Congratulations to all players, coaches, managers & supporters of our 5 senior and 7 junior teams who participated in the 2015/2016 season.

We had a very successful season on the field with 4 Junior and all 5 seniors teams making the Semi-Finals. Congratulations to the Under 12's and B8's on progressing to the Grand Final and winning it.

Thanks to Trevor Bragg and Thea Bates for running a very enjoyable In2 cricket program which nurtures the future players of our Club.

Congratulations to Wayne Earl on reaching his 30 year playing milestone and I must acknowledge Jim Sultana who has decided to end his playing days after 28 years of service to the Club.

Behind the scenes the season ran very smoothly thanks to the tireless efforts of our Secretary Steve Mifsud and Treasurer Tom Adams whose hours and hours of dedication to the Club are greatly appreciated.

Thanks also to Matthew Bates and Andrew Marscham for their assistance in organising events throughout the year including the very successful Under 10 Knockout/Pink Stumps Day & Team photos.

Thanks to our sponsors Coolibah Hotel, Professional Building Team (PBT), Beechwood Homes & Prospect Plumbing for your generous ongoing support. Please support these businesses who support our Club.

Secretary's Report

The 2015 / 2016 cricket season sees Greystanes Cricket Club celebrate its 45th anniversary. This is an achievement that we should be proud of.

During the course of this season we also raised funds through various sources to completely rejuvenate Daniel Street Park cricket pitch.

This was made possible by the below sponsorship.

- Holroyd City Council
- NSW State Government
- McDonalds
- Cricket NSW

Special mention also goes to Eric Myatt from the PDCA who assisted facilitate the funding through CNSW.

As you can appreciate this will give our kids many years of enjoyment and the result and has been phenomenal.

2015 also saw a few new faces assist the club as was the case in our In2Cricket program. A large number of the playing juniors have been developed through this initiative and this is without doubt the most important recruitment driver of our club.

Thank you to Trevor Bragg who was our new co-ordinator in 2015 and to Thea Bates who managed the program.

It would be remise of me to not take this opportunity to also encourage you to continue to support our sponsors.

- The Coolibah Hotel
- PBT – The Professional Building Team
- Beechwood Homes
- Prospect Plumbing

Steve Mifsud

Treasurers Report

I take this opportunity to advise the club that our financial position is very healthy.

I can make this comment because of the continued support from our wonderful sponsors, the Coolibah Hotel, Beechwood Homes, Prospect Plumbing, and PBT Professional Building team.

Also this year the club welcomed financial support from the Commonwealth Bank at Merrylands. The club was also healthy by way of our player members both junior and seniors.

The success was measured by having eight teams make the semi-finals from which two made it to the finals and both were crowned premiers. Congratulations to our U12's Div. 1 and our B8 teams. The committee ask that our members support our sponsors the same way they support our club.

Tom Adams

Hon Treasurer.

Greystanes Modified Red**Coach: Paul Burton**

The modified red team was a mixture of debutants and second season players at all different ages. Tuesday afternoon practicing and Saturday mornings playing different sides was fun. From the first training session and game all of the boys were keen and serious about their cricket. Our aim was to learn the rules and improve week to week, whether it be bowling, fielding or batting. I am extremely proud of the way they developed during the season.

Their fielding was outstanding and all individuals improved their techniques in different ways. It was pleasing to see the way they have developed as a team. All parents and I are proud of how far they have come. It was a team effort!

Special thanks to Tony Pearson for his dedication in scoring and organizing the lads, and to Steve Mifsud for his knowledge and keeping a close eye of the boys. With Tony and Steve's helpful hands the team has achieved great results and we have played the game in a way which everyone is proud of.

Well done Boys and I'm so honoured to have done a little bit in guiding you. I look forward to next season as we have a great side to continue with in 2016 – 2017.

Greystanes Modified White

Coach: Alvin John

If we measure success by how many games we won, then we did alright but if we measure success by how much the team has improved then we definitely came out on top. I was proud of our team which consisted of 13 players of which 12 had never played modified's before. Not only did they push themselves physically but also conducted themselves professionally by encouraging each other, turning up on time, helping pack away the kit and respecting the opposition players. There was no sledging or poor remarks from our team. The boys made an effort to turn up to training no matter what the weather was like.

We had some exceptional players leading from the front. Special mention has to be made of Rory who bowled and batted really well. You can tell how well someone is hitting the ball when your opponents move all the fielder to the boundary and they certainly did that each time Rorey was facing. Others who batted really well were Isaiah, Aarav and Aiden. In addition to Rory, Josh, Yash and Aarav had outstanding bowling averages. We also had plenty of all-rounders in Nicholas, Gurtej and Johnathan. Tom and Edward have come a long way and finished the season strong. Rohan joined the team late in the season and only managed to get a couple of games in.

I would like to thank all the parents who took time to bring their kids to training and the games even when the weather was really hot. I hope that the boys have enjoyed being part of the club and look forward to coming back next year.

U'11's

Coach: Mat Bensemann

Season 2015/16 was fantastic for all members of the team in their development as cricketers. This side came together from a couple of second year veterans and the majority making the first step up from the modified game.

This first step is a big one with all team members learning to value their wicket when batting, and trying to stay motivated for the full 55 overs when in the field.

A special thank you must go to Michelle Bragg, the team manager who ensured all team members were organized and aware of training and game day expectations. Thank you also to David Mandich, for his help at training and game days. Thank you to all the parents who helped score, umpire or maintain some sort of control on a Saturday morning throughout the season.

As a parent and coach of the under eleven side, I believe success should be gauged on the child's enjoyment and involvement in the game of cricket. Although we were not highly successful on the ladder, there would not have been a division one side in the competition that played in the 'spirit of cricket' like we did.

Hopefully we will see all the team back bigger and better for season 2016/17.

U12's

Coach: Ed Frendo

Well, what can I say about this season? I would call it a Coach's Dream. An amazing effort by all the boys in achieving their undefeated Premiership.

It has been a pleasure coaching the boys this year and watching their cricket skills develop as the season went on. Their fair play – both on and off the field is a credit to them all. The team was a very well balanced one, with a mix of first time cricketers to experienced (as experienced as an 11 year old can be) Representative Players.

The season wasn't without its nail biting moments as we did have some close calls against some very good opposition, but it was at these moments all the boys rallied together to get us over the line. The Grand Final was a very special day for us all and to see the excitement on all the boys faces as the winning single was taken – was Priceless!

A special Thankyou to Jo for her excellent managerial qualities for getting everyone organised for Training and to the games on time. To Louise, for scoring – not only the hard copy but also simultaneously running the app which kept all of us to date ball by ball, I thank you also.

Of course my sincere thanks goes out to all the parents, I can tell you that the boys and I have spoken on numerous times about the commitment it takes from you to get the boys to the training / games on time. For some of you, it can be a bit like a taxi service managing other siblings as you need to get them to other venues at the same time.

This season is not only about the Coach, the Manager or the players, it takes a group effort to make it all happen.

Looking forward to next year, to another season of development, having fun and enjoying our game of Cricket.

Ed Frendo.

U13's

Coach: Steve Newcombe

The Greystanes U13's had a good year. As I said last season, the boys have a lot of potential as cricketers. As a team we improved across the board, which was great. We made the semi-finals again, so next year the aim will be to go one better. Congratulations to Riley on taking the most wickets for the year, also taking out the best bowling average. Congratulations also to Jack Hansen on taking out the most runs scored for the year, also with the best batting average. Special mention about Jack H who also bowled consistently well all year, taking plenty of wickets and showing a lot of heart all season.

The team trophies were awarded to: Joel Randle (Encouragement Award), James Carr (Fielding Award), Connor Ford (Most Deserving).

A special thanks to Katrina for her managerial skills, also to the Mums & Dads for helping with training, scoring and umpiring.

U14's Division 2**Coach: Craig Noble**

Another season has come to an end, just when we seemed to have started.

During the year we had some great memorable wins & some not so memorable losses. What we did show was that if we performed together as a team, we could just about beat anybody in the competition.

We had a great year, going into the final round equal 2nd we were assured of the being in the semi finals. It was a tough semi final against the eventual competition winners, which was some consolation.

It was good to see some of the team try a few different roles with the team (with a little bit of encouragement), we discovered a few opening batsmen, a couple of (new) opening bowlers & notably a medium pacer who turned (successfully) into an off spinner! It's all about learning new skills & further developing their existing skills.

To all the parents, carers, grandparents, siblings & friends who bring the kids to training & support the team each weekend, Thank You! To Andrew, Karl, Glenn, Paul & Ryan who helped me throughout the year with scoring, umpiring & training, thanks very much. I very much appreciate all the support & encouragement you provide to the team.

I hope you all enjoyed the cricket this year as much as I did & hope to see you back for the 2016/2017 season.

U16's Division 1

Coach: John Olsen

What a year! After finishing on a huge high last year, we had high hopes for this season.

But things never go according to plan.

So starting a new season by moving up a division, it was a bit a mental hurdle for our boys, one that they never seemed to get over.

The boys seemed to start out well, showing determination.... It was however disappointing to see that after a few losses they seemed to give up and stop trying, not only in the games but also at training.

I think what we needed was a good win- and that just never came.

Being plagued by injuries for many different players throughout the season certainly didn't help.

A few players have had a mention worthy season-

Connor Olsen not only took out the top bowling position (for the sixth year running) with 13 wickets for the season. He also topped the batting with 165 runs. He also achieved his 100th career wicket in round 9.

A mention also to Sooriya Haran who not only was a cracking wicket keeper, he came second in our overall batting. He also stepped up and captained like a seasoned professional.

All in all boys, you played fair, tried hard, and hopefully had fun.

A special mention must also go to Gavin Marner, who week in week out was our scorer and assistant coach. You do a fantastic job.

Thank you Must also go to Steve Rothwell and Wayne Seymour who came every week. Your help and support has been invaluable.

Heres to seniors next year.

Thank you

John and Faith Olsen

Once again we had a great time playing cricket with Greystanes CC. This is our 3rd year playing with Greystanes and have made it the Semi finals twice and lost.

We had about 5 new players join us this season and it took a few games to start winning. Comfortably made it to the semis and then...

Looking forward to another awesome season this year and making it to the finals.

After a shaky start to the season we hit our strides and quickly climbed to second on the table.

After winning a few games outright we found ourselves in the semi final where we performed terribly and lost, capping off our fairly erratic season.

Special mention to Hayden Mathews for averaging better than Don Bradman with the bat and to most of our bowlers who all chipped in throughout the season.

Also like to thank the boys who I could rely on to turn up week after week, you know who you are.

Thanks for the laughs fellas.

FINALLY CHAMPIONS AGAIN!

After our dismal batting in the semi-final last year we came out and hit 236 in our first innings of this season and won convincingly, which basically set the tone for the remainder of the season.

Whilst only suffering two losses throughout the season (both to Baulkham Hills) it would have been nice for a bit of redemption to have met them in the finals, but it wasn't to be.

It's been well documented over the seasons that our batting has let us down in the past and that we rely on our bowling to get us out of sticky situations. However the last three games of the season I'm proud to say that we all pulled together as a team and batted with patience to accumulate enough runs.

It finally sunk in that if we could batt out most of our overs the runs would come and that's exactly what we did. We batted out 70 overs in the Grand Final and convincingly took the Championship with a 100 run win. Well done to all our team.

Ding Dong the witch is dead...

Congratulations must go to Keith Barton for the three centuries he hit, with my favourite being the 115 not out where he batted for the full 70 overs! Steve Hansen for his 112 not out in his backyard! Matty Bates for batting solidly throughout the season and somehow got stranded in the Grand Final (not sure how that could happen). Daniel Walker's sublime bowling again completing the season with 33 wickets at an average of just 7.7. David Mandic with probably his best spell of bowling (that I've witnessed) in the semi-final where he ended up with 5/29 off 15 overs. Jack Hansen for taking his first wicket in seniors. Thomas Barton for his run out assist and how anyone could forget, those tears of joy. Wayne Barton for finally getting that decrepit old monkey of his back.....

Special thanks must go to the following:-

Stewey Cass and Jeff Borg for letting it go through to the keeper when required.

Steve Hansen for all the work that went into the making the premier plaques.

David Mandic for managing the team and organising 12 players every week.

I would like to dedicate this Championship to the legacy left behind by Mary Aguis and Noel Barton and may they both rest in peace.

Finally well done to all our team and hope to see you all next year, raring to go back to back!

Now please sing the following song with a Jamaican/Barbadian accent ☺

Champions we're champions we're champions yeah champions....

Congratulations to the B8's and 12/1's for their Premierships. For the B13's it was a tough season with a almost perfect ending. Having lost our first 2 games outright we did extremely well to sneak into the semi finals and go down by just 6 runs against the Minor Premiers. It showed a lot of character from us to do that.

I'd like to welcome to the Club and Team Steve Hawkes, Minh Nguyen, John Crocker and Andrew Rogers. All who helped in building a strong team.

To David Ford, Andrew Marscham and Trevor Carr a big thank you for your support this season.

To our award winners Steve Newcombe, Kyle Pola, Dean Whitehouse, Billy Mackander, Andrew Rogers and young Max Rogers, Congratulations on your fine performances.

All the best and good luck next season.

Captain: Rod Baker

This season saw a few personal changes, we loss some experience but gained some young legs. Our aim was to improve on our disappointing 2014/15 season and make the semi finals.

Not only did we tick the boxes but I believe it was certainly one of the most enjoyable seasons I have ever been involved in and it was great to see so many outstanding performances throughout our side. and the guys should be really proud of their achievements.

The inclusion of Daniel Skybinsky made my job alot easier, having an older head to bounce ideas off, and was unlucky not to pick up a ton of wickets with some great line and length, perhaps too good and quick to actually find the outside edge. Eric Winchester was destructive with bat and ball as always. Ryan Noble was the surprise packet, that cover drive over the infield looks effortless, but used to great effect with Ryan achieving his best ever average, aggregate and highest score (71) and his ground fielding was excellent as always. Josh Holman was the biggest improver from last season, with more confidence in batting, a greater attitude towards the game and a knack for taking vital wickets when it matted most. Andrew Fazekas was handy with bat and ball and took some great catches.

Same goes for Glenn Gibson who even tried his hand at keeping. Daran Sarma joined us after Christmas, and made an instant impact with his bowling and care-free batting. Gary Holman was a brick wall at Mid-On and Mitch Baker saved a match or two with valuable runs. James Gibson got his first taste of senior cricket and was solid throughout the season, even bettering his father's stats in a few matches.

A big thanks must go to all the juniors who filled in for us across the summer, especially James Gibson, Andrew Marner and Connor Olsen. And lastly a massive thanks must go to our manager/scorer Micheal Baker and part-time scorer/full-time washer of half the teams whites Joanne Baker, for the majority of the work they do is not seen or even at the ground each week.

I look forward to seeing everyone back come rego time for another great season with Greystanes CC.
