## **Vale Tom Adams**

Unfortunately, the season ended on a very, very sad note with the passing of Tom Adams, Life Member of Greystanes Cricket Club. When anyone thinks of Greystanes Cricket Club, they think of Tom Adams. He has been the heart and soul of Greystanes Cricket Club for over 40 years. Tom started as a parent at the Club who volunteered to manage and score for his son Greg's team. He then went on to volunteer his time to the Club as Treasurer and Registrar. Over the years he was also the Uniform and equipment officer, Player/Parent Welfare officer, grounds keeper, coach's convenor and presentation and awards organiser. On top of this he worked with Cumberland Council to ensure our grounds were in the best shape to play on. He also volunteered many hours dealing with our major sponsor and selling raffle tickets at the pub. He was a Life Member of PDCA and represented our Club at their meetings ensuring the welfare of Greystanes Cricket Club.

For Tom, family came first in life and Greystanes Cricket Club came 2<sup>nd</sup>, 3<sup>rd</sup>, 4<sup>th</sup>.....

We owe him a lifetime of debt for successfully managing our Club and to Shirl for unselfishly supporting him. We have not just lost a great Club man but I have lost a dear friend. Thanks Tom, may you rest in peace.

In memory of Tom we have introduced a new award called the "Tom Adams Medal". This will be awarded each year to the Club Person of the Year.

## **President's Report – David Mandic**

2020/21 saw Greystanes Cricket Club field six senior and ten junior teams in our 50<sup>th</sup> year of competition at Parramatta District Cricket Association. This is a great milestone and achievement for our Club which I am proud to have been associated with for 43 of those years. To all the existing and new members of the Club, I hope you all enjoyed your season.

Well done to our Under 14/1's, Under 17/2's & B13's for making the semi-finals, but unfortunately losing due to wet weather. A huge congratulations to our Under 13/3's on winning the grand final in fine style.

Our annual Under 10 Knockout and Master/Junior blaster programs were well received by the kids. They had a great time with lots of fun learning our game.

Due to the dedication and expert management of our Secretary and Treasurer the Club is in excellent condition on and off the field. Thank you for your time and hard work Sean and Wayne. These two dedicated many hours to the day-to-day running's of your club. Also thank you to the current GCC Committee for your help when required during the season.

For the Club to continue thriving, we need more volunteers. Any help, no matter how small would be greatly appreciated. So don't be shy, come along to our AGM and contribute to the successful running of Greystanes Cricket Club.

A huge thank you to our sponsors who generously donated to the Club which helps cover our running costs. Please support the following businesses:

Coolibah Hotel, Greystanes Post Office, Ultimate Health, Professional Building Team, Linked 2, Stakat Building, Bathurst Liquor, Greystanes Property Maintenance, Good Fellas Pizzeria, Thai Pattra and Greystanes Electrical.

## Secretary's Report – Sean Fahy

What a great season we have had. It was fantastic to see so many Junior teams registered, including five Stage 1 teams. We also had a lot of new kids attending our two Blasters clinics that were run on Friday nights. There as a large number of seniors playing which gives our older Junior players opportunities. It shows we are in a strong position with over 200 registered participants.

A big congratulations to a team of predominately new Junior players to our club. They took out the U13 / 3 Premiership. They dominated the division all year and won the Grand Final in a great fashion. Well done.

This year we continued to try and make the administration of the club easier. With Wayne taking on the Treasurers role we transitioned to on-line banking. We are further utilising the MyCricket system for reporting into this particular annual report. Each year it is getting that little bit easier.

A good news story during the season was that we secured funding to re-furbish the Roberta street nets. This will provide more up to date infrastructure for our club. The important piece to the funding was that our club is providing a minor part of the funding and the rest will be provided by Cricket Australia, NSW Government and Cumberland Council.

Our club was able to secure some new sponsors this season. This added to a group of long-term sponsors that ensure we can keep our registrations as low as possible. We thank all our sponsors for their support and I would ask that our members take note of those sponsors within this report and support them when you can please.

Finally, a very sad story for many people in 2021 has been the passing of Tom Adams. I did not know Tom for long, but I took a lot of inspiration from what Tom had done for the club over so many years. He was a great man and we will miss Tom's dedication to our club immensely.

Until next season

Thanks

Sean

## Treasurers Report – Wayne Earl

The 2020/21 season was the 50th year Greystanes had competed in the PDCA competition. We started off the season with many new players to the club in both juniors and seniors which saw our player numbers grow to the best they had been for many years. With 16 teams we are now mixing it with the bigger clubs in the district which means there is greater pressure on the executive and the committee to run a cohesive and harmonious club.

I would like to thank all the volunteers in the club especially our junior coaches. Giving up your time to pass on your cricket knowledge to the next generation of players is much appreciated.

We were fortunate enough to attract a number of new sponsors this season who along with long term sponsors help us to keep our fees at competitive levels. Please support them the best you can and pass on the message to your family and friends about these wonderful businesses.

Congratulations to the teams who made the semi-finals; U17/2, U14/1, U13/3 and B11 unfortunately rain ruined the chances of many teams with the exception of 13/3's who played the grand final and dominated with bat and ball to record a comprehensive win.

As we head into our 51st season I would like to encourage anyone wanting to become actively involved in the club to come along to a monthly meeting and see how things are run.

I would like to finish my report by saying how sad we all are at the passing of Tom Adams a life member and patriarch of the club. RIP Tom, the club will never be quite the same but we will do our best to uphold your great legacy.

Wayne

## **Greystanes Cricket Club would like to thank our Gold Sponsors**

We are a committed group of health professionals dedicated to providing individualised service to all our clients. That's why we are the highest rated Allied Health practice in the area

**Under 10 Red (Stage 1)    Coach: Ramesh Kharel/Kousik chatterjee**  
**Manager: Saurabh Goyel**

U10 Red, despite playing their first season, it was a very encouraging tournament for the team. It was completely a new start for some of the children involved; including playing in a team and learning about the game.

We did really well winning 6 out of 14 matches played achieving almost 50% result; which is a great sign of dedication and hard work from all involved.

The learning and improvement in overall aspect of the game was quite remarkable, which is the major highlight of the season for us and it places us at a great position for the next season. However; it was not easily achieved, Kids had to go through plenty of hard work and dedication.

Moreover, you win some and lose some but accepting both gracefully and enjoying/learning the game of cricket was the take home for the kids this season. It makes us extremely happy and proud to see where we are after playing last match of the season and comparing it to where it started.

We have no words to thank and acknowledge contributions from all the parents, be it their physical effort or invaluable suggestions, which has made all our life very easy to smoothly run 20/21 season for U10 Red

Regards  
Ramesh Kharel

## **Under 10 White (Stage 1)**

**Coach: Steven Karam**  
**Manager: Laura Karam**

What a season! The team were so excited to get started after what was a tumultuous year due to COVID-19. We were just excited to be actually playing. The extra safety and hygiene measures were implemented and we were off to a fabulous start. We welcomed a few new players to the team and the boys quickly bonded and it felt like they had been part of the team for years.

We ensured that everyone got to experience all of the roles of cricket including wicket keeper, captain, opening bowler, opening batsmen and we mixed up the batting partnerships each game.

We were so proud of the players efforts in the field this year. With lots of our wickets coming from the field. We held onto several catches and nailed the run outs. The level of energy at each and every game was very high.

There were so many highlights this season. Each player played to their personal best and had fun while playing. We are looking forward to the next season and I know the boys were really keen to keep training! Some players will move up an age group next year but we know the boys have made friends for life.

A huge thank you to our wonderful families for their assistance throughout the year. They stepped in to assist with coaching, scoring, training and keeping the boys occupied on the sidelines! We appreciate the help so much and it makes coming to cricket each week so much more enjoyable when you know everyone will help.

Enjoy the off season and we can't wait to see everyone again in the 2021/2022 season.

## **Under 10 Green (Stage 1)**

**Coach: Amit Patel**

**Manager: Narsimha Rao**

There's nothing more special than seeing joy on kids' faces when they play for their passion in this difficult COVID times. This year, we had a great season. Being in second year, whole team was seen with great team bonding and backing up each other as a team. We have had two additions this year Aadit and Vihaan who gelled up with team in no time. After well-earned victories, boys always preferred to go out for team lunch and dinner parties.

Season started with a game win against 'Pendle Hills Colts' team and never interrupted, whole season team remained undefeated and won all the games. Out of 17 matches team won 13 games and 4 were draw due to rain and hot day. Practice sessions became tough sessions with bowling, batting, fielding and practicing running between wickets along with designing a game plan for next day.

Fun with kids is that they get to see themselves what they are best at and what they are capable of, soon boys identified their strengths and team found some new bowlers like Rochi, Neel, Aarnav, Vihaan & Aadit.

With Tharun, Arjun and Tanmay became our forehead of bowling force others backed them with great bowling support and took wickets regularly. In batting department Rochi & Tharun became our newly found batting fire power backed up by very clever and steady batting by Rohan, Aarnav and other team members.

Being first time playing in season Vihaan and Aadit showed great resilience. Both contributed with batting and fielding as if they are playing in there 2<sup>nd</sup> season. Rohan became most vigilant wicketkeeper and took more stumping and run out wickets compared to last season. Team was fortunate to have two good wicketkeepers in form of Rohan and Tharun. Tanmay and Vihaan became our second inning bowling spell specialists, where Tanmay was our second highest leading wicket taker.

In whole season Arjun became our mister consistent performer. He became the highest runs scorer and took highest number of wickets in whole season. Being a new team in year 2019, this year boys outperformed in every aspect of the game and we as parents could see the joy and the happiness on their faces when they meet and play cricket.

A special thanks to the parents for assisting throughout the season with scoring, setting up the fields and doing whatever it takes to make team, kids happy and enjoy every game. Team regularly enjoys going out for movie and social gatherings which helped to stitch strong team bonding among parents and boys. Junior cricket wouldn't be successful without the help of parents and it also helped us become good friends.

Thank you everyone for a great cricket season. Looking forward to see you all in the next year...

## **Under 11 Red Stage 1**

**Coach: Andrew Piper**  
**Manager: Liz Frost**

The under 11 red had productive year this year playing in the higher grade competition. A great bunch of boys who appeared to love the game even more than myself. The year brought about some great individual performances and team results.

Cricket is a game of moments, it is these moments that provide a love for the game, each of the players was given their individual moment to shine throughout the season. I hope the boys remember these achievements and provided the players and parents the same sense of pride as it did for myself as the coach.

Thank you to Manager superstar Liz, KIT man Shane, Scorebook Gav/Raj and Also a big thankyou to the rest of the parent group for helping with all the setup, warmup and umpiring tasks required to make the magic happen. I hope the kids enjoyed the season and look forward to seeing them all back next year to start full competition.

One last thankyou to all the boys it was a pleasure to coach you all.

## **Under 11 White (Stage 1)**

**Coach: Shared**  
**Manager: Piysuh Wagji**

The 2020 – 21 season was the first taste of competitive cricket for the kids. The way they trained on day one and the first ball faced in match they had, were sweetest moments in their lives. They all adjusted well, and while it took a few games, they found their form as the season progressed. A look back to our season can be summarised in a line as “cometh the hour, cometh the boys!”.

The U11 whites were a team laden with lot of talent! Everyone in the team rated themselves as a bowler, and on their day, everyone got good hauls of wickets.

Come to batting we tried everyone at different positions to see where they suited well for their talents. Team of Pruthviraj, Pritham, Darsh, Reyansh, Shubnesh, Dhruv, Andy and Ritwick made a vibrant team of talents. They all learned the hard way of losing, some great wins across, sad washed-out days, this season was all emotional. Another few seasons and they will be matured to be fearsome players!

We had some great batting and bowling memories.

Every game, won, lost or drawn, was played in a good spirit and all players were a credit to themselves and their club. Thanks to everyone for a great season and I hope you all come around for another season.

Also, thanks to Andy Marscham for starting our season off by conducting training sessions for game readiness.

## **Under 12 div 2 (Stage 2)**

**Coach: Mayur Kumar**  
**Manager: Mohan Ayyar**

Under 12s had eight new players who joined the team this season and four who transitioned from playing for Under 11s last year. The team took some time to settle as a few players were playing this format of cricket for the first time. This year was my first year coaching U12s and I would like to thank Greystanes Cricket Club for the opportunity as well as team manager Mohan for managing every aspect of the team activities and supporting me during each game.

The Under 12s played with respect, showed a lot of positive enthusiasm, vigour, talent and played every game with passion. Everyone adapted well with rotation of batting, bowling and wicket keeping to give all players opportunities and discover where everyone's talent and strengths lied. I have noticed significant improvement of the boys' skills and confidence over the season. By practicing and playing more, I am sure they will become more competitive players. It was not only joyful to watch them play but sometimes a little tense at times to see them making errors with bat / ball or on field. It was a huge learning curve for all of us.

Mateen continued to get better during every game and hit some strokes pretty well and hard. He developed various bowling techniques by changing the length, adopting spin and varying his pace. Michael is an all-rounder and fields extremely well. He was the first and only player to hit a six this season. Akshay, called 'Gaza' by some of his team mates, has fabulous skill to spin the ball and displayed excellent batting. Pranav takes his batting and bowling seriously and performed well with each game. He has the potential to become a good all-rounder in the future. Hiransh bowled very well and was quite close to getting hat tricks. He has significantly improved throughout the season in his bowling and batting. Parthiv worked hard to get his bowling line in order and has potential to get better if he keeps practicing. Naren was the most improved player in the team. Without playing cricket of any form prior to the season, he worked extremely hard on his batting, bowling and fielding and gained tremendous confidence by end of season. Kavan is an all-rounder who has shown promising signs with the bat, ball and wicket keeping. Chinmay is absolutely passionate about his game and takes pride in his bowling and batting. He adored being wicket keeper towards the end of season and did well with his keeping abilities. Nishant is a very enthusiastic team player who bowled some great spells during the season. Ishaan significantly improved with bat and ball but unfortunately could not play the last few games of the season. Bhavesh contributed well during the season, improving his bowling and fielding significantly. As the season progressed, the team performed better, were more committed to playing good cricket and their attitude to never give up became very evident.

I would like to thank all the parents who assisted during the season through training, setting up the ground, umpiring, scoring, bringing equipment and also being there for the kids which has a huge positive impact on the team, looking forward to seeing these youngsters continue their cricket development in the future.

Regards,  
Mayur

## **Under 13 div 2 (Stage 2)**

**Coach: Glenn Gibson**  
**Manager: Sean Fahy**

This year was one where we struggled to score runs which put us on the back foot for most of our games. Although we did not win too many games the development of players returning and those new to the team and club continued. Daniel Blanche was a loss from December on-wards when he and his family relocated to Wagga Wagga his batting and bowling consistency was missed. Even through the struggle of trying to win games our players showed great sportsmanship in each and every game they played the boys should be proud of themselves as I and Sean both are.

Our main issue this year revolved around our batting with only two scores over 100 for the team we never really fired in this area of the game scoring 15 fewer runs in our games compared to last year. If we had averaged the same as last year, we would have gone a lot closer to playing finals.

Even though our batting struggled our bowling on the other hand improved dramatically. The extras tally per game dropped considerably and kept us in some games as it put pressure on the other teams to score runs off the bat.

A few players stood out this year for their bowling efforts, one with an economy rate of 2.08 was Jacob, consistently bowling a good length without luck but keeping the runs to a minimum. Mitchell new to the team took 9 wickets to end the year second for wickets taken. His efforts have landed him the Most Deserving Award due to his work at training and on game day was second to none an excellent effort for a new player to the team. Another notable bowling effort was Solomon who bowled a consistent line and length with his number of extras drying up this year.

Fielding this year was up and down, though this year we dropped on average 2-3 catches per game which again put us on the back foot but we did have some great individual catches taken with Mitch taking a screamer at full stretch in the gully during his first game and Aidan also taking a pearler at square leg right next the umpire which left him in disbelief. Aidan was one of the leaders in the field revving the boys up every chance he had. Overall Carmichael (CJ) took the most catches for the year always dependable whether under a skied shot or regulation catch and improving his fielding decision making with every game which earned him the Fielding Award this year, good work CJ.

A special mention to Ishaan and Ashwin for stepping up to wicket keep for the majority of games this year, they helped reduce the number of byes for the year and also took a couple of catches each standing up to the stumps which is not an easy thing to do. Ishaan earned himself the Encouragement Award this year for his overall efforts in wicket keeping, batting and bowling. With some extra work in the field, he will keep improving.

In terms of our batting, we only had one player get more than 100 runs for the season with several players struggling for form throughout the year. One consistent player was Ashwin who opened the batting on several occasions despite not wanting to but going on to score equal second best for aggregate over the season.

For a great all-round effort, Ryan started the year slowly but finished in spectacular form taking 5/27 and hitting his highest score of 37 not out in the last few games of the year.

A couple of players did struggle to make it to training and games on a regular basis which in turn hampered their seasons out on the pitch, Joel and Kritikh whilst having some glimpses of their potential they struggled to build consistency. Kritikh hit his top score of 16 and Joel improving his fielding taking catches in the field, at wicket keeper and running a player out.

Special mention also to Ishaan's brother Kunal, along with Kavan Raval and Seth D'Souza from the U12's for helping us out when we were short during the year.

Thank you to Sean for managing and scoring throughout the year as well as Warwick, Mark and Graham for helping out umpiring, Darren Jones for his expert coaching tips at training and to the other parents for just cheering the team on from the sideline and getting the boys to games and training on time.

I hope to see you all back at cricket next season as I believe there is the making of a very good team with growth and experience you will only get better, see you all next year.

## Under 13 div 3 (Stage 2)

**Coach: Gerard Mahony/Bill Joll**  
**Manager: Karen Mardini**

Wow what an achievement a team that was put together 6 months ago have made it to the grand final. The most pleasingly part of this achievement is there a number of kids that never played before but the way these kids gelled and bonded have made them the team to beat

**GrandFinal Day:** After a week of heavy rain and floods we were blessed with a sunny Day to Play the Grand Final against Wentley leagues

We lost the Toss and had to bat first; in dewy conditions the boys were upset but ready to take the field we scored 83 runs. Then we bowled the other team out for 11 runs off 9.1 overs. The key for our win today was that they backed each other and everyone played out of their skins. We also had amazing support from all the parents great cheering from the grandstand

A shout out to our Coach Gerard in really investing time with the kids in improving their batting and bowling techniques. But what makes Gerard different from other cricket coaches was how he built their knowledge about the game, allowing them to make decisions on the field on game day, they didn't need to rely on him on where to field or how to bowl/bat, they were able to do this together from the what they learnt at training.

Notable mention needs to go to our awesome parents of 13/3...Mark Harris: taking on the scoring when needed and next year we will bring the coloured pens as well. Matthew Ramsay: Being available to umpire and your assistance with training. Imran Khan - Always the 1st man to training and game day, always assisting with training and support at games with the kids and setting the field. Tarek Abouhammed: Assisting with training days and game day field set up and support with kids. Victor D'Souza - Stepped up and helped on game day with scoring and umpiring. Karen Mardini - legend superhero manager who took on scoring when no one wanted it staying on top of the team duties. Billy Joll - Another one of the great parents who took on Coaching duties as well got involved and managed the cricket kit each week because the other Coach would always forget it.

Parents, thanks for allowing your kids to play this game and getting them to and from games each week and the achievement this year by ALL kids is absolutely amazing.

Christian Mardini - Left arm medium fast bowler who bowled consistently and with great control and became one of the solid batters and one of the top fielders in the team. This kid is always up beat in the field and supported the team always reliably. Highlight: Hitting your 1st ever 6 as a cricketer. Zac Harris - He took on the role as wicket keeper and did a damn good job with some of the wayward bowling he had to deal with this season, his batting was solid and technically sound and next season i look forward to him bulking up and smashing them to the fence and beyond. Highlight: Took on role as wicket keeper and killed it to be the best in the comp. Levi Mahony - One of / if not the best fielders in the team. He really grew into bowling and batting started to improve by the end of year with a couple good innings with Christian to win games and always got excited at getting wickets as a team. Highlight: Those catches at 3rd man off the fast bowlers and the run outs. Nabethan Manovarnnan - One of our key bowlers, his control of the swing and line and length was awesome for a kid who was in his first year of cricket, his batting this season was a little up and down but he is a very correct cricketer and a little more confidence he will be a good allrounder. Highlight: His insuring bowling and the game against Baulkham hills where you were on hat trick.

Siraash Sujindran - New to cricket this year and he showed great improvement in his bowling and batting. His fielding is still a work in progress... His achievements this season were twice retired not out and his bowling was very deceptive to the batter and took a screamer of a catch against Seven Hills last game of the year. I look forward to him kicking on next year.

Highlight: Retiring not out with the bat and taking a screamer of a catch against Seven Hills.

Seth D'Souza - Good all-round cricketer, medium pace/spin bowler and enthusiastic fielder. When he gets in as a batter can hit the ball hard and to all parts of the field and one of the most dangerous fast balls as a spinner.

Highlight: Batting against Winston Hills where you smashed the bowing and ended the game in 10 overs due to your hitting.

Levi Mahony	27	0	7	67	9.57
Siraash Sujindran	28	1	6	76	12.67
Abdullah I Khan	28	0	5	81	16.20

Brent Joll - Our fast bowler of the team, very destructive with the ball and robust batter who is always looking to hit the ball through covers no matter where the ball is bowled. Good allrounder cricketer and really stood up to lead the team.

Highlight: Bowling fast against all teams and your 1st ever 6 as a cricketer.

Abdullah L Khan - Another one of our all-rounder cricketers, took on the role as opening bat and towards the end of year was finding form in hitting the ball out of the ground and showing solid defence. This kid can spin and bounce a ball and I look forward to working on his fielding, catching and movement in the field.

Highlight: Your 100% attendance at training and your 1st ever 6 against Baulkham hills back over the bowler's head.

Sivaprian Piratheepraj - One of the new players to cricket and really took on the game and improved out of sight with the bat, ball and fielding. solid straight bowler stump to stump and his batting took off after Christmas and even contributed to a couple of run outs as well.

Highlight: Batting where you retired twice and consistent bowling and run out against Seven Hills.

Samuel Ramsay - New to cricket as well and boy did he really get involved, from that very first game where you barely hit the pitch to becoming leading wicket taker and loving the sport of cricket. I really look forward to seeing you grow and develop in the coming years in batting, bowling and fielding...

Highlight: Bowling against Seven Hills where you took 3 wickets for 4 runs.

Danny Abouhammed - One the new kids to cricket as well. He really grew with the game and took on board everything about cricket from test match cricket and T20 emulation which was entertaining to see. He improved out of sight with Ball in hand and with the bat and one of the top fielders in the team.

Highlight: becoming a genuine allrounder and hitting your 1st 6 in cricket against Pendle Hill.

### **Under 14 div1 (Stage 3)**

**Coach: Anup Singh**

**Manager: Ranganatha Rangappa**

We started the season with a bang. We won our first 2 matches by winning and winning against previous year's champions in round 2. Team was in great shape and boys were enjoying their game.

They were getting used to winning.

During the mid- season we lost a few games that we were supposed to win. Team was struggling with fielding issues. It happened mainly because we were always short of players. We always went to game and played with 10 Or sometimes 9 players. This impacted our players a lot. Parents would be disappointed as well. Players always felt they were let down by team mates and this started to breed negativity in the players.

They were stressed whenever they were playing due to short of fielders in the game. Especially bowlers and to some extent fielders as well, as they had to fill the gap created by absentee fielder. Team batted and bowled really well through-out the season just faltering once in a while. We did witness some brilliant batting and very skilful bowling in the season.

It's towards the end of season boys started playing die-hard cricket without minding the number of fielders in the ground. It was like they knew or learnt how to play 9 or 10 a side games. They fought with all their might, skill and courage. They would fight till the last ball or last run. From cricketers they had become fighters with true sportsman spirit.

It was great to see boys becoming men during this season. Our 10 players are the best who managed to face all the difficulties and made it to 4<sup>th</sup> position in the ladder. It was disappointing that we could not play semi-final. I wonder the way they had peaked towards the end of season; they would have made it to grand final. Maybe championship even!!!

## **Under 17 div 1**

**Coach: David Mandic**  
**Manager: David Mandic**

Being made up of mainly U15 and U16's players, pre-season, we were a little hesitant competing in the PDCA's inaugural U17's competition, but any doubts were soon dispelled by winning the first 5 games, defeating all opposition teams in a 6 team competition. All these games were very tight encounters, but we displayed great tenacity and teamwork to win them.

The second half of the season wasn't as successful. We finished 3<sup>rd</sup> on the table, which unfortunately meant we lost the semi-final due to wet weather.

Highlights of the season were: Jack's 385 runs for the season, including four 50+ scores at a fast run-rate, to put us in a good position to win games, some of Dhairya's bowling spells that took crucial wickets and the opposition found very hard to score from, and who could forget Ryaan's 3 not out against Kings Langley.

It was pleasing to see the boys thinking more about the game and making the on-field decisions that need to be made.

It was also very encouraging to see several boys put their hand up to play Seniors when required, adding some positive contributions and gaining some invaluable experience. The senior captains expressed to me how appreciative they were to have the young men contribute to their teams.

Thanks for being a good team of young men to coach and to the parents who supported the team every week, not just this season but throughout all their junior careers.

I wish the boys the best of luck for their futures at whatever they decide to do. I hope you enjoyed your time playing junior cricket at Greystanes Cricket Club and we would love to see you back at Greystanes next season.

Most Deserving Player Award: Abishek Sudharshanan

Encouragement Award: Sai Keshav Nithyanandan

Fielding Award: Samuel Broschofsky

## **B5**

## **Captain: Simon Agius**

I would like to start by thanking all the players for their efforts throughout the year. It was a good challenge which saw us dig deep and pushed to our limits.

Unfortunately, we didn't make the finals however we gave it our best crack, showing good grit and character we put together some great wins.

Special mention and thanks to young up and coming U/14s Ajitesh Kamboj for filling in when we were short, showing a great attitude to match his ability. Thank you, AJ.

Well done Harpreet for another respectful season with the bat finishing with 241 runs for the year. Harpreet's innings consisted consecutive half centuries with a top score of 62. Harpreet had shown great concentration and consistency getting off to good starts against the new pill more times than not.

Dave had teams in a spin week in week out taking two 5 wicket hauls with best bowling of 6/30. Finishing on 21 wickets for the season, Dave continued to bandouzel the opposition. Like a fine wine, just keeps getting better. Well done, Dave.

It was another strong season from Steve Roberts behind the stumps with a show of quick hands, keeping batsmen on their toes and in their crease. Steve backed up his keeping with 165 handy runs for the season. Tough gig keeping and batting but made it look easy.

The end of season saw Jeff Borg announce he is hanging up the baggy grey. Jeff has been a full-time fixture to this team for the last 12 years, one of the true gentlemen of the game. On behalf of the team, everyone would agree Jeff has been a pleasure to play alongside. We wish Jeff all the best and hope to see him make a celebrity appearance every now and then.

To the rest of us, we'll dust off the season that was and come back better and stronger next season.

Thank you

Simon Agius  
B5 Captain

**B7**

**Captain: Hoshang Mehta**

For a team full of young guys, where some are playing their first season, these past few months were amazing. This season, our bowling quality was outstanding and was statistically the best in the competition, with our 4 main bowlers getting a total of 91 wickets, with both Tej Shah and Aviral Sharma getting 28 wickets, as well as both Yash Patel and Tej having economies under 3.

Our batting showed some good form as well, with both Varun Negi and Yatharth Raval grabbing 50's in the season and having respectable averages of above 15. Our fielding efforts were outstanding as well, with Hoshang Mehta and Damanjot Bhatti grabbing 7 catches each, and Yatharth's outstanding fielding efforts with 2 run outs and 5 catches were amazing to watch.

Despite the amazing individual efforts, we were very unfortunate to miss out on the semifinals. However, we got very close, and I am proud of what these bunch of young lads have achieved against seasoned veterans. Great season guys and cannot wait for what the next one brings.

Hoshang Mehta

## **B10**

**Captain: Daniel Newcombe**

It was a tough season for the B10's where we were only able to manage the one victory for the year. With majority of the team having not played together before and most 50/50 decisions and weather seemingly always going against us. Credit must go to all the guys for continuing to show up each weekend and putting in the effort. Hopefully we can keep majority of the group together and have another crack at season 2021/2022 with greater success.

Congratulations to Baulkham Hills and Cheetahs Sports Club who will be facing of in the GF, they were both clearly the two top teams.

**B11**

**Captain: Prakash Ekaraj**

We started with Greystanes Club in the current Season of 2020-21 with huge enthusiasm as we were joining a Club with a great Reputation and History. We were the Semi-finalists in the last Summer edition playing for a different Club. We were always identified as a Team that plays cricket from the Heart and always to win. We had our share of Issues due to the COVID 19 Pandemic, few of our Regular Players who were on a Holiday in India last year in January 2020 were stranded as the International Borders were closed. We had to get in some New faces who were just as passionate as us in Cricket, however this was our First Season together as a Team and we did expect it would take some time before we start playing as a Group as Cricket is always a Team Sport not individual.

We started our initial Matches with a Positive approach however we hit the Blocks right away with our famed Batting Line Up not performing. We suddenly saw our Premier Batsmen Out of Form and struggling to put Big Scores. We lost 4 Matches consecutively which shocked not just us but others who have seen and witnessed our Brand of Cricket. The Silver Lining in All these Matches were that Our Bowling stood up to its Reputation and we made every match competitive by making the Opposition work really hard for their Runs and Victory. Our Opening Bowlers Mayur and Binu were spot on with their Precise Swing Bowling and our Spinners Venkatesh Sijoe and ShanmugaPriyan were Bowling their Best with even the Prolific Run scorers of the Opposition teams having no answers to their Spin and Turn, the Spinners hunted in Packs. We had a couple of notable Innings by Binu who is a trusted Warhorse of the Team, Gritty Knock by Venkatesh with a Never say Die attitude and a Stylish knock by Sijoe.

We really needed a change of fortunes to move to the Semis and we were looking for a Miracle to bring us Back and Miracles Do Happen. From the 5<sup>th</sup> Match we had some terrific Individual Performances from our Batsman like Kaustubh who inspired us to a Last Ball Victory against RouseHill Rams and Dharmendra's Swashbuckling Knock filled with mighty Sixes to beat the Table Toppers Wenty Leagues . These performances acted as a catalyst and we Won 4 matches consecutively. We were back in the top 4. We saw the Team playing as a group again. We unfortunately lost a couple of close matches in spite of Gritty Innings from the Captain Prakash against Guilford Leagues and Anish against Kellyville Supersonics . We had to fight for the Semifinal spots with the remaining matches and we had an emphatic Victory against Baulkam Hills by rolling them Off for 25 Runs with a Day Lost due to Rain and our Bowlers doing a great Job Lead by Mayur and Binu with contributions from Kaustubh, Sijoe, Venkat and Prakash. We even won the Last group match against AKA Crusaders who were the Table Toppers then very convincingly. Unfortunately it all boiled down to the Quotient Numbers as we were Joint 4<sup>th</sup> in the Table and missed the Semi Final Ticket by a miniscule 0.1 difference to RouseHill Rams.

It was definitely a Roller Coaster Ride with a New Team but we have thoroughly enjoyed our cricket and always supported by the Club. We are determined to have a Good Season in 2021.

Regards,  
Prakash Ekaraj

## **B13**

## **Captain: Miguel Limson**

The 2020/21 Season meant we got the welcome return of cricket in our lives. With the return of the most important member of our side, a man we would not survive each week without in the great man Gavin Marner who kept score each week and even showed off his skills one week when Grass Clippings kept us from playing a proper game. We had an up and down year and missed some winnable games either through weather or us not playing to our potential meant we slipped to 4<sup>th</sup>. We made finals but unfortunately did not get a chance due to the storms. We have a chance to go even further next year if we are able to take our chances more often.

Batting again proved to be a struggle for our side with not a lot of big scores but quite a few starts from a few blokes. Luke C and Matt N were consistent throughout the year with Matt dolling out the punishment for a brilliant yet heartbreaking 97 against Kings Langley in 40-degree heat the best score from our side. Marcus P was the top run scorer with 232 runs, our opening batsman would take the game on with aggressive strokes and find the boundary consistently. His best innings coming against Kings Langley also with a 54 where he was back in the sheds in the 8<sup>th</sup> over.

Bowling was our forte though especially when you see we defended totals of 53, 75 & 60 the latter two coming in the same game for an unlikely outright against the second placed team. Luke C and Matt N again proved to be two of the most consistent with the ball with Luke C especially unlucky not to have more than his 15 wickets. James S was the ultimate Veteran with the ball showing his class including a 15 over spell against Baulkham Hills with 5 maidens in that. Our pick of the bowlers was again Marcus P who after a slow start before Christmas came back in the New Year with a bang taking 5-4, 5-12 and 6-20 in consecutive weeks. He ended on 29 wickets for the year with an average of 7.03 which is pretty remarkable when you realise he went 1-81 week 1.

We were brilliant in the field highlighted by a runout by Craig M that any cricketer dreams of. We had great energy and banter that meant our side was always having fun. I really enjoyed captaining this side and hopefully we can go around next year.
