wow, what a year.

From my point of view, we achieved more than I expected in our first year in real cricket Division 1. Yes I was upset that we lost the grand final but so excited that we got there. We will be better for the experience of a big game.

As a team we were unreal. A special mention to Jake, who was our captain and showed maturity way beyond a 10 year old. The boys followed him without question well done boys. We have a very strong core group and with plenty of practice from all the boys, we can only improve.

Parents, THANKS, you give me the job of teaching your boys this great game without question, and that helps me greatly. Mark, thanks for a great scoring job. Cam and Joe, thanks for your efforts at training - Cheers guys. Micky Stretton, thanks for your input with the keepers, you'r welcome any time. To my Saturday supply of coffee, guys, I can't thank you enough. Lastly, I would like to congratulate Jake and Glen for their selection into Parramatta reps. Jake as captain is a huge pat on the back.

Well done boys. Bring on 09/10. Giddy up.

Under 12 Div 2

Coach: Craig Noble, Scott Scheibel & Les Romero

With most of our team from last year backing up, along with some new faces, we had a good basis to work with for the year.

As a team, we just got better as the season progressed. Without exception, every boy improved their cricket in some shape or form. The team has a lot of potential and on our day, we can give the top sides a run for their money. We showed that we were a very good side, coming back from a shaky start at the beginning of the year to finish 3rd at the end of the season.

Unfortunately, we saved our worst batting effort of the year for the semi. Our bowling, as it had done throughout the year, nearly saved us, but we just didn't have enough runs to play with. We will learn from this and be better players and a better team next year.

To the parents who came and supported each week and to Gary and Greg who scored throughout the year - Thank You!

We hope that all the boys enjoyed themselves as much as Scott, Les and I enjoyed coaching you. Hope to see all of you back next season.

Under 13 Div 2 Semi Finalist

Coach: Jeff Borg and Terry Hoban

Season 2008/2009 bought this team their first taste of semi-final cricket. The path to the finals was not as easy as we would have liked, and was made difficult by some good opposition team performances. It appeared each time we had a crunch game, our opponents summoned additional spirit to overcome our attack.

We ended up playing the leaders, Baulkham Hills A, in a 1 vs 4 battle. Having played out a rain affected draw earlier in the season, where we had rolled them for a modest total in the first week. We thought we had more than a good chance against them in the semi. However, it was not to be. Winning the toss, we chose to bat, but found it extremely difficult to score runs, due to their immaculate line and length. We were rolled for 76, and they were 6 wickets down when they passed us.

The boys should be proud of their efforts. Hopefully, the taste of finals cricket will be enough to urge them onto one more game next season.

The past season was memorable for many reasons, not least of which was the emergence of several boys who had yet to stamp their name on the game. As a coach of juniors, the challenge is not always to make good players great, but also to concentrate on the fringe players, who may not yet realize 'they too can play a key role in the teams success'.

Some of these players were Marc Reitano, who showed great improvement with his fielding, in particular, catching. Nathan Sharpe, Lachlan Hallab, Ben Cronan - batting, and Matthew Versace - bowling and wicket keeping. A pleasant surprise came in the efforts of Matthew Seymour - bowling, Paul Lamerton - batting and last but not least, Conor Dewar (whose batting feats were prolific) all of whom had not played with the team before.

Thanks go to the parents Wayne Seymour and Rocky Versace, who looked after the bulk of the scoring for the season, and to the rest of the parents who assisted throughout the season. Special thanks also go to 'co' coach Terry Hoban, whose support has been greatly appreciated.

Regards

Jeff Borg

Both Dave and myself set this year as a year to try to rebuild our team from last year with several players leaving our premiership winning team.

After losing our first game, even with Cale scoring 109 n.o. out of 200+ score. With that game gone, the boys worked very hard all year, first getting to the semi finals, in a game that had all the ups and downs of a test match. Kings Langley needed 8 runs and we four wickets, we took those four wickets and went to the Grand Fianl.

Unfortunately, getting beat again by Pendle Hill. We played our final the week prior.

Great year and great effort.

Thanks for the year.

PREMIERS**

Coach: Steve Buckman
Manager: Glenn Hackenberg

At the start of the season we were chasing a hat-trick of competition wins but it started shakily when we lost 5 players from last years team. We were very lucky to get Nick and Ameesh from other clubs then after a few games we'd found 3 young fellows; Kenny Mildwater, Dominic and Sam Carusi who agreed to play their first season of serious cricket playing way above their age in 15's first division.

These boys were outstanding for us because of their infectious enthusiasm, eagerness to learn and just plain bravery in the face of fast bowling and hard hitting that they were not accustomed to.

I think this team has been so successful because the players have worked on, and taken pride in all aspects of their game. They all seem to be just as capable of getting wickets as they are of doing a job with the bat and they were by far the best catching and fielding team. Opposition teams would become totally demoralized under the pressure of a batting order and a bowling attack that didn't have any weaknesses for them to exploit. Their semi and final wins were just dominant. They also manage to find a balance between being super competitive and having fun which is difficult for players of all ages and levels. All of their achievements have come from a love of the game which I hope becomes a life long one.

Thanks to the parents for your help and support and I hope you're proud of your boys and the character you have helped instill in them.

Steve Buckman.

A Grade Semi Finalists

Captain: Garth Middleton

Following last years' success the pressure was on to perform and prove the premiership was no fluke. A full quota of sides in the grade with the return of Guildford Leagues meant a complete competition with no bye's.

We started the season well with a win against Guildford, but struggled at times for consistency throughout, always being within striking distance of the lead but never assuming it until the final round with a victory over at the time leaders Hills Barbarians to claim the minor premiership.

There were some outstanding team and individual performances throughout the season which included chasing down 305 for victory against Wenty Leagues in round 4. 112 from Bodge in round 5 against Wenty Waratahs, and a 4-304 declaration against Kings Langley in Round 6 which included 172 form Daniel Holmes, unfortunately we fell 1 wicket short of the outright points, additionally a hat-trick form Aaron Denner kept us in the game against Guildford Leagues in Round 8.

Despite losing our semi-final against eventual premiers Guildford Leagues in a rain-affected match, I would have to say we had a successful season. We had some great performances throughout and as a team managed to finish minor premiers, one step better than at the conclusion of the round last year.

We showed ourselves to be one of the teams to beat, and have proved that we are likely to be in the mix come semi-final time.

Best of luck next year guys.

Garth Middleton

Captain: Andrew Piper

We started the season well with a few wins but struggled for personnel on numerous occasions. The boys didn't quite seem to find their mojo with the bat, and we lost a few close games by less than 20 runs.

Bowling originally thought to be our weakness turned out to be our strength. All in all, the season was defined quite simply by not scoring enough runs, reaching 200 only once.

There were some great individual performances. Rodney Mackander scoring a lone century for the team in the last game, Simon Grove taking the bulk of the bowling duties and snavelled himself a couple of 5/for's.

An unfortunate conclusion not making the semi's but hope to see most of you next year. Happy retirement to those who wish to move on.

Andrew

Captain: James Sharp

Another year has gone by with the usual suspects and a couple of old faces trying their luck again. As usual, we struggled to have 11 players on the field at the beginning of the season and started with 8 or 9 turning up and putting in 110% but unfortunately only managed to beat the bye in the 1st 6 six rounds. From there, we started getting 11 and would have won 6 on the trot had it not been for some dodgy weather. In the end it came down to the final round of which we had to win to make the semi's but the pressure must have got to us and we got done.

Not a bad year considering the start we had and I'm sure if we can have 11 players turning up week in, week out, we will go close to getting the maiden premiership the old boys must be waiting for ... (I can't see any other reason, seeing as though they can no longer see their feet anymore due to overly swelled bellies).

Congratulations to all as well as those who helped us out during the year.

James

What we thought would be a good year, after winning the premiership last year, unfortunately turned out to be one of disappointment, when we could only string together a winning stream of one game, however, we did only miss the semi's by 6 runs, although nobody had a great year. We did have some good games. Two people take notable congratulations - Daniel on his first 50 and improving with the ball and also to Cale making his first senior year.

Thanks to everybody

Terry

Semi Finalist

A better than expected result for a team that was put together at the last moment.

In all, 22 players took to the field at various times during the season. Stand out performers were Matthew Bates with over 500 runs. As well as Shannon Edwards with over 50 wickets and 200 runs.

The loss of Shannon after Christmas hurt our performance but surprisingly it was his batting we missed as young Ameesh Kaul and Kris Dimeck picked up their bowling to more than cover for Shannon in that area.

Other players contributed at various times in the season with James Clancy showing more confidence in his batting and getting his first ever 50.

All the regular players put in each week and we could not have made the semi's without them. We had a lot of fun as well which made each game enjoyable.

It would be great if all these guys could back up for another season because I think we just might go a couple of spots better with the experience we gained from this season.
