Greystanes Cricket Club would like to thank our Platinum Sponsor

Welcome to the Coolibah Hotel, a place that locals come back to time and time again. The friendly staff, relaxed atmosphere and superb facilities combine with great quality and value for money food and drinks to make it the perfect place to meet with friends and family.

The bistro is worth entry to the hotel alone. You'll enjoy dining in the vibrant atmosphere and relax knowing there's no better place to unwind.

Our sports bar is perfect for anyone who likes a flutter or for those who just want to catch up with friends.

We're sure you'll enjoy the banter in the TAB bar and the relaxation of the lounge bar.

Any time you want to celebrate, we have a function room that comfortably caters for up to 150 people. From everyday celebrations to large corporate and social events, our attentive staff and sleek and elegantly designed room will help you make it a memorable experience for all.

**Thanks to the Coolibah Hotel for
23 years of supporting our club**

President's Report – David Mandic

Thanks to the efforts of the 2024/25 committee and the generosity of our sponsors we were able to provide our 9 junior and 3 senior teams a smoothly run cricket season which was enjoyed by all. It was great to see the game played in the right spirit and everyone enjoying themselves.

A special mention to the coaches and managers this season who put in a great deal of effort to ensure the boys and girls all learnt and improved their cricket skills and knowledge whilst having fun with their teammates.

It was especially pleasing to field our first all-girls team this season. Thanks to the enthusiastic guidance of Simon, along with Nidhi and Vasu, the girls went from being slightly hesitant at the start of the season to improving their cricket skills immensely and thoroughly enjoying the game, training and each other's company. A great team bond was formed.

Thanks again to Simon Agius, with the help of Andrew and Emma Marscham for again running the Blasters program for young future cricketers before and after the new year. I could see the kids loved it.

Thanks to Amy for managing the social media posts which kept everyone informed of club happenings, to Derek for all the time he spends organising teams and registering them, to Jim for the secretarial duties, Sean for his treasury and secretarial efforts and Wayne for organising all the clothing and for his representation on the PDCA board. This committee genuinely cares about the experience you have playing for our club.

A big thank you to all our sponsors who are advertised throughout this booklet. The generosity of these businesses helps keep our registration fees to a minimum, so please support the businesses that support us.

When I joined the club in 1978, we were taught that when you played, you were playing not only for yourselves or for your team, but you were representing Greystanes Cricket Club, which has proudly been here since 1971. So, when you walk on the field in your grey, black and whites, represent our club with pride and play the game in the right spirit to the best of your ability. This year, most of you upheld this belief, as we have in years prior, and I hope it's a mantra we continue to uphold proudly into our future.

Dave Mandic

Secretary's Report – Jim Sultana

Season 2024/25 saw Greystanes Cricket Club compete with 4 Senior teams, A Reserve, B2's and 2 teams in the B11's. We had 9 Junior Teams including our very first Girls Thunder League Stage 1. What an honour it will be for those girls to be known as members of our first competitive.

Unfortunately, we had no premierships teams or Grand Final participants this season, but I would like to congratulate our A Reserves (minor premiers) and our Under 15 Div I, Under 12 Div 3 (minor premiers) and our Under 12 Div 2 for representing our Club in the Semi Finals.

I would like to also congratulate all award recipients from both Seniors and Juniors for their individual efforts and achievements.

To our senior Captains, thank you for your efforts in having your teams represent Greystanes Cricket Club in a manner that upheld our Clubs reputation within the Parramatta Cricket Association.

To our Junior Coaches and Managers, thank you for providing our junior teams with your guidance and leadership, ensuring that our teams were competitive as well as helping to improve the players skills.

Special mention to Simon Agius for his efforts in guiding our first All Girls Team this season as well as running our Cricket Blast for children aged under 9.

To all our Sponsors, we very much appreciate your contribution to our Club and look forward to maintaining the relationship in future seasons.

Thank you to our committee who put countless hours of their own time into the running of this Club. Without them, we wouldn't have a club.

Finally, Thank you to our President Dave Mandic, Treasurer Sean Fahy, Club Registrar Derek Furtado and Life Member Wayne Earl. Dave, for your leadership. Sean, Derek and Wayne, who ensure all the minor details are covered to enable the Club to run successfully.

See you all in season 2025/26

Regards

Jim

Treasurers Report – Sean Fahy

We have enjoyed another great season at our club. It was highlight by our first ever girls only team. The committee put a great deal of work into this, and it was great to see the fun all the girls were having during the season. One of the memories the girls will never forget was to have WBBL Thunder stars Charmari Athapaththu and Anika Learoyd attend a training session. A special mention to Simon Agius for the time and passion he provided to the girls during the season.

Our club added some new sponsors this year and we thank them greatly. Sponsorship is why we can fill the gap between our running costs and registration fees. It also provides for presentations and trophies. The Coolibah Hotel and PBT have had a long history with our club, and we hope to continue these relationships. We also look forward to creating long-term relationships with our new sponsors. If any member of our great club can provide or influence new sponsorship, please reach out.

The club had a strong balance sheet this year. By strong, that means we were able to cover our costs with our revenues and leave a very small amount in the bank for a rainy day. The committee does not like increasing registration and we do our best to limit passing on the increases that are passed on to the club.

The club applied for, and was successful in, a NSW government office of sport grant for encouraging girls to play cricket. The grant was used to facilitate come and try sessions at OLQP with an accredited cricket coach. A lot of effort was put into contacting the local schools without any success. Several of our members tried face to face influence, but no luck. Can anyone help to gain access to our local schools for come and try days. We have another season of grant money to use., so it is free to the school to have an accredited coach attend and run sessions. It also helps grow our great game of cricket

Thanks to our committee members once again for their continued efforts. A lot of work goes on behind the scenes, including coaching and game day attendance. I would ask that if anyone in our club has an ability to become a committee member or support in some way it would be appreciated. Just a couple of hours a month would help.

Thanks

Sean

Greystanes Cricket Club would like to thank our Gold Sponsors

A boutique telco

Trikon offers a comprehensive suite of products and services including phone systems, communications, web design & development, printing and business finance to its customers. our market-leading technology solutions enable businesses to create and operate high quality, service assured, intelligent networks.

Businesses both large and small, depend on our consistent delivery of advanced solutions, enabling them to stay ahead of the growth curve while keeping cost to a minimum. Trikon's mission is to be a leader in telecom and information communications systems and we always strive to provide flawless experience to our valued customers.

We are experts in enhancing business capabilities through technology which in turn helps businesses to preserve and enlarge their customer base with continuously improving quality of service without service interruption.

Under 10 Mixed White South (Stage 1)

Coach: Rajan Shah

Manager: Kruti Kapadia

I really like to appreciate the Greystanes Cricket Club who gave us opportunity to be a part of the club. Thank you to all sponsors who made the season so successful. Big thank you to all parents who motivate their kids to join the beautiful game of cricket and without their support it would be difficult. Special thanks to Manger – Kruti Kapadia for scoring, team management and communication with parents and Greystanes Club. As being a coach of Greystanes under 10 mixed south, I truly enjoyed the spectacular performances of all players who were playing their first season. Despite playing first season but I really say that the commitment, passion, teamwork, discipline, motivation are just second to none. They all learned the basics of cricket and understand the skill which is really needed as they continue to play in next season. They were very excited on game day but most importantly they were really enjoyed the cricket and had a lot of fun. They support their teammates and show lots of courage and effort while playing their first season.

Aneesh Khisti: Right arm pace bowler and had no hesitation to bowl first over. His ability to swing the bowl was exceptional. He missed couple of games in January as he went overseas. He needs to improve his batting skills, particularly to defend the ball.

Reyansh Pathipati: He is a very mature batsman and bowler. Right-handed batsman and Right arm bowler. He got highest runs and most sixes. He loves to play at No 3 and natural stroke player. Puts the opponent under pressure in no time and he is very fast in running between the wickets. He got great bowling figures too and able to bowl under pressure.

Sriyansh Reddy Gade: Attended all practice session on Wednesday and developed his skill in batting and bowling. He was struggling initially with footwork but after 5 weeks i found him very confident in stroke play and timing. He is a middle order batsman and medium pacer bowler.

Neelabh Kamra: Attended all practise session. He can defend the ball very well and so good in running between the wickets. He is a left-handed middle order batsman. It took 6 weeks to get his line and length in bowling but then he really delivered the great spell for his team. He was so good in behind the wickets and saved lots of runs for the team.

Kiaan Shah: Right arm fast bowler and middle order batsman. He is really good in running between the wickets and loves to play in middle overs. Ability to make a strong partnership. He cheered up the team mates and bring the positive energy on the field. Medium fast bowler and very effective in middle overs. Needs to improve in batting techniques but such a valuable player for the team. Overall, very good performance.

Sugeeth Gunasekaran: He is a really good fielder. Right-handed batsman and he batting slow but steady. He actually took his time initially to get his line and length but shown lot of effort and delivered the great results in few games. Really needs to improve in batting technique specially the timing.

Parv Shah: Left-handed batsman and right arm bowler. He got ability to hit ground shot and able to convert ones into twos. A good striker and strong opener for the team. He also got good bowling action but needs to improve on line and length. Also, a handy wickets keeper for the team.

Parthiv Thami Setti: Left-handed opener and very fast right arm bowler. Very impressive fielder too. Very strong in straight down the ground and able to run quickly. He is a natural stroke player and loves to play when the ball is new. A very accurate depth bowler.

Tejas Sinha: He had a fantastic season in this grade and love to play with team mates. Right-handed batsman and great bowling action which confuse the batsman. He is a orthodox spinner. Tejas worked hard on line and length and he bowled really accurate spell through the season. He requires bit of more focus on footwork but very happy with his performance throughout the season.

Under 11 Blue (Stage 1)

Coach: Andrew Luccitti

Manager: Simone & Mark Lowndes

Under 11 blue had a very enjoyable and competitive season, winning 10 of their 19 games with 1 washout and 3 very tight losses.

All 9 boys played at a very high level for stage 1 and more importantly they played the game in the right spirit, always showing respect to their opposition and the umpires while also displaying the required discipline to bowl their overs in a timely manner.

The boys regularly exhibited terrific fielding and running between the wickets, which were second to none in the competition. These are vital skills that will serve the boys well as they hopefully continue their cricket journey with this club through the junior stages into senior cricket

Kody Piper – There really isn't much that I can say about this kid and his performance that the statistics cant. 347 runs and 22 wickets. One of the best seasons that I've seen from a cricketer of this age. Congratulations from everyone in our team and the club on scoring the most runs in the competition. A special player in the making. Kody wins the batting and bowling aggregate awards.

Harrison Luccitti – Harrison had a very solid 2nd season of cricket. He doubled his run tally from last season while also finishing 2nd in the team with 14 wickets. Harrison wins the most deserving award for his achievements this season. He has proved to be a dependable middle order batter with a stout defence, and he bowls stump to stump which accounted for most of his wickets.

Timothy Goska – Tim in his first season of cricket impressed me from day 1 with his attitude. He was always the first boy at training and was usually the last to leave. Tim wins the encouragement award. Tim is a very hard worker, and he is always looking to improve his game. Tim turned out to be a very good fielder and he always applied pressure to the opposition. His brilliant innings of 21 with 4 boundaries against Wenty Leagues was one of the highlights of the season.

Samuel Forbes – Samuel is a very solid cricketer, and his game went from strength to strength as the season went on. He ended up as our #1 wicketkeeper and he provided the absolute highlight of our season with a brilliant one handed stop at mid off followed by a direct hit run out. Samuel wins the fielding award. Samuel showed incredible bravery on a couple of occasions, and I won't forget him coming back out to bat after being hit in the ribs in the final game of the season. That's what this game is about.

Carter Campbell – Carter had a strong season, and he will develop into a very dangerous left handed opening batter in years to come. His straight drives were textbook and beautiful to watch. Carter scored 192 runs this season which is a great achievement in itself. He also proved to be an excellent wicketkeeper and his medium paced leg spinners had the opposition batters looking for answers all season long.

Yohan Modi – Yohan proved to be a dangerous strike bowler from the opening game, and he bowled with terrific pace and accuracy all year. He earned the right to take the new ball, and he didn't let the side down. When Yohan hits a ball, it stays hit. He is powerful batter and a very good runner between the wickets. Unfortunately, his season was curtailed by a broken arm.

Cameron Lowndes – Cameron, like he did last season, brought the laughs and the fun into this side. He is an absolute pleasure to have in the team. His left handed bowling bamboozled the opposition on numerous occasions, and he proved himself to be a solid rock (no pun intended) in defence with the bat. Cameron was also one of the top 3 fielders in the team

with some excellent catches and run outs. Well done mate on a great season.

David Vo – What you see is what you get with David. He is a bundle of energy, and this shows in all facets of his game. David opened the bowling on numerous occasions and his consistent line and length frustrated the opposition batters all season. He is a creative and opportunistic batter, and he consistently takes the quick singles and turns ones into twos. David is also a versatile fielder, he can put pressure on in close or he can also ride the boundary with his strong throwing arm.

Jakob Marsic – Jakob improved with every game that he played in his first season of cricket. He was rewarded with a bag full of wickets in the last few games which was a very well earned reward for the effort that he put in every week at training. Jakob also faced the music against some very fast and accurate bowling, and he never once shied away from his task. On numerous occasions he consolidated our batting innings after we had lost a few early wickets. He also slotted in at wicketkeeper a few times and did a great job for his team. Well done, Jakob.

Finally, I would like to thank Simone, Mark and Dan for their tireless efforts in managing this team and scoring every week. Just like last season you guys backed up and did a massive job! A huge thank you also to Dave Mandic and the club committee for their support all season long. It takes a lot of effort from numerous people to get a team on the park every Saturday and I'm very grateful to have a terrific group of parents involved with this side. From ground set up, to ensuring everyone was always at training and games on time, to giving the boys throw downs while I was umpiring, I thank all of the families for a very enjoyable season, and I hope all players took some lessons away that they can apply to make them even better cricketers in 2025/26.

Timothy Goska	180	2	7	129	18.43

It was a pleasure for me as a coach to Greystanes U11 Green team and watch the boys learn and enjoy the great game of cricket. Some of them are first time playing Junior cricket and it was pleasing to see they all made a good progress in all the department of Batting, Balling and Fielding throughout the season. and seeing how keen everyone was to participate and learn all aspects of cricket and pleasing to see the positive attitude and sportsmanship displayed throughout the season.

The highlight of the season would have to be in seeing all players finish with scoring runs and taking a wicket. The boys continued to show great competitive spirit on and off the field and all players (including parents) really bonded throughout the season.

We had some excellent individual performances with the bat during the season Mohammed Nuh Arsalan 198, second Vaibhav 196, bowling as well with Hrishaan Singa Roy leading the team and overall group chart. Excellent performances by rest of the team.

This year has been a great learning experience for the kids and parents and puts us into a good position and more confidence for the next season.

I would like to thank the parents for helping out with umpiring, scoring and backup coaching as well when required and Thanks to David President of the club for being available anytime for the team.

Thanks to everyone for Great season !!

Under 12 Thunder Girls League (Stage 1)

**Coach: Nidhi Aggarwal/Vasu Garg
Manager: Simon Agius**

The 2024/2025 season had been an exciting and historic season for the first girls' team at Greystanes Cricket Club. This season marked the clubs' inaugural season in the all-girls cricket competition, and what a journey it has been. From the first practice session to the last match of the season, the growth and confidence by every player had been remarkable.

The goal for the season was for the girls to have fun whilst learning all aspects of playing cricket along the way, every girl turned up with a smile on their face whether it was training or game day.

The girls improved week on week, long and behold the girls had their first ever win. All the hard work paid off in a game that saw everything the girls were working on come together. Winning in emphatic fashion, hitting the winning run on the last ball of the match. It was everything you could have wished for in a cricket match and a memory that will stay forever with all the players, coaches and parents involved that day.

Congratulations to Samantha for scoring most runs and taking most wickets for the season. Sam displayed a positive, confident attitude and it shown in the way Sam played her cricket. Well done Sam.

Inseparable Aashi and Samanvi proved to be very consistent with batting and bowling, unlucky not to take a lot more wickets, powerhouse cricketers in the making. Molly and Drishika brought their enthusiastic nature to each game, motivating teammates with plenty of encouragement and talk in the field. Well done Molly finishing 2nd highest runs scored for the team and Drishika for getting amongst the runs also.

Phoenix and Sienna went from strength to strength with practice and persistence. Improving with both bowling and batting through-out the season. Phoenix taking the 2nd most wickets with Sienna not far behind. Ishana and Manasvi were amazing in the field, both enjoying and doing a brilliant job in the wicket keeping role. Their running between wickets and willingness to learn about their game was great to see.

Special mention to Steven and Vasu for sharing the scoring duties, and to all other the parents who helped week to week. Big thank you to Nidhi for helping coach, inspire and motivate the girls to be the best they can be.

On behalf of Nidhi, Vasu and myself, it has been amazing to see the development of each girl and the progression as a team. It was a very enjoyable and rewarding season, we look forward to building on this next season.

Congratulations on a great first season.

Regards,
Simon Agius & Nidhi Garg
Co-Coaches

Coach: Vikram Joshi\Rod Hokin
Manager: Camilla Gallacher

The Under 12/2 team performed exceptionally well over team season and improved significantly. Their fantastic performances in the 2nd half of the season where they won 6 consecutive games saw them reach the Semi-Finals. There were many close games, and the boys were a great bunch of kids who enjoyed playing every Saturday.

Aaryan Joshi was one of the standout players with both bat and ball. He was both the leading run scorer (306 runs at 21.9) and the leading wicket-taker (26 wickets at 6.15). His batting was technically correct, and he did an excellent job at the top of the order. His decision to take up leg-spin certainly was very effective, and his all-round skill make him a player to watch in the years to come.

Samuel Hokin had the 2nd best batting average in the whole competition. His season was affected by injury, but he still managed 289 runs at an average of 36.13. His left-handed batting is very powerful, and he dominates any balls down the leg-side. Samuel developed his left-handed finger spin and showed plenty of potential as a spinner of the future. His wicket-keeping was also very good, and he showed his leadership skills by captaining the team very well in the Semi-Final.

Jake Gallacher had an excellent all-round season. His left-arm pace bowling was accurate and very effective. With the bat he developed in confidence and showed his ability to hit boundaries when needed. His 6 to win the game against Hills Barbarians was a great example. The team needed someone to step up and the last wicket partnership helped the boys to seal the win and make the semi-final.

Hasandu De Silva bowls with excellent pace and he was rewarded with 16 wickets for the season. He has the ability to bowl unplayable balls and often would get key wickets when needed. He bowled an outstanding last over against Wenty Waratahs to seal a nail-biting 4 run win. His batting also has plenty of potential and he developed very well over the course of the season.

Jake Piper really showed his ability this season with excellent batting and bowling throughout the season. His out-swing bowling and technically correct batting was a highlight of the season. He finished as our 3rd highest run-scorer and our most economical bowler. He was a pleasure to coach and will develop into an outstanding cricketer.

Hridhaan Nadkar was a very enthusiastic player who bowled with good pace. He opened the batting in most games this season and his resolute defence helped the team to see off some excellent opposition opening bowlers. Hridhaan was always keen to be involved in the game and was very keen to contribute with both bat and ball.

Archie Venables returned to cricket this season and again showed his excellent all-round sporting ability. Whether it be bowling his leg-spin or smashing his sweep shot Archie was always a key player in the game. His wicket-keeping was also excellent, and it was great to see him full of enthusiasm for every training session and match.

Joshua Hokin had an outstanding season and was one of our most improved players. He bowls very accurate medium pace and is a technically correct left-handed batsman. He also took some important catches and showed plenty of potential in the one game he was wicket-keeper. Joshua was also our fastest runner and showed Michael Bevan like skills when running between the wickets.

Jake Hokin was the youngest player in the team at 9 years of age. Despite his age he was one of the team's best bowlers taking 15 wickets with a combination of pace and spin. Against Hills Barbarians he took an incredible 5 wickets for 3 runs with all his wickets being bowled. Jake was also the team's leading fielder with 12 dismissals. All his backyard practice of savings fours and sixers definitely developed his skills!

Zayd Syed was one of our most improved players this season. He started as a beginner, but he worked very hard at training to develop both his batting and his bowling. The practice showed and his bowling became much more accurate and consistent. He also played some valuable innings with a highlight being retired at 35 balls against the best bowling team in the competition.

Thanks to a wonderful group of parents and especially Cam for managing the team and Vikram for coaching the boys on a Saturday in my absence.

This was a very talented team who were a pleasure to coach.

Under 12 div 3 (Stage 2)

Semi Finalists

Coach: Dinal Patel
Manager: Parveen Kumar

What a roller coaster of a season for the U12's! Lost 5 out of the first 6 games: fair result for a team with players playing their first season. Eager to win, the kids started showing interest in learning the required skills to perform well and win. As a result of this positive change, the U12's won their next 13 matches straight showcasing skill and talent and more importantly teamwork!

A gloomy start

A bunch of schoolkids who mostly played cricket in their backyard set out to play their first season. Their first game was a loss: tough on the kids as they were getting used to the rules. They had their first win by a narrow margin with Kellyville which restored their faith in their abilities. Losing the next 5 matches was the turning point of their season. After the loss in game 7, the players worked hard on improving on things like running hard between the wickets, improving accuracy in bowling, backing up in fielding etc. Small improvements helped them gain confidence which resulted in what I call a phenomenal comeback!

Phenomenal comeback

From game 7, each of the players put in their best and worked as a team to grab their 2nd win of the season. After that it was no stopping this team! They gained confidence from each win and kept adding those small improvements to their arsenal. Our 13 consecutive wins showed the team work, commitment and dedication of each player. The highlight of the 13 consecutive wins were 2 hattricks by Hriday and Arush. As the kids improved in the different departments of cricket, batting partnerships, bowling accuracy, runouts, catching efficiency was all clearly visible. Another highlight of the consecutive win was the leadership of Neil. A brilliant bowler himself, Neil motivated his teammates to give their best in each game. The U12's not only showed they could get the opposition out early if they bowl first but also placed decent totals they can defend. Batting order was very impressive with Arush and Shane opening and giving the team the best start. Manav, the highest run scorer for Greystanes u12's Div 3, was also in great form to push the total higher for the team. Hriday, Saharsh, Neil, Dhanush, Parthiv & Pradyut proved to be the strongest middle & lower order in the entire season. One player that showed the most improvement throughout the season was Sahit. He was not confident of holding a bat or bowling but performed well as the season progressed. Also, would like to mention contribution from Ethan who performed well in batting and fielding.

Thank you

I would like to thank all the parents for helping with scoring, ground duties and coaching. The pre-season PDCA brief was clear that its 'all about the kids having fun'. We followed that motto the entire season and I'm sure each kid had fun playing this season. We didn't get the final trophy but we surely formed a team that knows how to win 13 consecutive times!

Some wonderful highlights of the season

- Hriday and Arush getting their first hatrick in this season
- Manav scoring consistently to become the 2nd highest scorer in the season across all clubs.
- Neil, Shane, Dhanush and Saharsh forming lower order partnerships in crucial matches.
- Parthiv for being the most reliable wicket keeper
- Sahit for taking his first wicket and catch in the season.
- Saharsh for uprooting stumps with sheer pace
- Ethan for forming a wonderful partnership with Neil for a win against seven hills
- Pradyut and Parthiv for being the fastest runners between the wickets.
- Neil for his leadership qualities.

THUNDER WBBL

COME AND MEET SOME THUNDER WBBL PLAYERS!

When: Tuesday 19th November, 2024
Time: U12's girls training, 5:30pm - 6:30pm, then meet and greet following.
Where: Bathurst St Park

BBQ to enjoy after!

Charmari Athapaththu
 Current Sri Lankan International player

Anika Learoyd

Under 13 div 2 (Stage 2)

Coach: Jim Sultana
Manager: Nikki Hokin

A new team made up of some of last seasons Under 12 Div 2 and Under 12 Div 3 plus a few new faces and a Coach who came out of retirement to coach again since 1993/94. Division 3 was an option however as Coach I felt that the boys needed to play division 2 to test themselves out and learn how to earn a victory.

We only managed to win 4 matches and tie 1 to finish 9th on the ladder. Once the boys started to gel as a team, they were quite competitive. Yes, we copped a few hidings in a few matches, but we also held our own when at full strength. 5 matches we were well into the match and lost only by what I would say was inexperience in how to close out a match. As mentioned, we had a tied match as well as a 1 run loss the very next game!

We suffered a setback after the Christmas break in losing 2 of our key bowlers and fielders. Instead of letting this loss dampen their enthusiasm, the boys lifted as a group, and they all lifted in their individual performances.

The boys can all be proud of their performances with each 1 showing improvement in their individual skills from the previous season.

I would like to also thank all the Parents for their help and support this season. It was an absolute pleasure to deal with such fine people and their well-behaved children who are all maturing into fine young men.

Special thanks to Dave Mandic and Rod Hokin for stepping in when I was unable to be with the team. Also, a thank you to Nikki Hokin for helping as team manager.

I look forward to seeing how these boys will perform next season. The team definitely has some quality cricketers there with more achievements to come

Jim Sultana

Under 14 div 2 (Stage 2)

**Coach: Steve Michaels
Manager: Youssef Hakko**

This year's U14 Div 2 certainly made big steps forward from last year. With an addition of some new players of various levels, the results don't show how much improvement was made individually and as a team.

There was no doubt the top half of the competition was a step up in class but our bowling and fielding at times challenged those teams. Our biggest drawback throughout the year was with the bat. From strong positions we collapsed all too regularly. Getting the boys to look at the bigger picture was a struggle a lot of the time.

We did however manage to secure a couple of victories during the season through hard work and perseverance. Only what could have been for a few other close games

I would like to thank a few people. Firstly, our first time captain Abdul for his enthusiasm, leadership through the good and trying days, and willingness to learn during the season. Our manager Youssef who was my chauffer for the last half of the season as well as scoring and coaching duties. And all the parents who were very supportive of me and the team after my operation with coaching, umpiring duties, setting up the field etc. It was great to feel that community spirit with everyone.

Lastly to the boys. While improvements have been made, we need to work even harder next year on our individual and team skills to bridge the gap to our opposition. During the year you played with resilience and great sportsmanship, and I was proud to be your coach. Well done on a great season

Thanks
Steve Michaels

Under 15 div 1 (Stage 3)
Semi Finalists

Coach: Andrew Piper
Manager: Simone Lowndes

The 2024/25 season has been a remarkable journey for the Under 15s team which started 2 seasons ago for many.

Starting the year in the 15/2 division, the boys quickly proved they were a class above, earning a well-deserved regrading into the 15/1s known as the strongest junior competition in our district. From that moment on, they embraced the challenge head-on, displaying grit, teamwork, and continuous growth.

Despite facing stronger opposition week in and week out, the team showed they belonged at the top level. Their hard work paid off with a semi-final berth, an outstanding achievement considering where the season began.

In the semi-final, we faced the competition leaders, a team that had convincingly out played us in the first round. This time, however, the boys came with a different mindset. They dug deep, fought hard, and pushed the game into the final hour of the last day. While the result didn't go our way, the performance was nothing short of inspiring a true testament to the character and heart of this group.

It has been an absolute honour to coach the players this season and all previous . Their growth, resilience, and unity made this season something special, and every player should be incredibly proud of what they've achieved.

I hope to see them continue their cricket career into the future

Special mention to

Aaren who was the clubs only centurion this season in both juniors and seniors.

Daniel Lowndes (wicket keeper) first ever fivefer

Thank you to all parents who contributed to running the day umpiring, scoring or ground setup which allowed me to focus on the coaching aspect. Its been an honour to be involved with all of you over the past few seasons I hope to see you continue supporting your son as they move towards the senior cricket divisions.

Cheers AP

A Reserve **Semi Finalists**

Captain: Naren Nadeswaran

As the 2024 cricket season comes to a close, it is time to reflect on the journey of the Greystanes Sports Club A-Reserve team. Our season was filled with excitement, determination, and strong camaraderie. We began with high hopes and a collective sense of purpose, and though we fell short in the semi-finals, the season as a whole was a tremendous success.

The team finished 1st on the table after the regular rounds, an achievement that reflected the hard work and commitment from every player involved. This strong finish demonstrated the dedication and team spirit that defined our season. We were in great form throughout, but unfortunately, we lost in the semi-finals in a tightly contested game. Despite the loss, the team displayed admirable resilience, and we could not be prouder of how we represented the club.

What truly made this season special, however, was the courage and commitment displayed by the entire team. Every player, regardless of their role or contribution, showed up week in and week out with determination and a positive attitude. The bond formed between the boys was truly priceless, and it made every moment on and off the field enjoyable. We are not just a team, but a family, and that is something that will last far beyond the cricket season.

As we reflect on the season, I want to extend my heartfelt thanks to all the players for their hard work and dedication. I know that some of the boys may not be playing together next season, but I wish them the very best in all their future endeavours. The memories we created together will remain with us for years to come.

Lastly, I would like to express my sincere gratitude to Greystanes Sports Club and the committee for their unwavering support, throughout the season and coming to the semi-finals. All the players were deeply touched by the encouragement and backing we received from the club. It made a world of difference knowing that the entire club stood behind us, but unfortunately, we couldn't get over the line in the semi-finals, but we are still celebrating the whole season being the primers.

We are hopeful for another great season ahead and look forward to continuing our journey with Greystanes Sports Club. Here's to the next chapter! Go Greystanes!

A Reserve

Overall, this season was a challenging one. It seemed like we just couldn't get it together. We either batted well or bowled well at the beginning of the season and it took us a while to find our rhythm as a team, we had a great middle of the season, but the challenge was to big.

When reviewing the season, every game everyone tried their best with the bat, ball and fielding and I'm so proud of our team for their continued effort and laughter.

Individual highlights this season were:

Batting:

Andrew Piper scoring 303 with a batting average of 30.3 which included 2 scores above 50 awesome power hitting and Consistent batting.

Steve Roberts Who opened the batting and is our wicket keeper scoring 208 runs 18.9 absolutely a great all-round performance.

Bowling:

It was a great end of the year with three of our bowlers ending up over 20 wickets for the year.

Gary Zahra 22 wickets at an average of 20.5 best figures 6/59

Ethan Barden 21 wickets at an average of 16.9 best bowling 5/32

Harpreet Singh 21 wickets average of 14.9 best bowling 6/19

I'm so proud of everyone who played a part in this season.

A big thank you to Ajitesh, Noah, Peter Nahlous and Wayne Agius who were able to fill in when we were short which was so important to our successful year.

Special mention to these young cricketing Stars who handled Senior cricket very well.

Noah, Mahi and Somesh who came into the team and bowled with pace and accuracy and batted really well.

This team is a true reflection of what Greystanes Cricket Club is all about. Even in the games where we were out played, we all play hard. We are a team who relies on each other, we are all mates and play cricket in good spirit, we have so much fun on and off the cricket field and enjoy each other's company.

Bring on next season and hopefully we can be injury free and challenge the top of the table.

B11 C Black Captains: Derek Furtado (6), Jim Sultana (2), Andrew Marner (1), Palwinder Singh (1), Nathan Lieschke (1) & Chitrak Sharma (1)

Considering how many new players that joined the squad this season, it was a good effort overall. We enjoyed ourselves and played fairly, despite the fact that we didn't win very often.

We had trouble finding players even before the season began, but in the end, we had 16. It also appeared that we had more bowlers than batsmen but we all contributed to the team's batting, bowling, and fielding. Overall, it was a good year, even though we played the games without any luck.

We had 6 different captains during the season because we wanted to give everyone a chance to learn the ropes and ideally have one of them captain next season.

Special thanks to Kevin (Andrews Dad) for doing the scoring for us.

	<p>Top Down</p> <p>Kevin, Palwinder, Chitrak</p> <p>Matt, Jash, Andrew</p> <p>Jim, Gokul, Ravi, Kowsik,</p> <p>Derek, Nathan</p>
--	--

Missing from above but in the below picture (both B11 Teams) – Ayden, Chaitanya, Glenn, Parathy, Noah & Aidan

We all stepped up as per the below highlight.

Game 1 – Noah scored 42 runs, Glenn scored 29 runs and Andrew scored 25 runs and Andrew took 2 catches.

Game 2 - Bye

Game 3 – Derek scored 43 runs, Chitrak scored 35 runs and Nathan scored 32 runs. Bowling Matthew took 2 for 16 and Glenn took 4 catches.

Game 4 – In this game the batting was poor but Jash took 4 for 10 of his bowling and Ayden took 3 catches.

Game 5 – The only highlight was that Ravi took 3 for 45 of his bowling and Ayden took 3 catches.

Game 6 – Bowling Glenn took 2 for 44 and Matthew took 3 for 31 and batting Andrew scored 34 & Glenn Scored 24 and Derek took 2 catches.

<p>Game 7 – Derek scored 50 & Glenn Scored 52 runs (Glenn scored his first ever 50), first 50's of the season and a good partnership, bowling Matt took 2 for 22 and Ayden took 2 catches.</p>	
<p>Game 8 – Glenn took 2 for 24 and Ravi 2 for 32 of their bowling, with batting Nathan scored his first 50 of the season and first ever 50 of his career, Glenn scored 35 and Derek scored 22</p>	

Game 9 - Bye

Game 10 – Derek 3 for 15 of his bowling

Game 11 – Jash 3 for 44 and Derek 2 for 35 of their bowling and Jash scored 25 runs and Andrew and Ayden took 2 catches each.

Game 12 – Bowling Derek 3 for 4, Glenn 3 for 52 & Palwinder 2 for 60 and Gokul scored 36 in the second innings and Gokul took 2 catches.

Game 13 – Bowling Chai 3 for 24, Palwinder 2 for 21 and Derek 2 for 28 with batting Jash scored 28, Palwinder 20 and Matthew scored 15 not out and batted really well and Gokul took 3 catches and Ravi took 2 catches.

Game 14 – Derek Scored 31 runs

B11 Senior D Men

Captain: Vishnu Kumar Pedaballe

As we conclude the Summer Season of Cricket, I am pleased to provide an overview of our team's performance and reflect on the season's outcomes. This season has been a testament to the resilience, skill, and unwavering competitive spirit of our players. While we faced some close losses and challenges, particularly with umpire decisions, the team remained focused on playing high-quality cricket and has emerged stronger and more determined for the next season.

1. Team Performance:

- **Wins and Losses:** The team recorded **3 wins** this season, showcasing our strength in all departments of the game – batting, bowling, and fielding. Our victories were not only a reflection of individual talent but also the collective effort and unity we've built as a team. The commitment and passion demonstrated in these matches (even when we were short of players) set a high standard for us moving forward.

However, we also faced a number of close matches that we unfortunately lost by a narrow margin. One of the most significant moments came when we lost **on the last ball of a 2-day game**. This defeat was especially frustrating as it was the result of an **incorrect LBW decision by the umpire**, which left the team feeling disheartened but also more resolute.

Aside from that, a few other matches were also lost due to questionable umpire decisions, which, though outside of our control, tested our patience and sportsmanship. Despite these challenges, we never allowed these incidents to dampen our spirits. Our players displayed resilience and professionalism in handling these situations, understanding that umpire decisions are part of the game.

- **Competitive Spirit:** What truly stood out this season was the team's relentless competitive spirit. We were short of players for most of the matches (injuries & travel commitments), but great thanks to the Juniors who helped our team in filling the spots whenever it was needed. Despite the disappointments and challenges faced, every player remained focused and dedicated. Even in tight situations where the outcome was uncertain, the team exhibited incredible determination to give their best. This never-give-up attitude is something that we can all take pride in, and it will serve us well in the future.

The way the players rallied together after each loss, and the collective drive to improve, speaks volumes about the culture of the team. We may not have always come out on top, but our competitive edge has been evident in every match we played. The team has proven its ability to stay competitive, and I firmly believe this mindset will be a key factor in our success in the future.

2. Areas of Focus for Improvement:

- **Handling Pressure in Close Matches:** While we showed great resilience, there were moments when the pressure of tight matches affected our performance. Going forward, we will focus on improving our ability to stay calm under pressure. The ability to hold our nerve during crucial moments will be vital for our future successes.
- **Umpire-related Decisions:** Though umpire decisions are an inherent part of cricket, and are out of our control, it is important that we continue to maintain a positive attitude when faced with adversity. We will work on enhancing our mental toughness to not let such decisions affect our performance on the field. The team has demonstrated maturity in handling these situations, but it is important that we keep improving our focus and composure, regardless of external factors.
- **Consistency and Team Balance:** Our batting and bowling performances were strong overall, but there were moments of inconsistency. In the upcoming season, we will focus on ensuring that both our batting and bowling departments perform consistently throughout the season. Additionally, enhancing our fielding will be key to gaining an edge in tight contests. We will work towards creating a balanced team where every player knows their role and executes it effectively.

3. Looking Ahead to the Next Season:

As we reflect on this season, we acknowledge that there is always room for growth. We are committed to returning stronger next season, with a renewed sense of purpose and determination. The lessons learned this season will guide us as we set our sights on achieving even greater success. We will focus on building on our strengths, while addressing areas that require improvement, to ensure that we are better prepared for the challenges that lie ahead.

The goal for next season is clear: to improve, to compete, and to win. With hard work, focus, and a continued commitment to teamwork, I am confident that we can elevate our performance and achieve our collective goals. We will continue to emphasize the values that make Greystanes Cricket Club a respected and competitive team in Sydney's cricketing circles.

4. Acknowledgments and Gratitude:

I would like to take this opportunity to express my heartfelt thanks to the club's management and committee members for their unwavering support throughout the season. The dedication and efforts you put into ensuring that the team has the resources and opportunities to succeed do not go unnoticed. Your leadership is instrumental in fostering the success of this club, and we are grateful for your continued guidance.

A big thank you also goes out to our sponsors. Their support has been invaluable in ensuring that we are well-equipped and have the necessary resources to perform at our best. Their commitment to the club allows us to focus on the game and continually strive for improvement. We deeply appreciate their involvement in helping us grow and succeed.

Finally, I want to acknowledge and thank all of the players for their hard work, discipline, and dedication. Each player has given their all, and their efforts have been truly commendable. We also extend our gratitude to the families, friends, and supporters who continue to cheer us on – your encouragement means the world to us.

Conclusion:

In conclusion, while this season had its fair share of challenges, I am proud of the way our team responded. We maintained our competitive spirit, played with passion, and learned valuable lessons that will guide us in the future. With continued effort and focus, we will come back stronger for the next season, ready to build on the foundation we have established.

I look forward to working together to ensure the continued success of Greystanes Cricket Club.

Yours sincerely,

Vishnu
