PRESIDENTS REPORT

This time of year seems to roll around very quickly these days and I'm not going to admit that it could be due to the fact that we're all getting older.

I'd like to pass on my thanks to the Committee – **your** committee – who all work extremely hard during the year. Tom as always – what a great job! Dave, Terry and Wayne also do a fantastic job with the raffles at the Coolibah. All the work by these guys enables the Club to keep fees to a minimum. This takes some of the load off the mums and dads as they don't have to deal with selling raffle tickets and chocolates to raise much needed funds. Without the dedication of these guys, our club would find it very hard going.

The Coolibah Hotel is our only sponsor and a big word of thanks must go to them too. Our Senior Presentation night was enjoyed by all who attended – the food and hospitality was second to none.

Our 'have-a-go' program is in the capable hands of Wayne and Rod and is held on Friday nights. This program caters to the 6, 7 and 8 year age group, boys and girls alike, and has proved to be very popular with about 75 kids being involved. Jo and Wendy do a great job in the canteen and Alan and Jason cook a mean sausage on the b-b-q. Thank you to all of you for your help each Friday night during the 'have-a-go' season.

A word of thanks must go also to the mums, dads, wives and girlfriends for getting the kids, husband, boyfriend to the matches, training sessions, their off field support and interest and the washing of the dreaded whites!

This year we fielded the following teams:

<b>A Grade</b>	Thank you Brian – didn't make the semis this year
<b>B1</b>	Wayne – <b>Grand Final Winners</b>
<b>B4</b>	Laurie and Grant – lost in the semis
<b>B7</b>	Jimmy – didn't qualify for the semis
<b>B10</b>	Terry – lost in the semis
<b>B11</b>	Simon – didn't qualify for the semis

**Juniors:**

**10 1's** Shawn – great job, lost only one game all year – how good is that!  
**10 2's** Rod – the young team had a great time & learnt a lot during the year  
**11's** Jeff – failed to make the semis but all tried their best all year  
**12 1's** Terry – just missed the semis – better luck next year  
**12 2's** Tony – a learning year – missed the semis but there's always next year  
**13's** Mark – **Grand Final Winners** and a terrific effort  
**15's** Laurie – **Grand Final Winners** – another top result

Hopefully all our juniors enjoyed the season and not only picked up some skills, but had a lot of fun on the way. I hope to see everyone back for the next season 2007 – 2008.

Catch you later  
**Malcolm MacKander,**

**SECRETARY'S REPORT**

At the end of one season and the beginning of a new one, I would like to take this opportunity to say thank you to a few people who without their help, the cricket club would not run as good as it does. To Tom Adams and Dave Mandic who run the raffles at the Coolibah Hotel every Friday night and all their helpers, thanks. To Wayne Earl and Rod MacKander who organized Have-a-go cricket for the little ones, it is a great success and takes a lot of time and effort to have it run so smoothly.

We had a very successful year with 2 junior teams, the U13 1's and U15 2's winning the competition. In the seniors the B1's were successful. To all the coaches and managers of the junior teams who gave up their Saturday mornings and some of them played senior cricket in the afternoons, thank you.

I would like to see a few more people involved in the running of the club next season. We hold meetings on the first Thursday of the month, please come along and get involved.

Anne Ryan  
Hon Secretary

**TREASURER'S REPORT**

The Club is in a sound position financially after a very good year in the field winning 3 premierships, B1, 13-1 and 15-2's. Congratulations to these teams.

Again the Coolibah Hotel sponsored the club and allowed us to run raffles on a Friday night. I would like to thank the Publican, Sean Leavey for his support and a big thank you to Dave Mandic, Terry Hoban and all the other members who helped run these raffles.

Our club has a fine committee and would like to thank all members for their help during the season.

Again I thank Charmaine Barton for typing this report.

### **Milo Have-A-Go Report**

Greystanes Cricket Club had another successful year of the Milo Have-A-Go cricket program with over 60, 5-9 year old boys and girls registered. Every Friday for 10 weeks the kids learned the basics of cricket in a relaxed and fun environment.

The highlight of the season was when 16 of the kids got to play cricket on the SCG as part of the on-field lunch break entertainment on the third day of this years Ashes test. Playing in front of the O'Reilly stand, the patrons got to cheer on the kids and watch some future Aussie cricketers belt the ball into the stands.

A special Thank you to all those parents who volunteered their time to assist each week, without them, this program would not be able to succeed.

Next year will be our 4<sup>th</sup> year running the Milo Have-A-Go Program and we hope it can be as big, if not bigger than this year.

**Wayne Earl**  
Have-A-Go Co-ordinator

Coach Rod MacKander  
 Manager Anthony Cracknell

Wow, what an introduction to coaching. I wouldn't have it any other way. Having the pleasure to plant the cricketing seed into the minds of these youngsters is something I will treasure.

These guys having NEVER played before were great listeners and then tried to put that into game day. From game one to the last game, the improvement was unbelievable. Most of my guys are 7 and 8 playing against 10 year olds and all bar a few will be together again this year.

Good luck to Ryan, Matty and Brendan who will go up to 11's and Harry if he chooses to go also. Thanks to the parents, I had the best core and they always turned up which the kids loved and so did I. They never once questioned me as to why I did what I did and that makes game day flow, so thanks to all the parents. Thanks to Anthony who did a great job with the boys also and with scoring. Thanks Craig for scoring when we were short.

RYAN Great kid, quiet, has a huge future with the ball.  
 MATTY Chirpy, will make a great keeper, listens, takes the game in.  
 BRENDAN Big hitter, quick in the field, sees things before they happen.  
 TIM Great batting technique, intense listener, too quiet, great kid.  
 LUKE My project, I WON. Great lad who I look forward to coaching always.  
 BILLY My boy, quiet, young, future talent, good technique.  
 JACK Needs confidence, came good towards the end, will be great batter.  
 BRODIE One word, chatty, never shuts up, was a rock with the bat.  
 CALLUM Shy, his bowling came on huge, solid stayer with the bat.  
 JONTY Gets my hardest trier award, passionate, listens intensely  
 HARRISON Gritty, great quick pacey wicket taker, future captain material  
 MACLEAN Brilliant kid, has mums temper, huge hitter will make super leggie when he shows patience with it

 Manager Darren Nicholls

Totally enjoyable. That's the best way to describe this season. I inherited a group of cricketers that were reliable, enthusiastic and willing to learn. These attributes were obvious to everyone that turned up and watched the kids play every Saturday. We had a terrific season only losing 3 games.

It is encouraging to watch these kids (some first timers, some more experienced) develop the different aspects of their game, from learning to throw correctly through to talking (sometimes to much) and encouraging each other on the field.

I would also like to take this opportunity to thank Darren Nichols for assisting with the games when I was unavailable and the parents who scored as without this assistance the season would not have been as successful as it was.

The season was an absolute pleasure and we may have to do it again next year.

P.S.

Remember, cricket is a game best played as a team.

This season proved to be a new learning experience for the boys coming from modified cricket to division 1 traditional cricket.

The boys tried hard in all games but the other sides were a little better, and with more experience. We still had a very good season and the boys learned a lot more skills.

I would like to thank my wife Maxine and Noel Willick for their help during the season.

After making the final last season, this was the year we thought we would go one better and try to win as many games as we could.

After the first few games, we soon found this competition a lot harder and wins were hard to come by. After our first win, we could not hold this form and again found wins hard to obtain. All the boys tried hard and gave their all and that's all a coach can ask for.

I thank all the boys for their efforts and hope we have a better year next season. Also thanks to Anne for scoring all season and to the parents who supported the boys at every game.

**Coach** Tony Taniane

**Manager** Attila Lendvai

With most of the team having played modified cricket the previous year, we were under no illusion as to the difficulty of skipping a whole age group in moving straight to Under 12s in 2006-2007. Our final results of three wins and eight losses seems to bear this out and yet, it was very nearly so much different. We were 2-59 chasing 72 for outright victory when time elapsed against AKA Sports, the eventual champions in Round 7 and were dismissed for 117 chasing 128 for victory against the runners-up, Baulkham Hills in the penultimate round. Had we won these games, we would have made the semi-finals.

Certainly, we played our best cricket after Christmas, when we managed to make at least 100 runs in every first innings. Before Christmas, we only achieved this once, when we defeated Pendle Hill in round 4. Our bowling on the other hand kept us competitive for long periods as we rarely failed to take early wickets. Unfortunately, our support bowlers weren't able to maintain the pressure when the main bowlers were being rested. Thus 4-6 became 121 all out in round 3, 7-40 became 155 all out in round 5 and 6-25 became 77 all out in round 7. Therefore this is an obvious area for improvement along with improving our fitness levels for those long hot sessions in the field.

**SIDNEY BAROI** – Returned to the fold after a season off and nearly always made a start as a regular opening bat. He was a strong cutter and hooker of the ball who shared in our best partnerships for the first four wickets. His medium pace bowling was usually accurate but not always penetrative.

**JACOB BASKERVILLE** – After struggling for runs in the first five rounds, he top scored with 26 against Kellyville in Round 6. At his best, he is a good driver and cutter of the ball. He is an occasional spinner who needs to work on his accuracy.

**JOSH DENINA** – A newcomer to cricket who showed great promise at times with the bat. He has an excellent eye but needs to work on his footwork in the coming season. He is a reliable and tidy keeper and an unlucky left arm spin bowler who had five catches dropped from his bowling.

**CONOR DEWAR** – Had a stunning debut season with a number of highlights. He announced his arrival with 5 catches in an innings in Round 2 against AKA Sports, and also top scored in the second innings. Although the runs dried up after that for a while, he finished the season strongly, top scoring in our last two matches. He also proved to be a surprisingly nippy change bowler and a highly competent keeper.

**JOEL LENDVAI** – Although runs didn't always flow, he valued his wicket more than most. His dogged determination helped to save us from outright defeat in round 6 against Kellyville. He always tried hard in the field and developed promisingly as a support keeper.

**PATRICK LOGARAJ** – The third of our newcomers, he became a frontline bowler of fast-medium in-swing. His value to the team became most apparent when a mid-season form slump coincided with the highest scores we conceded in the season. Our results improved when his rhythm returned in the last three games. Initially, a washbuckling batsman, he developed an ability to build an innings in the post-Christmas matches.

**JOHN MATRI** – Although the youngest in the team, he was one of the first to show the ability to regularly build an innings. When he lost form with the bat mid-season, his slow-medium off-spin bowling clicked into gear. He invariably made a breakthrough or slowed the momentum of the opposition with this tight bowling. He proved to be a good close-in fielder with a sharp pair of hands.

**LOUIE MATRI** – He again won the team's Player of the Season award with an excellent haul of 227 and 24 wickets. He contributed most as a fast-medium opening bowler in the first three games including a haul of 6-10 in round 3 against Kings Langley. From rounds 5 to 9, it was his batting that was supreme, culminating with 35no in 40 minutes to secure an outright win in round 9 against Pendle Hill. In addition, his fielding was always of the highest standard.

**JAMES REVAI** – He proved to be the second best all-rounder in the side. Our fine finish to the season was in no small measure due to his improvement with the bat as he shared the highest partnerships for the 5<sup>th</sup>, 6<sup>th</sup> and 10<sup>th</sup> wickets in the post-Christmas period. Although his bowling was sometimes inconsistent, he destroyed the top order of Baulkham Hills in round 5 with 4-7, and secured our victory in round 11 against Kellyville with 3-3 from 7 overs. **CHRIS SILCOCK** – He struggled with inconsistency during his second season. He occupied the crease for long periods on a number of occasions playing particularly well against both Kings Langley and the eventual champions AKA Sports. However, on some other occasions he was too impatient and threw away his innings. He showed occasional brilliance in the field but often lacked accuracy with the ball.

**JARRYD SMART** – His bowling was of great value to the team as he contributed important wickets in each of our three victories. However, he had a lean season with the bat, seldom occupying the crease for sufficient time to build an innings.

**LIAM TANIANE** – After playing two long patient innings in rounds 1 and 3, he reinvented himself as somewhat of a dasher in the second part of the season. He demonstrated the ability to play genuinely fast bowling on a number of occasions.

**PATRICK THORNCRAFT** – Although he always tried hard, he struggled to re-discover the batting form he displayed in his debut season. He had few opportunities to shine as a bowler but was always a capable outfielder with an excellent arm.

The assistant coaches and I would like to thank all our players for the commitment, enthusiasm and sportsmanship that they demonstrated throughout the year. We would also like to thank Attila Lendvai for his match reports and for his efforts as chief scorer and Judy Smart who stood in for him on a number of Saturdays. Thanks also to all the parents for their support of the team and the efforts of the coaches. Finally, I would like to acknowledge Brian and John who so ably assisted me at training each week and thank Brian again for looking after the team when I was away at weddings in Perth.

**Under 13 Div 1**

Coach Mark Crittenden  
 Manager Michael Holovinsky

We started with 5 players and 7 new faces to the club joined us to form our U13 Div 1 team, and what a team we created.

From day 1, Michael Holovinsky, Luke Lambourne and Steve Buckman worked hard with these lads to improve their skills as we know that one day we would need the boys to lift. That day came during our semi-final.

Bowling first we contained Kings Langley to 128 – Excellent.  
 Day 2 and our top order failed. 5-28 and Kings Langley were preparing for a Grand Final BBQ.

The hard work from the coaches paid off. Nishant was superb and supported by James, Justin and Kurtis, we passed them 7 down. A moment I will never forget.

Grand Final day versus Pendle Hill and batting first they scored a very respectable 168. It was the top order's turn to strike and Mitch scored yet another hundred and considering the pressure, it was his best hundred. Well supported by Trent, we passed them 2 down and the best team won the title.

Another moment I will not forget is when Adam scored his first ever run in cricket. The boys on the sideline were so excited. They are all good mates, great mates, equally great team.

I don't normally single out individuals but Mitch Buckman's season with the bat was awesome. Well done mate.

Congratulations to Trent, Mitch, Nishant and Kurtis on making the District rep side.

A massive thanks to Mick, Luke and Steve and to our parents who always support the boys and I'm sure we will all remember that semi-final forever.

**Under 15 Div 2**

Coach Lawry McCulloch  
 David Rankin  
 Manager Glen Walker

The season start was very different to previous years. Four players joined the team playing up a year and another for his first year of formal cricket. The boys had a new coach, Lawry McCulloch who took some time to get to know the boys and had a look at their skills with no previous knowledge of the games they had played. Laurie made some changes to the bowling and batting order and trained the boys twice before the season started.

The team lost their first game of the season by one run but there were signs the changes to the line up would extend the skills of some boys and give the team some balance in both batting and bowling. As the season progressed we proved to be competitive and finished the competition in third position.

This meant we played Kellyville at home in the first semi final. We had played them at their ground once before. We won that game after some heated exchanges with their coach. This time we had a black and white and the nerves of the semi final showed in our batting. We were bowled out for 65 after drinks. It was a cold day and we felt the season was over. Before stumps were called we had bowled 3 overs and taken one wicket but were not confident. Sunday was another day. The boys made the effort required in the field to keep the pressure on Kellyville. Matthew Eisenhuth had a blinder with the ball taking 8 wickets. He was supported by a great catch in the deep by Patrick Cuskelly and wickets by Daniel Walker and Damon Stretton. Kellyville were bowled out for 52 and declared after 4 overs of bowling with no wickets. The boys had made it to the final!

In the final, we played Guildford who were by far the most successful team in the competition. We had played them twice and been beaten convincingly. Again, the boys batted first and despite some good starts were not able to get any partnerships going. We made a reasonable total of 127, but knew we would be hard pressed to restrict their batsmen to a similar score. The first over was a maiden. Matthew Eisenhuth bowled a wicket maiden in the second over and things were looking good for us. They made slow progress but managed to settle into a rhythm. We took another wicket that kept us in the game but their number 3 batsman was scoring steadily and very solid. The game was slipping away with their score at 80 and their batsman in his 70's. Just before drinks, he slashed at a wide ball from Daniel Walker and was caught by Clinton. We took drinks and had to get 8 wickets for 35 runs. The boys went back with a new enthusiasm. Wickets fell regularly to Damon and Daniel Kolenko. The boys won the final bowling Guildford out for 106. Two GREAT games!

Well done boys! Thanks to Lawry and Dave for training.

**A Grade**

Captain Brian Barton

A great year for our side as it is in the re-building stages, with the young fellas showing their ability and capability playing A Grade. We unfortunately finished 5<sup>th</sup>, losing our last game to knock us out of the semis.

Thanks to the supporters who came and watched us week after week. A special thank you to Trent Crittenden and Mitchell Buckman for filling in when our team was short. Congratulations to the individual trophy winners. Thank you to Keith Dunn, who made a lot of phone calls and organizing. Hopefully, this holds our side strong and experienced, ready for next seasons competition for we will be more than competitive and able to make the finals again.

Thank you to Tom Adams for his support to our side and all the work he has done for us and the club.

**B1 PREMIERS**

Captain Wayne Earl

The end of the 2006 season saw the team lose 3 long standing players in Dave Mandic, Tod Stapleton and Stu Cass. Some heavy recruiting was done in the off season to secure young players like Matty Pickham and a couple of blokes from the Fairfield Liverpool comp in Anthony Cracknell and Jason McGillivray. 2006/07 season saw us go up another grade the 5<sup>th</sup> time in as many seasons. The season got off to a shaky start with a loss in the one-dayer chasing only 108. We then started to get on a bit of a role winning the next couple and scoring some big totals along the way. By the half way mark we were entrenched in the top four with all players having contributed with either bat or ball. Round 8 was a top of the table clash against the yet to be defeated Kings Langley. In what was at times a spiteful match, we defended 106 to emphatically defeat the eventual minor premiers by 34 runs.

The new year saw our worst batting display of the season being rolled by the bottom placed team for 78. Defending gallantly we still almost snatched a win. We then went on to win 5 of our next 6 games to be comfortably second on the table.

Semi final against Wentworthville Leagues was a brilliant chase. The rain interrupted game had us chasing 206 for victory on a very slow Roberta Street. A magnificent innings of 92 from Jason (Inzy) Hedges ably backed up by Shaun (ADHD) Perkins (36) saw us home with only a few runs to spare.

Grand final against our old foes Winston Hills was sure to be a cracker. Winning the toss and electing to bat, we could not have got off to a worse start when yours truly decided to have a brain explosion and run himself out. After being 6-60, we managed to get a total of 156 with outstanding back end contributions from Shaun (ADHD) Perkins and Anthony (Ruth) Cracknell. Needing a good start the boys were pumped up for a spirited defense of our total. A better script could not have been written when we had them 4-6 early and finishing play and 4-26. In a good position but by no means home we needed early wickets on Sunday and both Rod (Chop Chop) Mackander and Jason (Macca) McGillivray did the job. We had the boys from Winston Hills reeling a 8-28 after a magnificent hat trick from Macca. The game was over when Macca took his fifth wicket of the innings and victory was ours.

The end of an era saw us capture our second title in 3 years. With many boys pulling up stumps, there was no better way to go out. As a proud captain I thank each and every player for their contribution throughout the season.

Captain Grant McPherson

A frustrating season for the team. While on ability, we were one of the two best teams in the comp, we struggled to field a constant core of players often having to play one short or scraping around to get 11 players each week.

We started the season well and looked likely to finish minor premiers after the first round but struggled in the second round, especially with our batting, and scraped into fourth place. This left us the task of beating the eventual premiers, Baulkham Hills, in the semi but we just weren't good enough.

One thing we did do was have a bit of fun which is half of the reason we play.

Some notable performances from Craig Ferguson with the ball and the occasional good knock from Ian Apps, Tony Dimeck, Shane Jackson, Jason Zerafa and James Sharp.

Thanks to the Henderson brothers who allowed us to finish the season off with 11 players.

Not sure what next year holds for us as age starts to affect the ability of some of us, but as the saying goes, you're a long time retired.

Finally, special thanks to all of the committee who turn up year in year out and work for no reward to allow us and the rest of the teams in the club to play.

Captain Jim Sultana

This season was unfortunately a season of under achieving. Having lost a couple of our players from last season, we still had a good blend of experience and youth for the season ahead but unfortunately we couldn't follow up last season's effort.

We never played the same type of game for two weeks in a row and due to various commitments; we could never play our strongest side each game.

We started well in the summer with good efforts with the bat from Brad Windle and Steven Thompson with good bowling support from Shaun Burnett and Joel Taylor, we kept in the hunt for a semi final spot. Unfortunately after the Christmas break, we just struggled with a form of consistency.

Well done to Brad Windle and Brendon Arthur on their centuries as well as Shaun Burnett's great bowling effort through the season.

On a sad note, we say goodbye to a group of friends who played cricket and made each afternoon on a Saturday enjoyable. Hanging up the whites after this season were Brad Windle, Darren Arthur, Gavin Xavier, Joel Taylor, Tony Pearson and a semi retiring Jim Sultana (I'll be back!). Thanks buys for some loyal service to the club and I look forward to many hours of golf in the near future.

Well done to the B1's in winning their grade.

The year started well, we had a couple of wins, then stopped for a couple of games, then we got on a roll all the way to making the grand final.

We tried our best in the final against Pendle Hill but went down fighting. Although we lost, the year was topped off by beating Wenty in the semi.

I need to mention a couple of our team Dave and Stuart for coming aboard, Clayton for winning the batting and Simon for the bowling.

Thanks for the year

Captain Simon Grove

then we

e lost,

for

A season of near misses, coming only 8 runs short of winning through to the semis in the final round and losing three other games by only one wicket. There were many good individual performances, many surprised even the players' themselves. The batting workload was shared with five players making half centuries, four of which on repeat occasions. Topping the figures were Shannon Edwards with 539 runs at 41.46 including a best of 103 not out and Shaun John with 518 runs at 32.38. The bowling was certainly a mixed bag, at times if felt like we competed for who could bowl the most wides or no balls in an over, however no-one came close to beating Akash's 34 off one over which included five 6's and a questionable 4. Kashy, our most improved player for the season did get to bowl again later in the season including a 2/10 in the final round. The bowling honours went to Simon Grove taking 50 wickets at 14.34 and Shannon Edwards 44 wickets at 13.98. The fielding at times was a little lack luster, however there were many fantastic catches taken in the slips by Tim French and at short mid-wicket by James Clancy.

Thanks for the great season boys it would be good to see you all back in a Greystanes hat next year.

Simon
