PRESIDENTS REPORT

It seems like only a few months ago I prepared the last report, but yes another season has come and gone. Sincere thanks to our Committee members, Tom, Dave, Terry and our raffle helpers. The work these guys do is all voluntary. My thanks go also to the Coolibah Hotel for their continuing sponsorship.

This year saw us hold the Under 10's knockout for the first time in a few years and a great day was had by all.

The Milo "Have-A-Go" ran over a period of 10 weeks on Friday nights and is proving very popular with the little ones. This gives them a chance to throw, catch and run. My thanks to Simon, Wayne and Rod and all those who help run this worthwhile event. Thanks also to Wendy for looking after the canteen. I can highly recommend the sausage sandwiches that are sold every Friday night, and have been known to knock down 1 or 2 while helping out.

The Club enjoyed a good year with mixed results by the senior teams:
B2's were winners in their grand final
B5's through to the grand final but unfortunately lost
B7's also through to the grand final but couldn't finish with a win

My thanks to all the boys for taking part this year and playing in the true spirit of the game. I hope to see everyone back again for the 210-2011 season.

Catch you later

Malcolm MacKander

SECRETARY'S REPORT

The 2009-2010 season was my first as the Club's secretary and the year has passed extremely fast. From the first day, I was busy trying to ensure we had better ways to communicate with our parents and players, this was done by establishing our own domain name www.greystanescricket.com.au and linking it to the MyCricket website (a big thank you to Christine Aitken for all your efforts to help make that happen. In addition, we now have a dedicated email address for club correspondence greystanescricket@bigpond.com. I hope that this initiative will continue to enable parents and players to communicate with the Executives of the club.

This season the club re-introduced the U10's knockout after a 10 year hiatus. The event was held at Ted Burge Reserve with 6 teams attending from the Parramatta District. The feedback from all teams was fantastic and I am sure Guildford Leagues will be back next season in an effort to retain the title.

This season also saw the club purchase drink bottles for all the players, both senior and junior. The feedback was very positive and we welcome any suggestions as to how we can continue to add value to our players.

IN2cricket was a hit again this year with many first time children in attendance. This program continues to be popular with the local children and parents alike and provides a breeding ground for our teams in future years.

On the field all teams did the Club proud with many players achieving personal milestones throughout the year and a number reaching the finals. In particular, congratulations to the B2's for winning the Grand Final and to Billy Mackander, Glenn Donaghy, Jake Mamone and Patrick Nicholls for being selected in Parramatta District representative teams.

My thanks to Tom Adams and the Executive Committee for their continued support and hard work and we look forward to seeing you all again for the 2010-11 season.

Wayne Earl
Hon Secretary

TREASURER'S REPORT

The 2009-2010 season has passed with our club not performing in the field but the club is still holding well in the financial field.

The club had only.

one team our B2 side win their competition defeating minor premiers Guildford Bowling in the final - Congratulations.

Other teams to compete in the finals but were defeated our U15-2, B5 and B7 sides.

On the financial side the club is in a very sound position, again being sponsored by the Coolibah Hotel and the professional building team I would like to thank the publican of the Coolibah Hotel, Sean Leavey and Peter Nahlous, owner of P.B.T for their support.

As well as sponsorship, our hotel raffle is another revenue raiser for which I thank our members, Dave, Terry, Wayne and Mal, who give their time on Friday nights.

Please support our sponsors where possible, with a night at the hotel or for any building work, contact Peter Nahlous, owner of P.B.T.

On a sad note, our founding and life member Jack Janmaat passed away during the season and we extend our sympathy to his family.

Once again, I thank Charmain Barton for tying this report.

Modified Blue
AKA The Invincibles

Coach: Matt Bensemann
Manager: Christine Aitken

It was great to see the majority of boys return from the previous season, and what a difference a year makes.

The modified blue team have progressed a long way from a team that managed a solitary win from season 08/09. This team were undefeated for season 09/10.

Developments were made in all areas of the game, but the greatest achievement that all the boys made this year was putting a value on their wicket. As can be seen from the years statistics a special mention must go to Murray, Matthew and Tait who each were only dismissed once for the entire season.

Jake also deserves praise dominating the opposition bowlers and having an aggregate of 100 runs for the season, and Nathan must get a mention for his massive six hit the first ball of his innings.

In the field the boys attacked the ball, caught well and backed each other up when required. Taking five sharp catches in one game was the teams fielding highlight. A special mention must go to Mitch for his classic catch in the second last game of the season..

When bowling all the boys realised a good line and length is better than bowling flat out. Kyle, Thomas, Connor, Ryan and Sooriya bowled extremely well throughout the year.

Danajay played very well before Christmas and Shyaam continued to develop in his first year of cricket.

Overall, I would like to thank all the parents for their efforts. Whether at training, scoring, umpiring or helping to maintain some sort of controlled chaos in an enjoyable season 09/10. I hope to see the boys and their families in season 2010/2011.

Coach: Darren Nicholls
 Manager: Patrick Cuskelly

I would like to thank all the boys for a very enjoyable season. I would like to congratulate them on their attitude and willingness to learn at training and in the games. It is not easy standing out in the hot sun for hours on end.

Under 10s is not all about winning and averages but about learning the game of cricket and enjoyment. I hope the boys did both of those this year. In a couple of games we provided fielders to the other team which is what cricket is all about.

Having said that, for a team where a lot of the boys had not previously played, we won five matches and lost five matches (we had two not out results due to rain). That is a fantastic effort. The winning certainly added to the enjoyment of the season. In one particular innings we lost no wickets - a great achievement.

I would like to thank all the parents for their support throughout the year and bringing the boys to training and the games. I would particularly like to thank Patrick Cuskelly for his invaluable help as assistant coach - it certainly made my job easier. And I would also like to thank Ray for his help doing the bulk of the scoring and helping out when I was unavailable.

Hopefully all the boys will continue playing cricket in the future.

Darren

Another year under the belt and again I must say how proud I am of all the boys. They mature every year and it's a delight to watch them grow into young men. I would say the year was steady from all the boys and it seemed like we were all waiting to explode but that didn't come until the last 2 or 3 games which is when I suppose you want the guys firing.

The semi final saw us go down to our nemesis again by 2 runs.... It was a coach breaker ... no one at fault as it was our best game of the year. We fielded first and kept them to a low 90 runs. We fielded perfect and a special mention to Timmy who had a great day behind the stumps with a couple of stumpings and a couple of run outs. Batting day two, we were steady again with a couple of good partnerships and needing four runs in the last over, I couldn't watch. Unfortunately a run out was the final wicket with 2 balls spare and two runs shy. I tried to find them but just couldn't.

On the day, the better team just won and they went on to win the grand final.

Lads, lets keep positive for the upcoming season and I hope you all return next year to try and get that elusive flag. A few thanks from me go to Cam, the team manager, for being a great right hand man, looking after the guys when I was unable or leaving early. To Brian and Joe, to you guys also thanks for running the guys through a few drills and also the occasions when Cam and myself were unavailable. Thanks again. A massive thanks goes to Mark, our scorer, for a fantastic job. To the parents, thanks for enabling me to coach them for another year. I appreciate the trust and the fact that you're willing to sit back and enjoy watching them go. Thanks guys.

Regards,

Rod

What a year! We started off with half of the team from last year deciding to take on other challenges (as if cricket isn't a big enough challenge!). With that we had 5 new eager players join the elite ranks of the under 13s.

We started off the year with a blaze of fire - chasing down 186 only for our last batsman to be given out (in a questionable decision) on 185, the remaining season looked bright. And bright it was...

Coming together as a team (& as individuals) we improved with each game. Players started to find their form and some great team and individual performances were shown during the year.

In the race home to the finals, we played some of our best cricket and showed the leaders that we were a serious threat. To have the top three teams 'on the ropes' in the last couple of games showed them that on our day, we were a team not to be taken lightly.

I have to say that if there was one game that defined our season, it was one of those boiling hot days after Christmas when we played Seven Hills with only 7 players. Batting first and scoring a gutsy 70 odd runs, we knew that defending that total and fielding would be a huge task. With the bowler and wicket keeper, we had only 5 fieldsmen. We had more holes on the field than swiss cheese!

What can Les and I say... some times as coaches we are privileged to witness not just outstanding cricket, but a resolve by each player to play for their team mates and never say die! Our boys bowled tight, took every catch that came to them... plus, one of the boys had to go off due to the heat - 4 fieldsmen - where to put them? Two on each side and hope for the best!

To say Les and I were the proudest we could have been when the boys walked off the field having bowled out the other side for 50 odd runs would be an understatement. This typified the strength within the team and what a team we had!

We made it to the semi finals, gave the eventual winners a fright and received a compliment from their coach, that we were the best side to have played them - what more could we ask for from our boys!

To all the boys - thanks for your efforts during the year, hope you enjoyed the season. To the parents, thanks for your weekly support for the team and the support shown to Les and myself. To Gary and Mick for scoring throughout the year - a BIG "Thank you".

To my co-coach Les - your love of the game and to see the pleasure that you get from seeing the boys play is enough reward in itself - Thanks for your support, knowledge, wisdom and friendship.

Hope to see you all next season.

Craig

This should have been a good season being semi finalists last year and having the same team with only a few changes from last year.

The boys performed well but were often beaten by a dropped catch or a missed run out. Some individual performances were outstanding; Conor's 167 and 115 no; Lachlan's 78 and also David's 78. Again injuries did not help for some games and we thank Jacob Baskerville for filling in. Also Matthew and Conor had a stint in our B11 side in the senior competition filling in when they were short.

The season could have been better but maybe next year.
Thanks to the parents for their support in running the side during the season.

We entered 2009/2010 season with 10 regulars plus 2 new players in Reece Davis and Todd Parkes.

Reece through his efforts and willingness to learn developed from never playing before to becoming a more than handy cricketer and Todd who definitely does not lack self confidence, showed us with his opening bowling displays that he can not only talk the talk but can walk the walk.

This season was a real team effort with different players excelling to win us various matches, which took us to the grand final against Wenty Leagues.

Due to undisciplined batting by most, we were only able to set Wenty a total of 102 to win

We tried our best but unfortunately Wenty passed our score only 5 down.

Thanks to the parents for all your support. Thanks to Anne for giving up your time and scoring for us again.

Thanks to the boys for a good season and for some of them, seven good seasons.

We hope to see you all again next season, so we can win the Under 16 premiership in your final year of junior cricket.

Captain: Daniel Holmes

After the success of finishing minor premiers last year and premiers the year before we went into the season with high hopes despite losing a few major contributors to the team, one to Melbourne (strange move I know) and one to the pub (hard to fight against this one). However with these losses, we did receive a few new faces which helped to fill those holes that were left.

Unfortunately the season got off to a rocky start with lack of numbers and injuries severely hurting us before the Christmas break losing a few games which we all feel we should have got across the line. All year, we did struggle to get runs on the board, but even in not doing this we still always remained competitive. Despite the slow start we did manage to hang in all year coming down to the last round for a playoff for fourth place but as it did throughout the year or batting letting us down.

In spite of our disappointing premature end to the season, as always it was enjoyable to turn up to cricket each week and have fun with a very good group of mates. There were some highlights through the year with Matthew Pickham taking 9 wickets in one innings against our 'friends' Hills and Laurie Wallis snaring a hat trick against Baulkham Hills to help pull a win out of the fire. However, one of the main highlights of the year came before a game with a sprint race between Brett 'I will run barefoot' Moore and Roni 'the black flash' Kumar. All year, Roni had shown no pace at all in the field and seemed a very easy target for the barefoot. Moore to move to the bottom of the sprinting table, however, the only thing Moore received from the race was a good view of Roni's behind and a lighter pocket!

As always boys, look forward to next year and getting back to the top!

Daniel

**B2 Grade
Premiers**

Captain: Simon Grove

We took to the field with only eight players for the first game and after a good flogging it looked like it was going to be a long season, however, the core of the team was strong and the fielding standard high. Luckily we found a few extra players for the second game and were in a solid position before a second week wash out. The match to follow was one to remember with only eight players for the first week, we turned in a good performance with the ball rolling them for 95 only to be subsequently dismissed for 56. What happened next was extraordinary, rolling Wenty Leagues for 25 with each of their ten wickets bowled. After winning that game outright, our next task was Guildford Bowling, it was a good contest which we narrowly lost outright finishing just 20 runs short of victory and being a man down in each innings. Round seven proved the next challenge against Baulkham Hills and produced a thriller chasing 186, we finished on 181 with Andrew Piper left stranded on 86 amongst a scorebook littered with no less than 6 ducks. Our long awaited rematch with Guildford Bowling, the undefeated competition front runners, would have to wait to the finals after they forfeited on the grounds of a bucks party?! Finishing the regular season in second place, we took on Baulkham Hills in the semi final at Greystanes Sports, we each contributed to a score of 171 but were under pressure going in to the second day with them 0/40 overnight on a small ground but a spirited bowling performance including Rod Mackander's four wicket haul accounted for the visitors who finished on 135.

The grand final showcased the two best teams of the season. Guildford Bowling went in undefeated and very confident after making 300+ in their semi final victory. We won the toss and batted. The start was not ideal, losing a wicket in the first over, however, we recovered to finish on 175 with good contributions all around, including 45 from Shaun Perkins playing with a torn hamstring suffered fielding the week before. What happened next was unexpected. Their skipper, coming off a hundred, got a nick first ball of the innings and was under the pressure we never let up from there, having them 7 down overnight. We finished them off quickly the next day for a total of 57. Simon Grove finishing with five wickets for the innings and wicketkeeper Scott Murray, five catches. After some discussion, we chose to enforce the follow on and send them back in. They got away to a flyer, with their two danger men opening the batting however, the pressure of needing to set a big score quickly proved too much and after having them 4 for 115, the tail yielded losing their final six wickets for just four runs. Chasing two for outright victory, Dean Lapouple, who joined the team part way through the season, was given a promotion to the top of the order and had no trouble smashing the first ball through square leg for four capping a remarkable victory and a special season.

Other special mentions for the season include Rod Mackander's season long slog-a-thon clearly leading the batting aggregate, Shaun Perkins joining in on the action averaging 55, Simon Grove's 13 wicket match and maiden hundred and Andrew Piper's 12 wicket match, four catch innings and a hat trick.

Congratulations on a good season, and thank you to everyone who helped out throughout the year.

Simon

Another year gone and yet again we wonder what could have been. For the first time in I don't know how long, we actually had 11 players to every game and it made a big difference with the team, only losing one game during the regular season and taking out the minor premiers.

The semi final continued in the same fashion as the regular season with a convincing victory taking us one step closer to the team's maiden premiership. Unfortunately, it wasn't to be with albeit a solid performance with the bat, not enough to grasp the win. Our fielding was strong during the year but really let us down in the big one dropping one bloke, three times, the earliest on 10 on his way to 92. A couple of dodgy decisions against us in both innings and before we knew it we were back at the club drowning our sorrows.

I'd like to thank the whole team as everyone made fantastic contributions during the year and made it a memorable one for all involved. Special mention for Jillian who scored for us all year, it was a great season and we were the best team even if the shield doesn't have our names on it. I look forward to seeing everyone back next year.

Cheers.

James

Finalists

After a disappointing 2008/2009 season, we hoped to improve and make the finals. We achieved that in style.

We began the season well but suffered a form slump before Christmas which saw us drop to second last on the table. Even though the captain couldn't catch a cold or win a toss, Santa did bring us some good batting, bowling and occasionally fielding form which led us on an undefeated streak to the grand final.

Unfortunately, in the grand final, Kings Langley proved that if you can occupy the crease all day and score the occasional run sometimes it's enough to win a cricket match.

On Sunday, chasing 167 we were dead but not buried at 9 for 112. Then up stepped Gary (Eddie Munster) Zahra and Wayne (the mouth) Barton who put on a chanceless 43 run partnership to take us to within 12 runs of the total before being given out to a poor decision and ending our slim chance of winning the premiership.

Notable performances this season were Peter's 301 runs to win the aggregate by one run from Angelo's 300 runs. Simon batted brilliantly to get us off to solid starts, particularly in the second half of the season and Daniel finished the season bowling with a lot of venom which had the opposition batting very nervously.

Congratulations on an enjoyable season and in Stuarts case his 31st and final season.

Thanks

Terry and Dave

Captain: Jim Sultana

On paper, it doesn't look like we had a very good year, yet we had a lot of fun.

Consistently in getting 11 players committed each week was a problem. Player commitment on the day was never an issue, it was just getting 11 players every week which was.

In most games, we were a chance of winning at stumps on week 1, however on week 2 with only 8 or 9 players and in some cases only 7 players, it made winning a game impossible.

Some of this year's highlights were James Clancy's first century. Derek and Jeromes return to cricket. Reg Groves consistency with the bat and Jim Sultana's first 5 wicket haul in 19 years (a long time between drinks).

Thanks go to the ever-reliable Trevor Carr and Andrew Marscham for their efforts as well to the junior cricketers who made themselves available at various times in the season.

If we can get 11 committed cricketers every weekend next season, we will improve greatly on our results.

Jim
