PRESIDENTS REPORT

2010/2011 was our 40th season and my first as President of a club I am very proud to represent.

We had quite an eventful year with the 40th Anniversary dinner, the In2cricket program, the U10 knock out day, the senior presentation and the new style junior presentation.

All these events, as well as the season in general were run successfully and provided enjoyment for many, due to a lot of time and effort from our diligent and hard working committee and their wives. A big thank you to you all.

Thanks to our major sponsor: Coolibah Hotel for your ongoing financial support as well as providing the venue for our clubs' fundraiser, the Friday night raffles.

Thanks also to our other two major sponsors - Peter at Professional Building Team and John at Prospect Plumbing. The support of these sponsors eases all the financial burdens the club endures. For this we are extremely grateful.

We also secured six new minor sponsors this year which enabled us to provide the juniors with a training shirt. Thank you to Frank & Dino's Restaurant, Michels Patisserie Pemulway, L.J. Hooker Greystanes, Prospect Plumbing, McFarlands Quality Meats and Advanced Warehouse Structures.

On the field, our juniors had an outstanding season. Congratulations to the Under 16/2's and U14/3's in being minor premiers and Grand Final winners. The Under 13/1's narrowly went down in the Grand Final, the Under 15/2's got washed out in the semi, the Under 11/1's finished 5th and the Under 10 modified were always competitive and had a lot of fun.

Your results were a very positive reflection on all the effort and dedication applied by yourselves, your coaches and your parents.

Although the seniors were not very successful this year, I'm sure they all had a very enjoyable season.

I hope to see you all back again next season.

David Mandic
President

SECRETARY'S REPORT

This was my second year as Club secretary and again a busy and exciting year. The club celebrated its 40th Anniversary this year which is a terrific milestone for the club. An anniversary dinner was held to celebrate this special event and a big thank you goes out to all the players and their families who supported this event.

In my role as secretary, I understand that communication remains one of the key areas and we have been trying to improve all areas of communication between players and the club as a whole. In the coming season, we hope to further improve our communication by way of email on a regular basis to keep everyone up to date with events and issues involving the club.

This year we presented all junior players with a training shirt. This is a great way to promote the club and we welcomed additional club sponsors from the local community who helped make this possible. The shirts were well received by all and we are planning to continue this initiative into the future. A big thank you goes out to all club sponsors for their continued financial support.

The under 10s knockout was a success again this year with Wenty Leagues being the victors on the day. We received great feedback from all participants and we hope to continue this again next year.

Congratulations to our competition winners, the Under 16/2's and the Under 14/3's.

Thank you to Tom Adams and the Committee for their continued support and hard work during the year. Thank you to the dedicated coaches, players and their families and we look forward to seeing you all in the 2011/2012 season.

Wayne Earl
Hon Secretary

TREASURER'S REPORT

This season being our 40th year in the Parramatta District competition, I am pleased to advise the club is in a very sound financial position.

Again, this is due to the support from our main sponsors. The Coolibah Hotel, PBT (Professional Building Team) and Prospect Plumbing, I thank the publican Sean Leavey, Coolibah Hotel, Peter Nahlous P.B.T, and John Cohen Prospect Plumbing.

During the season we supplied training shirts to all our juniors which were paid for by a number of new sponsors, Prospect Plumbing, LJ Hooker Greystanes, Advance Warehouse Structures, McFarlands Meats, Michels Patisserie Pemulwuy and Frank & Dino's Restaurant.

We also raised extra funds from the Coolibah Hotel with raffles on Friday nights, thank you to the Club members who helped during the season.

Again this report was typed by Charmain Barton to whom I am most grateful.

LEST WE FORGET

During the off season, we lost a member of our club. **Les Romero** passed away on 23rd June 2010.

Les was Assistant Coach to Craig Noble with our Under 14 side this year.

Les put a lot of work into this side and this showed this season when they were minor premiers and premiers. It was just tragic that Les was not here to share the win.

Les will always be remembered by all members of this team.

Modified Red

Coach: Rajiv Chatterjee
Darren Nicholls

I would like to take this opportunity to thank all the boys for representing Greystanes this year for the Under 10 modified Red Cricket tournament. The senior boys helping out the junior boys was one of the best things as well.

We did not win many matches this season but I appreciate the team spirit and the way the boys played all the games with great sportsmanship and enthusiasm.

We had a few first timers in our team, and I saw them improve a lot by the end of the season. Thanks to the senior boys for pushing and helping them to get their basics right.

Even though I have been playing cricket all throughout my life, this year was the first time I ever coached a team. I really enjoyed teaching the boys the techniques and ways to improve their way of playing cricket. A very hearty thanks to Darren for all his help and his contribution without which it would have been very difficult to manage by myself.

Finally, I would like to thank the parents for their support for the game sessions and the practice session and bearing with us throughout the season. They have been really supportive with Darren and myself.

I hope we have the kids back playing again next season and continue moving up the levels.

Good luck to everyone and see you all next season.

Rajiv.

Under 11 Division 1

Coach: Matt Bensemann
 Manager: Michael Laybutt

What a fantastic year it was for our first journey into the world of real cricket. The boys enjoyed batting longer than eighteen balls when their technique allowed, and pushing off the sight screen for up to eight overs a day.

It was also just as much a learning curve for us parents having the pleasure to sit in the heat and humidity for a magical fifty five overs. A special thank you to those parents who made the effort to make these fifty five overs on the sideline memorable.

This Greystanes side developed in to a dominant force with some great batting and bowling performances. This was highlighted with Greystanes having the top batting partnerships for the 8th and 9th wickets for the entire competition. Also with three bowlers tied with ten wickets each, it showed that this side did not rely on one or two players to do all the work.

I cannot take all the glory for the development of this side. A three man coaching team of Mick Laybutt, Steve Wark and I tried to ensure order was maintained both at training and on game days. Also the job of scorer goes unnoticed to all except the desperate coach looking to fill the spot. A thank you goes to all parents who helped out with this stressful job.

One final note is a comment from the coach of the eventual premiers which probably summed up our year. He stated how impressed he was with the spirit in which the boys played the game, and that Greystanes had put more pressure on his boys than any other team throughout the competition. I am sure with a bit more aggressive batting and bowling order from the coach, this side could have placed better than fifth on the ladder. But hopefully all agree that in under eleven's cricket, development of the boys is more important than winning premierships.

I hope all the boys return for season 2011/12.

Coach: Rodney Mackander
Manager: Cameron Donaghy

Where to start! Again so close but yet so far, 1 game off. Despite losing another grand final to our nemesis Baulko, we really did play a good hard game of cricket just falling short. It's always a pleasure to coach but these guys are getting to the stage in their cricket careers when they are just about to leave the cocoon and blossom into young men as cricketers.

I have 13 guys in this team and of that, 6 are playing up an age group and in division 1. They are playing against a lot of good kids and they more than hold their own. Zubin is one leading our batsmen, most runs young Daniel and was one of the best leg spinners in the competition, and in an art of leggies, he will only get better and I look forward to being there with him. Billy, another playing up an age was our leading wicket taker, so it goes to show, these guys all 13 will be a force over the next few years.

What I love most of all is the way all of you get on as mates, team mates on and off the field. Glen and Nathi were very impressed with the way you guys lead the team. Be proud guys. My parents - you guys make my job very easy and it's a pleasure this year, more so than previous years. There was a very good off field feeling amongst you all. Lastly, special thanks to Cameron, Dave for really doing more on game days with the boys as my cricket commitments stopped me from being there all day - A huge thanks. And to the other parents who helped out with scoring, thanks as well. Finally to all the parents who supported the club at our 40th anniversary, myself and the club really appreciate you for doing so.

Bring on season 2011/2012 and boys get working on that tattoo designs, I'm not getting any younger and I'm sure the tattooist won't want to INK a 50 year old.

**Under 14 Div 3
Minor Premiers/Premiers**

Coach: Craig Noble

First off "Congratulations Boys - Premiers" ... What a year!

We welcomed back a couple of 'old faces' (Luke & Peter) as well as a "new recruit" (Eric), to bolster an already seasoned group of young men. This took us to 11 players. As the season progressed, they demonstrated a dedication so much so, that we never had a whole game where we were down a player!

They say a 'champion team' will always beat a 'team of champions' & I can proudly say that we have a champion team.

Looking back on our season, there were some very good individual performances, with a couple of centuries and a couple of '5 fors', but this doesn't count for much if you don't have the rest of the team there supporting at the other end in either batting, bowling or in the field. This was shown time and again throughout the year. I can easily mention each and every one of our players who stood up at some stage throughout the year and contributed to the game with the bat, ball, a catch or a run out in games when others in the team may have been having an off day. As a coach, you can't ask for any more than to have all of your players pitch in - it's what a team is all about.

Victory in the Grand Final was sweet to avenge the last round loss to Rouse Hill. The boys played perfectly. All the training, the skill work, all came together on the day. To roll Rouse Hill for 44 was an excellent start. We had everything, great catches in the field, a catch by the keeper, an LBW, a stumping and 3 fantastic run outs! Our openers nearly got the runs themselves before we lost the 1st wicket at 40. This allowed the rest of our batsmen to score with less pressure and play ourselves into winning position. At 5-119, Rouse Hill's coach came over and conceded defeat. Saying he was 'beaten fairly' (how sweet that was) was a tribute to the team and the way we had played.

The way that you played and conducted yourselves all year was excellent. You always played hard, but fair and in the true spirit of the game. Les would have been very proud. As I am.

We also have a champion group of parents who come along supporting the boys (and the coach) each week. Thank you,, Gary for scoring all year and to Mick & Chris for assisting with the umpiring. Also, thank you to John for helping me out with running training for me a couple of times during the year - much appreciated.

A special mention to all the families who helped organize our home ground canteen, provided food, helped with the BBQs we had and generally making the whole experience for the team and myself so enjoyable.

Also, well done to the boys for a great effort in the Weet-Bix Twenty/20 cup. I'm sure you all enjoyed the experience.

Hope to see you all back next year to defend the crown!

Craig

PS: The Parents hold the "Parents v Sons" trophy! Maybe you can try and get it off us next season

All in all, the boys had a reasonable season. Unfortunately for us, at the crucial times, no one stood up and grabbed the other team by the "bails"! as they say.

Our captain Matt Seymour led the way in both batting and bowling and formed a formidable duo with Kevin who has great potential as a strike bowler. The change bowlers Marc, Lachlan, Matt Versace, Ricardo and David all showed skill and cunning when bowling their crafty medium pacers. Our "tweeka" stocks are not to shabby with Ben, Hayden, Robert and Mitchell all having a spin. Daniel in his first year as keeper was impressive with plenty of catches and a couple of stumpings.

As a team our batting was streaky with solid starts met with poor shot selection and execution bringing us undone. Congratulations to our captain though who scored a century.

In a roller coaster season, we did make the semis but unfortunately the game was a washout and they way our season was we would have got the runs, but there's always next summer.

After losing another grand final the year before, our only target was to make the 2010/2011 grand final and win it to finish Dave Mandic and Terry Hoban's coaching on a high.

We started the year introducing 3 new players to the side from the year before - Zac, Josh and Thomas. These boys gave everything throughout the year and improved greatly.

After the first game, we got away with a good win and didn't look back finishing the season with no loses.

Throughout the season we had some notable battles in our own team Cale outing Paul in the last game to beat him by 3 runs. Todd versus Jack to take the bowling trophy away from him for the first time but Jack claiming bowling average but not most wickets. And a host of big improvers this year: Wade, Josh, Paul, Jed and Zak all scoring their first 50's for the club.

In all, after coaching the boys for the past 8 years and seeing them grow into men, it has been a privilege for Dave and myself to thank them and their parents.

Good luck in your cricketing future and I hope to see you next year.

Well guys, I'll keep it short. It was a good season, full of fun and laughter which is what it is all about. We trained hard and just missed out on the semi's.

Hopefully we will go a bit further next season. Hope to see you all back next season cause it's easy to be captain when you have a good bunch of blokes in the team.

A special thanks to Darren Crittenden (Bum) for filling in for a few games and also Andrew Piper and Steve Michaels for a game when we were short.

See ya next season.

B1

Captain: Andrew Piper

I don't think I would be out of line by saying this was a long season boys!

It didn't look like it was going to start well when we turn up to our first game and there were only 7 of us to take the field after a promised 11. By the end of the season, we ended up having 12 consistent players mainly due to Ashley Dooberly's facebook friends.

For a team of blokes, some who have been out of the game for a year or 20 (Wayne Bills & Scotty "The Glove" Hamilton), I think we gave it a good shot. There were glimmers of brilliance throughout the team, each having their own influence on the game. It is a shame none of these moments co-insided with one another.

Fortunately, we did win one game. Twelve games in, we finally thought our winning streak had begun.

... We thought wrong!

It was our losing streak which we had ruined.

Overall, the camaraderie of the players was exceptional, one of the strongest and committed teams I have served with, especially with our list of results. Some good friendships have been established and we look forward to seeing the boys next year. A big thank you to Matt Rankin (Pugsy) for sharing the leadership role this year. Good job boys! September here we come!

B3 Finalists

Captain: Ian Apps

When we found out we were playing B3's at the beginning of the season, a few boys were a bit worried about how well we could compete. Well though fears disappeared by round 3 and we ended up having a very consistent season.

At times we struggled having 11 players turn up but to the boys' credit, they put in week in and week out.

Finishing the season in third spot, we played arch rivals Seven Hills RSL in the semi's and lost a close one in a rain reduced match.

Standouts for the season were Lyle Grundy, Shane Jackson and Scott Freakley with the bat. With the ball, all the boys contributed taking wickets with the honours going to Ian Apps.

Once again, I would like to thank Greystanes Cricket Club for providing the opportunity for us to play the game we love.

Ian Apps.

B6 Semi Finalists

Captain: David Mandic

2010/2011 was a very inconsistent season for the B6's. We never strung together more than two wins in a row, but never lost three games in a row.

We played some good cricket towards the end of the season giving the top two teams a good run for their money, but they proved to be too good for us. Once again our batting let us down, only scoring over 200 runs once all year.

We had three welcome additions to the side with Steve rock solid in his openers role and in their first year of senior cricket, Lachlan and Jack's exuberance in the field and with the ball reminded us of what it is like to be 16 again.

The highlight of the season was Wayne's maiden century - 104 no scored against the top team Kings Langley, the last 20 runs scored on one leg. Too bad the rest of us couldn't score a few more runs to add to the total.

Despite not getting to the grand final this year we had a very enjoyable season on and off the field. Looking forward to next season.

B11

Captain: Jim Sultana

Another season gone by. Although our stats look poor, it was actually a BIG improvement on the year before.

Some may say 3 wins is not good but when you had no wins the prior season, it is a big improvement. In fact, out of the 12 games we played, we were competitive in 10 of them for the 3 wins on first innings and missing first innings points by very narrow margins in the other 7 games.

At the start of the season, we thought we would bat well and make descent scores and hope our depleted bowling attack could keep us in the game when in fact it was our bowlers who performed well above what was expected and our batting which let us down. That aspect of our game was disappointing as we had several players in our team who in my opinion could bat a lot better than they did.

It was good to see the improvement of the boys from the 16s in our team. They listened to the advise from the senior players and the improvement and confidence improved in each game.

Some of the season's highlights have to be mentioned:

- Todd's first 10 wicket haul in senior cricket
- Veterans Reg and Jim also bagging 5 wicket hauls
- Jed's athleticism in the field
- Josh's underpants run at North Rocks in the pouring rain.
- Gaz Nagy coming out of retirement since 1978 and bagging a 5 wicket haul in our last game.
- Gaz Nagy also taking a hit for the team and proudly showing the purple and black trophies to one and all at the pub. It gave new meaning to the phrase - "take the pain but leave the swelling!"

To all the guys, thanks for a fun season. Hope to see you all back next season at the Club.

Jim
